SEMI-FINALS ON TONIGHT.

Attendance Increases With Improve-
ment in Quality of Work by
The Boxers.

San Francisco, April 5.—The second night of the national amateur boxing tournament at the Mechanics' pavilion showed marked improvement in the attendance and the class of boxing furnished. Most of the preliminaries of last night, and as the tournament progressed toward the semi-final stage, those remaining to battle for the championship titles were a class of young fighters who, with few exceptions, gave high grade and finished exhibitions of their athletic abilities. The Missouri Athletic club, which lost three of its five representatives in last night's bouts, pinned its faith in R. E. Greham, the Cleveland bantam, and Oliver Kirk, the present 125-pound amateur champion of the United States. These two are looked upon as the possible winners in their respective classes. The Boston Athletic club is ably represented in the featherweight division by Thomas F. Lawson and by H. L. McKinnon, the latter being entered in both the welter and middleweight classes.

CHICAGO ALMOST OUT.
J. L. LaFramier, the only remaining Chicago fighter, has a thorn in his path in the lightweight brigade which is bulging over with clever fighters, but he is conceded to have a very good chance to annex the title. T. A. Stone of the New York Athletic club, and Charles Sawyer of the same institution, are top notches in the featherweight and middleweight classes, respectively, and are regarded as the keenest contenders for these titles. Sawyer was disqualified last night for infractions of the rules while contesting with Scheencker, the 145-pound, or light heavyweight, class, but this does not prevent him from continuing in the middleweight division.

THE RESULTS.
The results of tonight's events were as follows:
In the 105-pound class R. O. Greham of the Missouri Athletic club defeated William Landis, Olympic club, in the first round, after about two minutes' fight. James Carroll, Olympic club, beat Ed Lennon of the Metropole club, in the third round.
Frank Edwards, Olympic club, and Oliver Kirk, Missouri Athletic club, were the star fighters in their class, fought at 125 pounds. Edwards received the decision at the end of the third round. Edwards in the first rounds had the champion going and started the blood flowing from the nose of his opponent. Kirk fought back gamely in this round and landed a few good blows, but they had little effect. The succeeding rounds Edwards punished his man severely, employing a straight left to the

jaw and face, which he landed almost at will.

BROOKLYN SCORES ONE.
M. Augustus, Brooklyn Athletic club, got the decision over Johnny Murphy, Olympic club. W. J. Leonard, Olympic, was awarded the decision over J. Lahey, Olympic. In the second round, 115-pound class, Harry Baker, Olympic club, got the decision over Thomas F. Rawson, Boston Athletic club. 115-pound class, T. A. Stone, New York, knocked out H. Jones, Olympic club, in the first round with a left to the jaw.

CHICAGO DOWN AND OUT.
J. L. LaFramier, Chicago, and Lew Powell, Olympic club and present court champion (125-pound class), had barely squared off when Powell hooked a vicious left to the jaw, knocking the Chicago man out completely. It was the quickest bout of the tournament.
145-pound class, Eddie Menney, South Side Athletic club, won the decision over Harry Williams, Hawthorne club. It was announced that Menney had broken his right hand in last night's fight.
145-pound class, William Wolf, Hawthorne club, beat Ed Dulles, Ariel club, in the first round.
155-pound class, James Bradley, Olympic club, was given the decision over Matt Granfield, Olympic club, at the end of the fourth round.
165-pound class, James Ford, Olympic club, gained the decision over John Rodney, Olympic, in four rounds.

165-pound class, Henry W. Finck, Olympic club, was given the decision over Charles Mayer of the New York Athletic club at the end of the third round. It was announced that Mayer had broken his right hand in last night's fight.
165-pound class, Joseph Willis, Hawthorne club, was given the decision over Andrew Gallagher, Olympic club, at the end of the fourth round.
175-pound class, J. Duggan, Marion club, but knocked out in the first round by John Rodney, Olympic club. Rodney was defeated earlier in the evening by Ed Sawyer, but accepted Duggan as a bye. Rodney therefore qualified for semi-finals.
175-pound class, George Murray, unattached, was given the decision over William Warren, Hawthorne club.
175-pound class, Walter Schuklen, Olympic club, knocked out Eddie Lewis, Metropole club, in the first round.

ANOTHER DEAD ONE.
Walter Kirchner, unattached, and Ed Harkins, unattached, at 185 pounds, furnished the last bout of the evening. Kirchner knocked his man out in the first round. Previous to the knockout he had sent his opponent through the ropes among the spectators. Harkins' head struck the floor when he was floored the last time, and he was apparently badly hurt but was able to leave the ring.
Harkins was later taken to a hospital. He was carried to the building on a stretcher. The doctors who examined him state they detected evidences of concussion, but the pugilist appears to talk rationally at times.
The floor of the arena is well padded to all appearances, but it seems that there was a loose board underneath the canvas, which Harkins' head struck.

BASKETBALL LEAGUE.
Meeting Will Be Held Tomorrow to Choose Officers for Next Year.

