OGDEN'S CHARITY TAG DAY.

Saturday was "Tag day" in Ogden and as a result of the same the Martha society, Ogden's charitable organization, is about \$400 richer and which will be used during the winter for the caring of the poor families of the city.

All day Saturday and until late in the evening members of the society assisted by young ladies of the city were upon the street with the tags, which attached to the coats of wearing apparel of the pedestrians and then they were taxed whatever amount they chose to give, varying from 5 cents to \$5. There was hardly a man who was approached that could resist the charms of the young ladies who labored for sweet charity's sake.

Thanksgiving CLOTHES

A good many men who bought clothes from me last year for Thanksgiving are still wearing them.

They can easily do that, for these clothes are good for two seasons or more any time.

This year's clothes are some of them cut a little more extreme and some of the patterns are a little different, but the quality is just as good. That is; it's the best you can buy for the money.

I want to clothe you for Thanksgiving and you'll find that a year from now the clothes will be better than most clothes that have been worn as long.
