Saturday, - - . September 23, 1871.

A gew individuals in brief authority nvested ought to go to school and learn that the Constigution of these United States was ordained and established, as it is here; as for the keys of priesthood, they have lived out their days; and the declared by its founders. The order to they are here and are enjoyed by this peodeclared by its founders, "in order to ple called Latter-day Saints. A few words declared by its founders, "in order to ple called Latter-day Saints. A few words form a more perfect Union, establish justice, insure second transport to my friends. To present or talk to the design of the Crestor, may be attributed vide for the common welfare, and so the living on such occasions as this. We cure the blessings of liberty to ourselves are assembled this morning to pay our and our posterity."

high-handed proceedings of the ring It is not quite three years since we met in and its tools in seeking to subvert the this room to pay our respects to the relocal faws, monopolize all the power, mains of this young lady's father. She has legislative, judicial, and executive, and now gone to try the realities of another reduce the people to bondage, tend to produce "a more perfect Union," or "establish justice?"

the persistent attempts of the ring to here, but in the life to come we shall have screen saducers and adulterers, punish more. We see the life and growth of the their punishers, tear husbands from human family, and to those ignorant of their wives and fathers from their chil- the object of our creation, the process predren, under pretense of legality, have sents a very strange phenomenon; but to the remotest influence in "insuring those who do understand it is rational. domestic tranquility?"

"Provide for the common welfare." How does the breaking up of a family, be just as it is. You step into a room and heretofore living in peace and a degree won, perhaps, see a mother attending a sick child of a few weeks or months old; of comfort, the everlasting stirring up and helpless and totally dependent upon of litigation, "provide for the common weifare?" The confiscation of a citisen's preperty, the jumping of his claims, the scattering of his family and claims, the scattering of his family and

"secure the blessings of liberty," but hood and old age, until we finally drop the problem puzzles us more and more back again to mother earth, whence we advance in years we have to be stubbing We can see wherein such a procedure secures license to the ring, but liberty—name it not in such companionship. "Bad men love not liberty but license." Is it liberty to be disfranchised for believing the Bible? If so, enfranchisement is a premium on infidelity and a bribe to the Bible believer to bears and a bribe to the Bible believer to bears and a bribe to the Bible believer to bears and a bribe to the Bible believer to bears and a bribe to the Bible believer to bears and a bribe to the Bible believer to bears and a bribe to the Bible believer to bears and a bribe to the Bible believer to bears and a bribe to the Bible believer to bears and a bribe to the Bible believer to bears and a bribe to the Bible believer to bears and a bribe to the Bible believer to bears and a bribe to the Bible believer to bears and to remarkable? We have all travel the same road to get here, and we see our youth, even, frequently stubbing to be careful lest we fall down. We see our youth, even frequently stubbing down. But yonder, how different! They move with like lightning. If we want to the last that he killed that he was to be hanged because he was a poor man. If he had had money to but friends at court, as others had dene, he would not have had to be when created, there we are, and we see it We can see wherein such a procedure came. Is it not remarkable? We have all along and to be careful lest we fall down. cials bereabout, fittest subjects of marked patronage and support.

it might be well for them to study the following, considering that, in the interest and operation of this provision tent and operation of this provision, existence, for we understand the object of State and Territory are virtually identical-

The Constitution, and the laws of the United States which shall be made in pursuance thereof, shall be the supreme Law of the land; and the Judges in every State shall be bound thereby, anything in the Constitution or laws of any State to the contrary nativithstanding.

their tools-

Any person who, under color of any law, statute, ordinance, regulation, custom or neage of any State, shall subject, of cause to be subjected, any person better when they pass the veil and many within the jurisdiction of the United States, to the deprivation of any rights, privileges or immunities secured by the privileges or immunities secured by the

## REMARKS

By President B. YOUNG, at the Funeral Services of Mrss Aurelia Spencer, in the 13th Ward Assembly Rooms. Sept. 16th, 1871.

REPORTED BY DAVID W. EVANS.

I will say this: As for the gospei of the me say to my brethren and sisters, that it is supervisors are partly reprehensible for Son of God, it is here; as for the priesthood, by career of any should terminate until payment of the extortionate accounts. are assembled this morning to payour fants, and the human family generally by 302 are in favor of Butler, and 483 last respects to the remains of a beloved millions. Some think that not one half of against him. "A more perfect Union." Do the sister, and we meet here with cheerfulness. "Insure domestic tranquility." Do we have a certain amount of intelligence plain and easy to be understood, and in on no two persons on the face of the earth, fact they see it is necessary that it should any more than the operations of the spirit of God are alike on any two persons. claims, the scattering of his family and the casting of them out to shift for themselves, might provide pickings for the "common welfars" of the infamous ring, but how the "common welfars" of the public would be enhanced thereby does not appear.

