## DIVORCE FROM DEAD HUSBAND

#### A Queer Case Filed With Clerk of District Court.

Phoshe Ann Cowcill has filed suit in district court against Louise Cowcill as administratrix of the estatof Richard Cowcill, deceased, and Lou ise C. Cowelli personally, to set aside a decree of divorce granted in January 1895, in which Rice and Cowcill now deceased was plaintiff and Phoebe A. Cowcill, the plaintiff in this case, was defendant The plaintiff alloges that she was mar-

ried to Richard Cowcill in England on May 25, 1875, and was his legally wed ded wife at the time of his death or December 12, 1899. She complains that her husband deserted her in 1891 and came to Utah, and that in 1893 he com-menced an action for divorce against her and said decree was granted on about December 26, 1895. She alles She allege that her husband married the defend ant in this suit on January 31, 189 and died in December, 1899, leaving a estate in Summit county valued at about \$3,000.

She claims that she was never served in any manner with a summons in the divorce case and hence was never within the jurisdiction of the cour She states that she was not aware of the whereabouts of her husband until she heard of his death when she im mediately took steps to assert her right to the estate. By reason of lapse of to the estate. time she is without any remedy in re gard to contesting the state, so she asks that the decree of divorce granted her husband be set aside and annulled and for such other relief as may seen proper

Stake of Zion will hold their confi

ence on Tuesday, February 4, in the

Assembly half beginning at 7:30 p. m. NELLIE C. TAYLOR.

OFFICERS' MEETING.

and tone the whole digestive system. Sold by all druggists. Some of the hest towns in the Creek Nation, and will pass through the gas Food Co., 63 E. First South.

nate section and Mr. Sholl states that the syndicate he represents has put-

#### Cut in Time of 24 Hours.

St. Paul, Jan. 20 .- From ocean ocean in three days is the time the Canadian Pacific expects to make early in the spring. Equipment for the new service will cost the system nearly \$1,-000,000, and will be supplied by builders in the United States. This ser-vice will be in addition to that formerly operated and the new train will be tri-weekly. The Canadian Pacific will cut twenty-four hours from the ning time, making a seventy-two-hour schedule between Montreal and Vancouver.

be 40.3 miles an hour. The train will make no local stops whatever, Raty Surveyors at Work. Denison, Texas, Jan. 30 .- Engineers

have arrived at Muskogee, I. T., to survey the Missouri, Kansas and Texas ex-tension from Weybark up the Kansas valley to Guthrie, and will begin work at once. The new line will tap the richest country in the Arkansas river bottom. Along this valley route is some of the finest agricultural lands

The average running time will

the syndicate he represents has pur-chased the railroad sections, also in-cluding the section on which the Southern Pacific water tank at Lucin is placed. The amount spent for this hand is, according to Mr. Sholl, between \$7,000 and \$8,000. This land includes a portion of what is known as Thou-sand Springs valley.

# well-known Southern Pacific engineer stated yesterday that he went to Salt

half -that amount has already been stored away. After Real Estate. According to the Ogden Standard a number of investors are looking for snaps along the line and some are engaged in hunting up townsites on the west-end of the road. M. Sholl, the
