TO THE PEOPLE.

The high tuition exacted by professors of music has placed its acquirement in the hands of comparatively few, and beyond the reach of many. Hundreds of dollars are sometimes spent in obtaining a knowledge of music, and many would be glad to continue lessons, having once made a good start, who are prevented by circumstances. In the interest of THE PEOPLE we have arranged a system of classes for the piano, organ and guitar, whereby the young of our city who have not already engaged teachers, can have an opportunity of learning music, with a fair prospect of obtaining a thorough course at much less expense than by the old method of individual lessons. Those preferring the latter can also be accommodated at reasonable rates. The 21 pupils selected from the Sabbath School for one term on the Organ gratis were to have commenced this week, but owing to a few Wards not reporting, these classes will delay until next Monday, when it is hoped all will be ready. Our terms to additional classes will be 20 cents per lesson for each pupil on either instrument—piano, organ or guitar. Two lessons per week. Also classes in Telegraphy at 10 cents a lesson. Very cheap and useful.

Respectfully,

FLORA SHIPP HILL,
H. J. HILL, Box 227.
1st South, St. opposite 14th Ward Assembly Rooms.

Y. L. M. I. A.

One lady from each Ward Association in the city will be taught Telegraphy, Free, in Brother Hill's classes, commencing in City Hall, Monday, October 30th, at 8 p. m. Officers can select by vote or otherwise. New pupils can commence any evening during two weeks from October 30th. Business Men, Ladies, Boys and Girls, old and young, 10 cents per lesson. Any one can learn to send messages in half a dozen lessons.