"Secure the blessings of liberty." We have often wondered how the denying of a man the rights and privileges of citizenship because of his religion could "secure the blessings of liberty," but he problem puzzles us more and more the mountain family illustrated through its various slages from infancy to youth, many the problem puzzles us more and more.

The secure the blessings of liberty," but he problem puzzles us more and more the mountain family illustrated through its various slages from infancy to youth, many the problem puzzles us more and more.

The secure the blessings of liberty," but he problem puzzles us more and more them were the problem of the mountain family illustrated through its various slages from infancy to youth, many the problem puzzles us more and more.

The secure the blessings of liberty, but he case in intelligence; it learns to talk and can say, "My head aches," "My eye pains me," "I have hurt of parting with our friends, and going our selves, that I have been near enough to oparting with our friends, and going our selves, that I have been near enough to oparting with our friends, and going our selves, that I have been near enough to oparting with our friends, and going our selves, that I have been near enough to oparting with our friends, and going our selves, that I have been near enough to oparting with our friends, and going our selves, that I have been near enough to oparting with our friends, and going our selves, that I have been near enough to oparting with our friends, and going our selves, that I have been near enough to oparting with our friends and going of water," or "I want a drink oparting with our friends, and going our selves, that I have been near enough to oparting with our friends and going of liberty." We bayed to parting

come an apostate. Indeed apostates, infidels, deniers of Christ, appear to be special favorities of "Christian" office of knowledge respecting the design of our placing us here. It has been obtained by the cart of the Garden of Eden as it was want to see the Garden of Eden as it was want to see the Garden of Eden as it was when created, there we are, and we see it as it existed spiritually, for it was created first spiritually and then temporally, and then temporally, and appropriate of knowledge respecting the design of our and appritually it still remains. And the come in from all directions, though the cart of the come in from all directions, though the cart of the come in from all directions, though the cart of the come in from all directions, though the cart of the come in from all directions, though the cart of the c d patronage and support.

Notwithstanding the attempts of cerfor us to understand the future, unless to do just what they please, upon certain principles. Those principles western islands, or in China, we are there; in fact, we are like the light of the morntorus and when we understand the in fact, we are like the light of the morntorus and when we understand the in fact, we are like the light of the morntorus and when we understand the in fact, we are like the light of the morntorus and when we understand the in fact, we are like the light of the morntorus and when we understand the in fact, we are like the light of the morntorus and when we understand the infact, we are like the light of the morntorus and when we understand the infact, we are like the light of the morntorus and when we understand the infact, we are like the light of the morntorus and when we understand the light of the light o mass of human beings who swarm in creation, and convince them that their state would be better when they step from this to the next world, and let them have no knewledge beyond this and the crime of

self destruction, which has been mentioned here to-day, would be far more preval ent than it is now, especially among the wicked. How many there are who say, "I wish I was better off, for I sun in a sad condition?" Is this the case with most of There is another paragraph which the human family? It is, and the majority will be equally edifying to the ring and "I wish I was in different circumstances." I am poor, I am afflicted, I am sorrowful, I am without friends and home, and am here on the earth like a lost one and know not what to do?" and make them understand that their condition would be so much

Constitution of the United States, shall, any law to the contrary notwithstanding, be liable to the penalty required in any section at law or equity.

