

## HAS NO RIGHT TO MAKE DEDUCTIONS

Tribune's Sensational Headlines Brings Forth Remark From Judge Ritchie.

### FEATURE OF TODAY'S HEARING

Manager Seifert Said He Wrote the Articles Complained of, Believing Them to Be True.

The leading feature of the libel suit of W. R. Jones, Jr., against the Salt Lake Tribune et al., in Judge Ritchie's court this morning, was the objections of Judge J. E. Frick, for the plaintiff, against the headlines in this morning's Tribune over its story on the trial and also against the comments made in the article relative to the testimony submitted in the case yesterday. Judge Ritchie stated that the papers had a perfect right to report the testimony as given before the court and jury, but that they should not make deductions from the same until the case has been submitted to the jury and passed upon by it.

#### SEIFERT TAKES STAND.

Frank I. Seifert, present manager of the Tribune, and the reporter who wrote the articles complained of by plaintiff, was the only witness on the stand this morning. He stated that he was a reporter on the Tribune during the campaign of 1904 and that he wrote the articles mentioned. He said that he received the information upon which the stories were based from members of the board of county commissioners, the records in the county auditor's office, some of the inmates of the infirmary and from other sources.

#### BELIEVED ARTICLES TRUE.

His cross-examination was just commenced when the court took its noon recess. To one of the questions put to him on cross-examination, he stated that he wrote the articles because he believed them to be true and that there was no personal feeling or bias against Mr. Jones in the matter so far as he was concerned.

#### JONES EXONERATED.

At the session yesterday afternoon County Clerk J. E. Eldredge, Jr., was called to the witness stand and produced the minutes of the meetings of the county commissioners relative to the investigation of the Jones matter. The report exonerated Mr. Jones of the charges made against him and was signed by commissioners Anderson, Standish and Wilson and was dated July 24, 1905.

#### PAY DURING VACATION.

He also produced the resolution adopted by the board of commissioners allowing all employees ten days' vacation during each year. The resolution was silent as to pay during the vacation. He said, on cross-examination, that he allowed the employees of his office 10 days' vacation with pay but they were not allowed to relinquish their vacations and receive extra compensation.

#### DEMAND AND REPLY.

A copy of the demand made by Commissioner Harker for an accounting by Supt. Jones was also produced in evidence by the clerk, as was the reply of Mr. Jones in which he said that he had made a complete financial report of the infirmary matters each month to the county auditor.

#### COOK ON SOUT BONES.

Mrs. Flora MacFarland, wife of Alexander MacFarland, who testified yesterday morning, was also on the stand in the afternoon and testified that she was engaged as cook at the infirmary for about two years and that the mutt and soup bones particularly were bad and she often had to wash such meat in soda before cooking it in order to remove the odor. Some of the soup meat she said was so rotten that she had to throw it away.

#### HAD DELIVERED GOODS.

L. D. Osborne, an inmate of the infirmary, testified that he had assisted MacFarland in hauling vegetables from the infirmary to outside parties. He said he had assisted MacFarland in hauling a load of hay to Judge Tanner, one of plaintiff's counsel, but his testimony on that matter was stricken out upon motion of the attorneys for plaintiff.

#### COURT NOTES.

A petition for letters of administration of the estate of Elizabeth Bouck, deceased, has been filed in the probate division of the district court by John E. and William C. Bouck. The decedent died on Nov. 11, 1905, leaving an estate consisting of real and personal property of the total value of \$7,950.

Judge Armstrong has rendered a decree in the case of Alfred F. Denny against William D. O'Brien, quieting plaintiff's title to lots 22 and 23, block 1, plat 3, Salt Lake city survey.

#### TELEPHONE MEN STRIKE.

Bell Employees Will Submit Their Grievance to the Union.

Three installers and inside men of the Bell Telephone company were discharged this noon, for refusing to work. It is understood, with non-union employees. The associates of the union men sided with them, and a committee from the same who called at the "News" office stated that from 22 to 30 union men had at once pulled out. They stated that it is a question of vital principle with them, and that as in union there is strength, so in union there is a scale of higher wages. They cited the Independent Telephone company as paying the installers and inside men \$3, while the Bell company pays from \$1 to \$2.25 per day. The situation will be discussed at tonight's meeting of the union.

#### HAD A JOYOUS TIME.

Yesterday afternoon the aged, the widows and the orphans of Salt Lake were guests of honor at an entertainment given for them in the Salt Lake Theater.

"Won Back" by the Granite State Dramatic club, was the bill, and it was hearty applause. Nearly a thousand people were present to see the performance, many of

#### GREEK HAD THE GOODS.

Possession of Two Quail Costs George Demen \$11.95.

Because he had two quail in his possession, even with the good excuse that a couple had bought them from a small boy, George Demen, a Greek storekeeper at Murray, is out \$11.95. He was fined \$10 and costs, which amounted to \$13.95 before Justice Holm of Murray yesterday afternoon, the complaining witness being the Salt Lake county game warden. He found the Greek with the birds in his possession, and on demanding an explanation, the Greek stated that a teamster for his store had bought them from a small boy with a gun. As it is a crime, however, to have the birds in one's possession, he was arrested and fined.

#### MISLEADING ADVERTISEMENT.

The Commercial club is in receipt of a letter from the city board of health protesting against the continuance of a certain advertisement in the daily papers, which stated that city water was responsible for the death of 500 people from typhoid. The board of health asks the board of governors of the club to take suitable steps to counteract the bad influence of the advertisement.
