SEMI-WEEKLY  
NEWSTHE GREAT  
COUNTRY PAPER  
OF THE WEST.

Is Issued Mondays and Thursdays  
and Contains All the Cream of the  
Daily and Saturday News.

## LOCAL BRIEFS.

State Fish Commissioner Sharp is in  
Hibber today to secure spawn for the  
state hatchery.

The Utah Woman's Press club will  
hold a business meeting on Tuesday,  
Oct. 17 at 11 a. m. at the Exponent  
office.

Unknown persons set fire to the brush  
Sunday afternoon on the south side of  
Red Butte canyon, and the fire made  
quite a display during the evening.

Soldiers out for a hunt Saturday re-  
ported grizzlies 16 miles up Emigration  
canyon, at a place known as Mules'  
Gulch. No casualties; the soldiers dis-  
tressed and escaped. Brave boys!

Funeral services were held yesterday  
in Masonic hall over the remains of A.  
J. Gustin, father of Mrs. Joel L. Priest  
and Frank J. Gustin, who died at Kear-  
ney, Nebraska. The interment occurred  
at Mt. Olive.

Late Saturday afternoon while the  
family was away, burglars entered the  
residence of W. Thompson and made  
off with articles of jewelry valued at  
about \$200. The burglar's visit was not  
discovered until the family returned  
in the evening. The police were notified  
and detectives are working on the  
case.

A copy of the articles of incorporation  
of the Mutual Savings company of Ariz-  
ona has been filed in the secretary of  
state's office. The capital stock of the  
company is \$125,000. The incorporators  
are A. N. Snow, O. Pelt, L. A. Merrill,  
M. Huff, C. F. Good and J. M. Jensen.  
A. H. Snow is resident agent for this  
state.

Joseph Ulmer, a noted German wine  
manufacturer, is at the Knutsford. He  
says the German people have a warm  
feeling for Americans, and does not be-  
lieve there will ever be any war be-  
tween the two nations. Mr. Ulmer re-  
ports the Japanese are largely believing  
that the terms of the unsatisfactory  
peace were dictated by the United  
States, and in consequence do not feel  
very friendly towards the American  
people.

M. H. Doskey has returned from a  
three months absence in Europe, where  
he visited the scene of his childhood at  
Pleschen, as well as other places of  
interest on the continent. He says the  
Germans take kindly to Americans, but  
regard them as too ambitious, and  
therefore less likely to enter the prop-  
erly of life. Only in art and  
music does Germany surpass the United  
States. The French people seem to  
have the idea that France is about the  
only country on the earth and care  
little for other nations. Mr. Doskey will  
go abroad next summer accompanied  
by his family.

Save your money and when you get a  
dollar, deposit it with Zion's Savings  
Bank and Trust Co., Salt Lake City,  
Utah. Jos. F. Smith, President; George

## AMUSEMENTS.

The advance sale for "The Pit" begins  
at the Theater tomorrow morning.

At the Grand tonight the new play  
of "Wyoming" will be produced.

"The Ideal" is the name of the ex-  
travaganza company to be produced  
show girls in 10 changes of costume,  
and a good assortment of old jokes at  
the Lyric this week. The play goes  
with the same gusto as its predecessors,  
and has a jocular and clever nature in  
an initiation minstrel show. The ex-  
tremes to which a manager will go to  
get in that inevitable stuffed German  
comedian who does rough and tumble  
stunts with the English language, have  
been pretty far tested, but the limit  
is apparently not yet reached. Last  
week he was furnished as the switch-  
man at the railroad crossing in one  
show, and in this one he comes forth  
as the school teacher of the show ladies  
who wear dresses short enough to take  
the part of children still in kindergar-  
ten. The local manager to his credit  
it said apparently went over the  
book of the show, for there was a no-  
ticeable absence of the "raw" remarks  
and "double entendres" which marred  
the performance last week.

One member of the company, discuss-  
ing the heavy cutting in the roles after  
the Saturday matinee, stated that he  
was the first city in which he had ob-  
served a sprinkling of ladies in the au-  
dience, and that in most towns extra-  
vaganzas went as a sort of "men only"  
entertainment, at which it was not es-  
pecially necessary to watch the char-  
acter of the dialogue. "The Ideal Ex-  
travaganza company" remains until  
Friday evening with the usual Wed-  
nesday matinee.

## TRACKLAYING RESUMED.

Restraining Order Against Embarger  
Road Dissolved by Judge Morris.

The temporary restraining order in  
the case of Aaron Keyser et al against  
the Salt Lake & Ogden Railroad com-  
pany has been dissolved by Judge  
Morris and the work of laying tracks  
on Market street by defendant has  
been commenced again and will be  
completed without further delay. The  
plaintiffs in the case, who are property  
owners on Market street, sought to en-  
join the Bamberger road from laying  
double tracks for a turnout over the  
east half of the street alleging that  
it would interfere with traffic on the  
street, deprive them of the uninterr-  
upted ingress and egress to and from  
their property and cause them great  
damage by depreciating the value of  
their property.

The case has been pending for several  
weeks and the testimony was con-  
cluded Saturday afternoon. At its con-  
clusion Judge Morris announced his de-  
cision in favor of defendant company  
and dissolved the injunction.

## The Best Doctor.

Rev. C. C. Horton, Sulphur Springs,  
Texas, writes, July 19th, 1897: "I have  
used in my family Ballard's Snow Liniment  
and Homeoheal Syrup, and they have  
proved certainly satisfactory. The liniment  
is the best we have ever used for  
headache and pain. The cough syrup has  
been our doctor for the last eight years."  
Sole, Sec. 1100. Sold by Z. C. M. L. Drug  
Dept.

## WENT OUT VISITING.

Trusty at County Jail Called on an Old  
Friend.

Deputy Sheriff Joe Sharp and Jailer  
Joe Burbridge located William Higgins,  
an escaped trusty, on Saturday after-  
noon and returned him to the county  
jail. Higgins was serving a term of  
four months for petit larceny and had  
been made a trusty at the jail. Friday  
afternoon he was taken out to the  
barn by Jailer Burbridge to do some  
work and that was the last seen of  
him until he was found by the deputies  
hiding under a bed at the home of a  
relative, Thomas Samuelson, on Eighth  
West between Second and Third North  
streets.

He was dragged out and taken back  
to jail and it is very likely that he will  
be charged with escaping from prison,  
which means another six months if he  
is convicted. Higgins was seen talking  
to a woman on Friday afternoon just  
before his escape and whether or not  
she induced him to leave is not known.  
The only reason he gave for leaving  
was that he wanted to visit his relatives.

## Saved His Life.

J. W. Davenport, Winona, Ky., writes,  
June 14, 1902: "I want to tell you I believe  
Ballard's Snow Liniment saved my life.  
I was under the treatment of two doctors  
and they told me one of my lungs was  
entirely closed, and the other badly af-  
fected. I also had a lump in my side. I  
don't think that I could have lived over  
two months longer. I was induced by a  
friend to try Ballard's Snow Liniment.  
The first application gave me great relief.  
Twenty-five cent bottles cured me sound  
and well. It is a wonderful medicine and I  
recommend it to suffering humanity." Sec.  
1100. Sold by Z. C. M. L. Drug Dept.

It is a mistake to imagine that nothing  
can be cured. A mistake to suffer  
a day longer than you can help.  
Don't's Ointment brings instant relief  
and permanent cure. At any drug  
store, 50 cents.
