#### PETROLEUM V. NASBY.

D. Q. Locke, Petroleum V. Nasby (Editor Toledo Blade,) writes:

"I had on a forefinger of my right | NELS JONSEON, hand one of those pleasant pets, a "run-round." The finger became inflamed to a degree unbearable and swollen to nearly twice its natural size. A friend gave me HENRY'S CARBOLIC SALVE, and in twenty minutes the pain had so much subsided as to give me a fair night's rest, which I had not had before for a week. The inflammation left the finger in a day. I consider it a most valuable article for the household."

#### CURES THE ILES TOO. Edouard Reintard, of New York,

writes:

"It gives me great p'easure to say that a single box of HENRY'S CARBOLIC SALVE effected a complete cure of Piles with which I had been troubled for over a year, and which nothing else that I used would cure." deod s&w

#### HORSFORD'S ACID PHOSPHATE In Seasickness.

Prof. Adolph Ott, New York, says: "I used it for seasickness among the passengers, during a passage across the Atlantic. In the plurality of cases I saw the violent symptoms yield which characterize that disease, and give way to a healthful action of the functions impaired." deod sw &w.

Rheumatism is the most terrible disease that has ever afflicted humanity, yet it instantly yields to the powerful drugs that Kendall's Spavin Cure is composed of. Read advt.

Akron, Ohio, May 7th, 1890 .-Some three years ago I had a horse become very lame from a spavin. I treated it with Kendall's Spavin Resp.-In the 16th Ward, January 8, 1883, Cure with marked success. Since of inflammation of the bowels, Ray Spencer | then I have sold a good many bottles, and have heard of cures resulting from its use. I am frank to say I can cheerfully recommend it as an honest remedy. Yours truly, A. M. ARMSTRONG.
