THE EVENING NEWS.

Monday, . . . September 12, 1870.

LOCAL AND OTHER MATTERS.

PRESIDENT AND PARTY.—We have received the following news from President Young and party through the Deseret Telegraph Line, by the kindness of Supt. A. M. Musser:

Fort Kanab, 11th, *via* Toker, 12, 4.15 p.m. President Young and company arrived here Friday evening all well. We have visited Panquitch, Upper Kanab, Scutempah and Paria.

The President located a site here yesterday for a city. Gen. Fox surveyed a few blocks and located some cardinal lines on the new site. A meeting was held to day and this place was organized into a branch; Levi Stewart was appointed Bishop. Presidents E. Snow, D. H. Wells and B. Young gave some most excellent instructions for whites and Indians.

The company starts for home this afternoon *via* Pipe Springs, Short Creek, Virgen City, Toker and St. George.

JAMES C. WATSON.—There is an important message for James C. Watson, at the Deseret Telegraph Office, at Z. C. M. I. Drug Store.

CORRECTION.—In our notice on Saturday of the arrival in town of Mr. Studebaker, of the Studebaker Carriage and Wagon Company, we stated that Mr. S. would do business through H. B. Clawson, Esq., Superintendent of Zion's Co-operative Mercantile Institution. This was an error. We understand that other parties will assume the agency of selling the Company's wagons.

DANGEROUS MAN TO QUARREL WITH—The Troy *Times* cites the cases of men who have made it a business to pick personal quarrels and get up collisions with John Morrissey—the ex-pugilist, the member of Congress and the owner of the elegant gambling saloon at Saratoga—and mentions the names of four who have done so and have died violent deaths. They have been shot by others; but, the *Times* says, Mr. Morrissey had no hand in the death of any of them. The lesson which the *Times* draws from these facts is that he is not the man to be quarreled with. It says: "Thieves and loafers ought to learn from this record that the safest thing is to let him severely alone." Mr. Morrissey, judging by this record, has not been very select in his choice of associates—the four men killed being Bill Poole, Paudeen, Billy Mulligan and Jack Casey.

RECEPTION OF GENERAL SHERMAN AT SAN FRANCISCO.—Gen. Sherman reached San Francisco last Wednesday afternoon, and was received with immense enthusiasm. He was met at Humboldt by a committee of five gentlemen belonging to the Society of California Pioneers, the General's visit to the coast having been made at the request of the Society. Another delegation of twenty of the same body was sent to Nile Station to meet and escort him to San Francisco. He was received at the wharf by a salute of seventeen guns—the salute due to the commander of the armies of the United States. Besides the Society of California Pioneers, there were civil officers and officers of the regular army and the Second Brigade of the State militia, drawn up near the wharf to meet him. He was escorted to his hotel by a large procession, and it was followed by thousands, who cheered him continually. His passage to the hotel is described as one continued, unbroken ovation. His stay in California will probably be, it is said, about ten days.

SPEECH EXPLODED.—The *Alta California* gets off the following story in connection with General Sherman's recent reception in that State:

"While on his way to this city, General Sherman was met by a party of gentlemen in California. A speech was prepared for the occasion and committed to memory, by one of the party, with the intention of delivering it when the meeting took place. When the meeting did occur, this gentleman stepped up to the General and said:

'General Sherman. On—'

Here he was stopped by the General, who took him by the hand and shoulder, and, with a good natured smile, said:

'How are you, old fellow, how ate you?'

The speech was exploded."

THE KILLING AND SUICIDAL MANIA.—One of the most noticeable features at the present time, in the news of the day which reaches us in our exchanges, is the prevalence of murders and suicides. The mania for killing others and for self-destruction seems to be on the increase.

LAGER BEER.—A gentleman of St. Louis, desirous to know how much lager beer was swilled down in that city in one year, went to the trouble of making an estimate of the number of kegs of beer sold at retail. Placing the number at the lowest possible estimate, he footed them up to *two million one hundred and ninety thousand kegs!*

NEW ADVERTISEMENTS.

