charm that almost entirely compen sates for lack of beauty,

A swell, wishing to make himself and elected to fill vacancies. suppose I was a hundred years ago?" "Just what you are now, nothing at all," was the prompt reply.

As it respects general habits, a parent can scarcely teach a child a more valnable art than dispatch without bustle; nor can any one that values his time, cultivate a more valuable one for him

E. D. Baker, formerly editor of the Sandy Hill (New York) Herald, publishes the statement that he was permanently cured of the asthma of many years' standing by the use of equal parts of pulverized saltpetre and sugar burned in his room.

The Evolution has discovered that women who live in seclusion with none but women for their amortates, never realize the ideal of womanly nature. In the convent, it mys, woman shrivels and bleaches out into a soft, selfish, simpering, prayer-making automaton.

The young bachelors of Milwankee are considering the subject of a "Home for Unmarried Men." A good many of the young ladies of that city are dis-turbed by the fear that it will interfere with the establishment of some homes for married men which they had been planning for.

In the ladies' room, at the Fulton the thirty millions sterling, for war forry, New York, Uncle Cyrus has loans, half of it in January and Februposted the signs, which read, "Do not ary, put your feet on the seats." How is that for the ladies? Who says this is an age of chivalry? Uncle Cyrus, shame! shame!

A sect of Mohammedans has arisen in Persia, now numbering 200,000, which recognizes the Bible as the word of God, and attempts to reconcile the creeds of Islam and Christianity. The sect is under powerful oppression, and has yet been made, but it is known many of its adherents have been slain. that the question of making Favre

A worthy Quaker thus wrote: "I ex-ain is under consideration in the pect to pass through this world but French cabinet. once; if, therefore, there can be any kindness I can show, or any good thing I can do to my fellow human beings, let

An Indian girl, who fell in love with a fellow, rode twenty miles, with a revolver in her hand, to where the chap make a tunnel through him. The wedding came off that afternoon. man about a little thing like that.

An exchange pithily remarks: Men eat too much, fret too much, exercise too little, sleep too little, and then ordering an immediate election of drink whisky. Let them turn themselves into the fresh sir, est simple food, by the people of Bohemia. The usual sleep enough, and they will be more public notifications of holding elechealthy. A noted physician used to tions were at once issued. put him in whisky; if you want to kill a living man, put the whicky into him.

the virgin snow; let it remain there hibiting the existence of gambling but a short time, and a horse's hoof can banks and lotteries within the conscarcely penetrate it. So it is with the federation. These laws have for a long youthful mind. A trifling word may make an impression on it; but after a few years the most powerful appeals cease to influence. Think of this, ye who have the training of the youthful mind, and leave such impression thereon as Jersey by a majority of 6,007. will be made for it to carry amid the follies and temptations of the world.

Dr. Manning, in an elequent lecture on progress, declared that the Roman Catholic Church was progressiing in extent, in external unity, in internal unity of faith and in self evidence; that the nations were departing from the principles which created their is civilization in faith, unity and morals; that civilization was becoming more and more material, though less moral; that modern divilization was, therefore, not progressing; that nations were not growing happier; that society was not more solid and safe, but the reverse; and that individuals were becoming more anarchial and stabborn-N. Y.

Herald. +4 A bright little boy, about four years of age, had a couple of five cent pieces given him. He laid them on the table, "This one I am going to give to the heathen, and the other I am going to to establish a colony to engage in rais-

He played with them swhile, till fi-nally one of them rolled away, and he could not find it. "Well," said I, "my lad which one, have you lost?"
"Oh," said he, "I have just the one I was going to give to the beathers."
We fear this will apply to others besides little have beSPREIAL TO THE DESERRET NEWS.] Telegraph.

VARIOUS.

Parker is elected Governor of New The British consul, at Shanghe, John Markham by name, died Oct , 9th.

The losses of Chleago National Sanks will be much less than was cetimated after the fire. Stock jobbing in the stock of the

Eureka Consolidated Mining company water, quickly, easily, and saves clothes, is denounced at San Francisco. The Pacific Insurance Cox, of San Francisco, it is reported, will withdraw lits eastern agencies and confine itself to The King Wringer

The Bowery Consolidated Mill and Mining Co. has incorporated with a capital of \$3,000,000. It will operate in Ely district, Nevada. Some women in a memorial to the American and British Claims Commis-

sion have been disrespectful, and the commission rejected it.

The ground is caving in over the Ox-ford mine, Hyde Park, Pa. The build-ings are badly shakes, and there are large apartures in the street; mobody has been hurt.

At Portsmouth, N. H. the storm was still raging, but the tide had lowered. The beaches and roads were seriously

injured, and no Eastern railway trains had been running.

The Grand Jury of Clark County, Ind., has found true bills against Squire Taylor, Chas. Davis and George Johnson, negroes, for the Park family mur-der. The two surviving girls can scarcely recover.

China has her disasters. Over 300 John Mitchell's Butt-Extra Bession of lives were lost by a typhoon, at Macao, Legislature - Alabama Claims-Gold, Sept 2nd; 1,000 were drowned by a flood NEW YORK, 16 — John Mitchell gain-d a point to-day in a suit against Gen. Dix for alleged false imprisonment.

Pension-Agent Calhoun, of Philadeltransfer the case to the U. d. court, for phia, is deficient \$11,000 in his so-the reason that it did not come under counts. He has sent in his resignation, the laws of Congress of 1863 or 1868, the and asks time to close his accounts arrest having occurred in June, 1865, before his successor shall take possessubsequently to the date fixed by the sion. He says they will show a balance President's proclamation at the close of against the government. Mayor D. R. B. Nevin will be appointed his succes-

senators at Troy to-day to consider the Japanese main island. The Japanese propriety of an extra session of the are accommodating themselves to the legislature to pass new reform charters changed circumstances which surround already drafted by O'Connor, Tilden them. Lately the governor of Yokohama entertained the consular representatives at a dinner, and made a most progressive speech. The Mikado appears to be throwing off his old time exclusion and showing himself quite freely in public.

SPANISH CATHOLICS ON BAPTISM

The following extracts from Spanish in an article furnished for the Watch. man and Reflector:-

"Padre Scio, the translator of the Acts 8 (Phillip and the Eunuch)-Baptism was administered then, and for a long time continued to be admin-

water the whole body of him who was baptized.' And here follows a fact worthy of note. Through out the episfies, in the first edition, this author employs the word immersed wherever baptized occurs; but in the second edition, issued after his death, this plan is reversed by the Romish revisers. Were they afraid, as this work might be read by men of ordinary education, to leave so clear a condem -

nation of their system?" "In a recent Spanish Etymological Dictionary of Felipe Moniau baptize is simply defined by the word immerse without further explanation. And this is true of the Literary Encyclopædias without exception. The Catholic Theological Dictionary (11 vols., Madrid, 1867) makes the following statement :-With regard to the ablution, the practice of the Latin church differs entirely from the usage of the ancient church. We perform the ablution by sprinkling or pouring; the apostles did it by imthe middle of the thirteenth century. The monetary disturbance in Paris is sprinkling or pouring was rarely practised. In 1280 a Council of Cologne
