## Better AND Cheaper.

THE ROYAL BAKING POWDER is more economical than other brands because of its greater leavening strength, as shown by both the U. S. and Canadian Government Reports.

The other baking powders contain from 20 to 80 per cent. less leavening gas than the ROYAL. So the ROYAL, even should it cost more than the others, would be much the cheaper.

In addition to this superior flavor, sweetness, wholesomeness and delicacy of the food raised by ROYAL BAKING POWDER would make any difference in cost insignificant.

The dedication of the Joint Building a Memorable and Successful Event.

The dedication ceremonies connected with the joint city and county building terminated last evening under the most pleasant and satisfactory circumstances. The speakers who followed Mayor Baskin who delivered the opening address were Ex-Mayor Scott, Judge Hays, George Calhoun, Governor West, Charles Young, and others. All of these gentlemen spoke in glowing terms of the beauty, solidity and prospective usefulness of the great edifice and unanimously agreed that it was a monument to the foresight, thrift and ability of the people of this city and county.

During the evening the grounds were illuminated as was also the building itself from the basement to the top. On Columbus' head, near the 200 feet above.
