

Aithough Elast Tintic Development was the real five lastic of the mining exchange this morning a bear raid on the stock drove it down to 15 cents after opening at 19 cents, which was close to two points lower than the reading price of yesterday. The sale of stock was beavier than yesterday and there was more profit taking than at any time since the move was started to boost the price. One argument that is being mide against the property is to boost the price. One argument that is being made against the property is that it cannot be developed into a big mine on account of the small property owned, but that the showing made s-far is excellent. On the regular board close to 50,000 shares of this stock changed hands and on the open board the stocks full to transactions is a some the stocks fell to transactions in 3,200 For several days stocks have been

to the effect that the recent floods have put the Truckes Power plant out of commission so that many of the mines of the Yerington and other districts are practically out of business until the plant is repaired. M. M. Johnson, of the Newhouse staff of engineers, this morning received word that the West-ern Nevada property cannot work until the power is again turned on. Some of the other mines in the Yerington district are filling up with water to such an extent that work is impossible at the lower layeds. the lower levels,

Word was received at the local officies of the Lower Mainmoth Min-ing company this morning that the sinking and building of the double compartment shaft of the company has now reached the 400 foot level. The shaft is being sent down as fast as possible, but it is believed that it will be fully six months before the shaft has reached the 1.200 foot le-vel.

ADVERTISING SALT LAKE.

That the passenger department of the Salt Lake Route is patriotic to the town Salt Lake Route is pairfolic to the town after whose name its fine of road has been called, is exemplified in the number of attractive booklets and other adver-tising matter recently lasued by the road. These booklets set forth the le-gend "Salt Lake Route" on their front cover bases, and as they are of a very attractive nature the advertising given tills city is widespread. One of the lat-ent naveilles issued by the road is a watch fob, consisting of a neat black strap, on the end of which hangs a brass plate upon which is engraved. "To Los Angeles, 1925, over the Salt Lake Route."

LONDON.

Last night when Sheriff Barlow Wil-son of Weber county declined to deliver the much wanted Fielding to Sheriff Sharp, on the ground that a superior charge lay against the prisoner in Washington, and that he had been au-thorized to hold him for requisition papers, Atty, Robinson stole a march on Deputy Sheriff Lines of Kinas-county, Wash, who was here to take Fielding back, by applying for a well of habcas corpus to Supreme Judge Frick. This was signed and operated in such a way as to force Sheriff Wil-son of Weber county to produce Field-ing here this morning for a hearing before Judge Lewis.