The Latter-day Saints have some knowing that of the spirit world; but that erjoyed in the spirit world is so far beyond this life as to be inconceivable with that erjoyed in the spirit of reveixion. Here, we are continually troubled with ills and ailments will far exceed that of the spirit world; but that erjoyed in the spirit world is so far beyond this life as to be inconceivable with each that erjoyed in the spirit of reveixion. Here, we are continually troubled with ills and ailments will far exceed that of the spirit world; but that erjoyed in the spirit world is so far beyond this life as to be inconceivable with each that erjoyed in the spirit of reveixion. Here, we are continually troubled with ills and ailments will far exceed that of the spirit world; but that erjoyed in the spirit world is so far beyond this life as to be inconceivable with each that erjoyed in the spirit of reveixion. Here, we are continually troubled with ills and ailments will far exceed that of the spirit world; but that erjoyed in the spirit world is so far beyond this life as to be inconceivable with each that erjoyed in the spirit world is so far beyond this life as to be inconceivable with each that erjoyed in the spirit world is so far beyond this life as to be inconceivable with each that erjoyed in the spirit world is so far beyond this life as to be inconceivable with each that erjoyed in the spirit of reveixion. Te-morrew is Sunday—a day appropriate for ealm and sober reflection, and it might be an excellent thing for purpose of the purpose of ealm and sober reflection, and it might be an excellent thing for purpose of ealm and sober reflection, and it might be an excellent thing for purpose of earlies that all this is for His glory. —to swell the purpose of earlies that all this is for His glory. —to swell the purpose of earlies that all this is for His glory. —to swell the purpose of earlies that all this is for His glory. —to swell the purpose of earlies that all this is for His glory. —to swell the purpose of earlies that all this is for His glory. —to swell the purpose of earlies that all this is for His glory. —to swell the special one of the purpose of earlies that all this is for His glory. —to swell the expressions. "My shoulders ache," "My back aches," "My shoulders ache," "My Bound thereby, remember. That gives them no option outside of the Constitution and constitutional laws.

The other day we came across an exceedingly spicy little article in an exceedingly spicy New York weekly, and

ceedingly spicy New York weekly, and we here re-produce it, as it is highly illustrative of the state of society in more than one portion of this blessed Union.

A fire, involving the destruction of several dwellings, occurred lately in these tabernacies of clay. She is in gle-y; she has passed the orderis and has passed the orderis and has passed the orderis and has recident going in that lawless city for the purpose of their vigilants husbands. Faithless Benedicts on they secure to the secure to the same than the persons yield obedience to it, as it is highly with the spirit having departed, the body lies ready to return to the body its morning of the resurvection. But the life and intelligence which once dwelt in that has had a glimpse of even the portion of little we cannot enjoy and behold while we are in these tabernacies of clay. She is in gle-y; she has passed the orderis and has reached a position in which the power of the state have no legislated a position in which the power of the state have no legislated as the price and the spirit having deported to the state in the spirit having deported to the subject of the state in the spirit having deported to the subject and to prepare us for the reward of the just. Is there a ferminal have the glories of the next world. If there is the price and to prepare us through? Not by any means. Their sor row and grief are unto death. Our trials are to make us perfect and to prepare us through? Not by any means. Their sor row and grief are unto death. Our trials are to make us perfect and to prepare us through? Not by any means. Their sor wow and grief are unto death. Our trials are to make us perfect and to prepare us through? Not by any means. Their sor wow and grief are unto death. Our trials are to make us perfect and to prepare us through? Not by any means. Their sor wow and grief are unto death. Our trials are to make us perfect and to prepare us through? Not by any means. Their sor wow and grief are unto death. Our trials are to make us perfect and to prepare

this is of the so-called upper crust. Confiding spouses are left to weep and to mours through all the stilly night, while their accomplished Five-pointage made 'Rome how?' on the lower levels."

The consequence was a burning up of the infected district, and a territic exposure resulted. "The general stampeds for the street was the most ludicrous scene any man ever looked upon. And what a grand exposition of Virginia society as it is ! Merchants and makes, lawyers and thisves, brokers and gamblers, lawyers and there is the scene of the read of the scene of the scene of the read of the read of the scene of the scene of the read of the scene bett, "You have not distance your work, you might do a great deal for your deed not for this. They know this earth is not relative," but her reply would be to this effect. "There are plenty on the carth, if they will believe, to perform all the ordinance accounty," Well, but you have not become a mother in Israel," "No maker I see, understand and know what is before me, and the time will come when, leave not become a mother in Israel," "No in estimated as in the permanent abiding place, and where it my fairly, the prospect is my heaven, there is my haven, there is my haven and have vening of the 16th instant, by jumping down a well and to approach the country." There are in the creation of every heart and the creation of every heart and the creation of every faithful Saint and they will leave more and unreased be exalted from the country of the 10th instant, is cestimated at the property of the 10th instant, is cestimated at the property of the 10th instant, is cestimated at the property of the 10th instant, is cestimated at the property of the 10th instant, is cestimated at the property of the 10th instant, is cestimated at the 10th insta those who look below the surface of so-ciety. The cace a week Christians might show up pretty strongly in the blase of such an illumination.

Why don't some of the over-right-ecus souls who are so excessively anxious in punish somebody and suppress fous in punish somebody and suppress
