It seems to you that that tickling, hacking cough is all in the throat. But your doctor will tell you that this sen-sation is often deceiving. The cough is often the signal of deeper trouble in the bron-chial tubes or in the lung tissue itself. These inflamed membranes can only be healed by treating the system. For all lung troubles, especially in the earlier stages, no remedy equals Scott's Emul-sion of Cod-liver Oil, Its special power is in healing the inflamed tissues of the lungs.
