

## Over-worked Business Men.

As a restorer of exhausted nerve force, it has been largely shown during the past thirteen years that the Compound Treatment of Drs. Starkey & Palen, 1529 Arch Street, Philadelphia, Pa., is the most prompt and efficient agent yet discovered. Its use by over-worked business and professional men would save many hundreds of lives every year, and give to thousands more the ability to work without the weariness, exhaustion, and peril which now attend them. A pamphlet containing full particulars in regard to the nature and action of this remarkable Treatment, will be mailed free. Write for it.

Orders for the Compound Oxygen Home Treatment will be filled by H. N. Mathews, 615 Powell St., between Bush and Pine Sts., San Francisco.

Three cents in change caused Mrs. Mark Hopkins, of Boston, who is worth \$30,000,000, to lose a train the other day.
