wer" by the local company. A fine even-
ing's programme.

DESTRUCTIVE.—Are any people blessed with
more glorious weather than the Salt Lakers
have been of late? If so, we rejoice thereof.

CURTAIN SEASONS OF THE WINTER SERIES OF LEC-
TURES UNDER THE Auspices of Morgan Commer-
cial College, University, was delivered last evening
at 8 P.M. at the Auditorium, 100 Main Street, by
the Hon. Northern Arms and North-
ern Man. The subject is one in which the
men of Utah are deeply interested, and the
lecture, an instructive and entertaining
one, gave a vivid account of six years of
experience in the estimation of "Our
Men" the habits and customs of the Indians,
chiefly along the Colorado, etc.

MEMORIAL.—We respectfully ac-
knowledge the receipt of a complimentary
station to the Grand Christmas Ball,
December 25th, by the Ophir Odd Fellows'
association; also a complimentary invita-
tion to the Grand Masonic Ball at the
Meeting Hall, in this city, St. John's
on December 27th.

HON. ADAMS.—Yesterday we met in the
court the July countenance of Major R. M.
Adams from Iron City, Iron County, and
yesterday our office was enlivened by the
arrival presence of Major the Hon. He
brought the manufacturers of Iron & Iron
ware, who have demanded a large sum
of money, and now the enterprising Major
has come northward to the capital of the
Territory, where he designs to
make a new and greater fortune, and
as he has lately been prospecting
especially in the iron business. All his
friends are glad to see the Major again,
after three years absence.

IRON.—W. H. Anderson, Esq., of
Logan, Box Elder county, writes, "We
are soon having some winter the last
week, but the last three days it has
been thawing, and the stock can feed on
range once more. The health of the
people is good, as a general thing. The
people here, now, is a railroad from Mail
Train to Corinto, Utah. All is peace-

THAT LETTER.—A little boy gave a letter
one of our carriers in the 17th ward to be
sent to Mr. Cannon's for Moroni Pratt
which the carrier had the misfortune to
lose.

MAIL LETTER ON THE U. P. R. R.—The
following despatch was received per
Western Union line this morning:

Ogden, Dec. 15.—The operator at Medicine
Bow, Wyoming, says: "The train that
should arrive at Ogden to-night is at Raw-
lins, with a prospect of lying there
for a couple of days as the road is blocked
between Rawlins and Bitter Creek."

TODAY.—The following came by Despatch
Telegraph line this morning:

LOGAN, Dec.
The weather has been cold and foggy the
last two days. Yesterday the sun shone
brightly, but the fog is still here. The snow
has visited the hill and mountain
settlement in the country in the last
few days, except Mondon, where he goes
to-day. He has held two meetings each
day, largely attended. There was a party
in the hall here last night, complimentary
Meeting. The audience was numer-
ous, an enjoyable meeting prevailed.

LATER.—By Despatch Telegraph,
WINDSOR CASTLE, UTAH,
Dec. 15, 12:30 p.m.

The news—We have opened a tele-
graph office here under the name of "Windsor
Castle." We are sending messages
increasing rapidly towards completion;
will be a very creditable structure, and
afford security to its occupants should
any trouble occur. We have made
concessions to this dry country of
settlers. Bishop Winsor who, with his
wife, is now absent at St. George, says
that in the use of Ralph's Onida
water, the proprietors of the labor em-
ployed old men may be saved.
This is recommended very highly
to all.

A. M. MORRIS,

"NOT SO BAD,"—says the Cincinnati
Enquirer.