NEW YORK HERALDCORPS
OF
EUROPEAN WAR Correspondents.

SPECIAL CABLE DISPATCHES
DAILY, GIVING THE
Most Reliable War News
That can be obtained on this Continent,

We have special correspondents moving with each division of the opposing forces of France and Prussia, and news agencies in the principal capital—LONDON, PARIS, BERLIN, MADRID, VIENNA and FLORENCE—so that nothing of an important news character escapes our vigilant representatives.

Our News Agencies in the Principal Cities of Europe, and our system of traveling correspondents, have been long established, a fact the Readers of the Herald have no doubt become familiar with, and as our letters from all parts of the Eastern Hemisphere for years past have fully proven.

We do not pretend that our comments upon the War, or that our opinions upon the probable success of either belligerent in contemplated movements, come by the Cable. Our only aim is to give to the public the fullest, most reliable, and the most authentic record of facts as they occur in the grand operations of the contending armies,

The NEW YORK DAILY HERALD will be furnished to subscribers at the rate of $1.00 per month. The WEEKLY HERALD will be sent by Mail for $2 00 a year.

REVOLUTION IN MEDICINE!
THERE is no disease but Walker's Vinegar Bitters will cure. Their great success in healing all ailments is proving to the world that Doctors are the greatest humbugs of the age. Mr. Walker challenges the medical fraternity to show him a disease for which his BITTERS are not a cure, and if it can be d he he stands ready to donate FIVE HUNDRED DOLLARS to any benevolent Institution in the United States to be named by the person who will prove that the above assertion is not true

ELGIN WATCHES!
MANUFACTURED BY
The National Watch Company

All the grades of the Elgin Watches
INCLUDING THE
"LADY ELGIN"
READY FOR
SPRING TRADE.
The company also call the attention of Watch buyers to the fact that the Elgin Watches now offered have an added improvement over all others, in a new
PATENT DUST EXCLUDER
So constructed as to enclose the works, and form a protection against dust, enabling the movement to remain in order without cleaning double the time that a watch will ordinarily run without this protection.
The company feel confident, after having had their Watches three years in market, and selling many thousands of them in all parts of the country, that the Elgin Watches are the best time keepers now offered to the American public.
OVER FIVE HUNDRED DEALERS
In various parts of the land have unreservedly endorsed them. They are in use upon numerous lines of Railway, including the Union Pacific and the Pennsylvania Central, and officers of these roads, with other prominent R.R. officials, endorse them as the best watches for the use of R. R. employes and travelers yet introduced.
The following are presented as specimens of these testimonials:
TESTIMONIAL.
UNION PACIFIC R.R., OFFICE OF GEN'L SUP'T, OMAHA, Dec. 18, 1869.
Hon. T. M AVERY, President National Watch Co., Chicago, Ills.
Dear Sir:—During the month that I have carried one of your "B. W. Raymond" Watches it has not failed to keep the time with so much accuracy as to leave nothing to desire in this regard. For accuracy in time keeping, beauty of movement and finish, your Watches Challenge my admiration, and arouse my pride as an American, and I am confident that in all respects they will compete successfully in the markets of the world, with similar manufacturers of older nations. They need only to be known to be appreciated,
Yours most respectfully
C. G. HAMMOND, Gen'l Sup't.
OFFICE OF THE HUDSON RIVER RAILROAD, Gen'l Sup't, New York, Jan. 17 1870.
T. M. AVERY, Esq., President National Watch Co:
Dear Sir—The Watch and Chain you company which I have carried the past two months, has kept excellent time. I have carried it frequently on engines, and have been on the road with it almost daily. During this time it has run uniformly with our standard clock.
Truly yours
J. M. TOUCEY, Gen'l Sup't.
The following dealers also, in various parts of the country, have certified that they consider the Elgin Watches to be all that the company have advertised them, as better finished, more correct and durable, than any in market of similar price, and that they have great confidence in recommending them to the public, on account of their general merit.
