EVENING NEWS

CORRESPONDENCE

LAKE TOWN, ILL. CONDOL. UTAH,
February 1st, 1886.

Editor Deseret News:

The people of this little burg are surrounded with propitious circumstances. It is a town of 1000 people, and we are "too lovely for anything."

The health of the people is excellent. We have had no cholera, and we are free from all epidemics. We have enjoyed the use of our good water, and we have had no sickness of any kind.

Occasionally a baby appears on the boards, and I have, on several occasions, seen a baby who was born in our town. We have had no epidemics, and we are free from all diseases.