Saturday, at 2 p. m., the state basketball league will organize for next year, or rather elect officers, as the league is now self-perpetuating and its officers are elected to serve. The building on the corner of Broadway and Broadway, which will be held in the Brigham Young Memorial building of the L. D. S. university, there the present representatives from the B. Y. L. at Provo, the L. D. S. U. at Salt Lake, the Weber State academy, the Ogden School for the Deaf, Dumb and Blind, the R. Y. college at Logan, and the Agricultural College. These schools had teams in the field this year, and their representatives will be entitled to vote on the admission of new members. The University of Utah is desired as a competitor, and it is possible that the Y. M. C. A. will apply to be admitted. This will

raise a question at once, as the Y. M. C. A. is hardly in the college class, and the game so far has been strictly an inter-collegiate affair, so far as the league is concerned.

ASSOCIATION FOOTBALL.
Game Scheduled at Tower Grounds For Saturday.

Arrangements are being made to have a Park City team play an association football game with the Salt Lake team. However, should the Park City team not materialize a game will be played on the Tower grounds, corner Seventh and B streets, on Saturday, April 7, commencing at 2:15 p. m. between two teams selected from the Salt Lake players as follows:

TENNIS REACHES FINALS.

New York, April 5.—With the last of the semi-final matches played today, the national tennis championship tournament has reached its final stage. The survivors are Charles E. Sands of the New York Racquet and Tennis club and Jay Gould of the Tuxedo club.

JOCKEY KILLED.

New Orleans, April 5.—Jockey Schilling, hurt in the fourth race at City park today, died tonight. Harvest Time fell in the first turning, and Lined and 21 Rey killed over him. Lined was so badly injured that she was destroyed.

EUREKA FANS.

Are Jubilant Over Securing Good Men For the Baseball Team.

Eureka, April 5.—Charlie Moore, who played third base for the Eureka team last season, has arrived in town again and will be found in the lineup of the local team. Moore has been at Park City for a few months past and that camp intended to try him out as a pitcher until Eureka landed him. Moore refused to do any pitching last year because his arm was not in good condition, but states that

he expects to be in his old-time form again this year. Manager Thompson will probably try him out in the box, but Moore is a rattling good infielder. He is a hard hitter and a splendid base runner, making him a valuable addition to the Eureka team.

Frank Lumley, who caught for the Eureka team during the early part of the season, has been secured by Manager Thompson. This will be good news to the Eureka fans as Lumley, in addition to being one of the best ball players who ever appeared upon the local diamond, is popular with the followers of the game. He has been living at his home in Union, New York, during the past winter. On Monday Mr. Thompson wired a proposition to him, and he wired his acceptance the following day. He will probably arrive next week. It is Mr. Thompson's intention to make Lumley assistant manager of the team.

AHEAD BY A HEAD.
Major Tenney Comes in First at Oakland Wire.

San Francisco, April 5.—The mile race at Oakland today resulted in an exciting finish, and only a head separated Major Tenney from Bird of Passage, when the former came home a winner at the finish. Old Major Tenney was down at 16 to 1, and he gave the talent a surprise when he showed a wonderful burst of speed on the home stretch. A number of other outsiders took first honors, Dick Wilson capturing the first race at odds of 12 to 1, and Blanche C. winning the second race at the same price. Weather, clear; track, fast. Results:

First race, five furlongs—Dick Wilson, 114 (Eureka) 12 to 1, won; Laura Van, 111 (Eureka) 15 to 1, second; Integrity, 107 (Eureka) 11 to 1, third; Bird of Passage, 104, Batmore, Atkins, James, L. M. Riley, Dwyer, Red Ruby, Mellor, Etna and Claude also ran.
Second race, five furlongs—Blanche C. 105 (Eureka) 12 to 1, won; Blanche C. 105 (Eureka) 12 to 1, second; Integrity, 107 (Eureka) 11 to 1, third; Bird of Passage, 104, Batmore, Atkins, James, L. M. Riley, Dwyer, Red Ruby, Mellor, Etna and Claude also ran.

Third race, mile—Tom Roberts, 107 (Eureka) 12 to 1, won; Bird of Passage, 104, Kuma 10 to 1, third; Time—1:37. Royal and Ebel Thatcher also ran.
Fourth race, mile—Major Tenney, 112 (Eureka) 16 to 1, won; Bird of Passage, 104, J. Walsh 12 to 1, second; Justice Jewel, 88 (Eureka) 12 to 1, third; Time—1:37. Vancor, Miss May, Bowditch, Cardinal Sarto, Froile and Salina also ran.

Fifth race, furlong course—Hector, 81 (Eureka) 5 to 1, won; Martinmas, 104 (Eureka) 5 to 1, second; Royal Rogue, 106 (Eureka) 5 to 1, third; Time—1:30. Romaine, Colore, Aromila, Avonella, Lovey Mary and Ebel Thatcher also ran.
Sixth race, seven furlongs—Tad, 109 (Eureka) 15 to 1, won; Tompo, 109 (Eureka) 15 to 1, second; Sic Brillar, 109 (Eureka) 15 to 1, third; Time—1:37. Phalanx, Veoman and Little Joker also ran.

FOOTBALL MEN WIN FIRST DOWN

Offensive Tactics of Students
Triumph Over Wisconsin Faculty.

DEFENSE BADLY RATTLED.

Adherents of Game Break Through
For Big Gains Over Turner
And Monro.

Chicago, April 5.—A dispatch to the Tribune from Madison, Wis., says: Football will be played at Wisconsin next fall, but his intercollegiate games with Michigan, Chicago and Minnesota will be cut out of the schedule.
For six hours last night the faculty of the university argued the football question, marked opposition to the game that had been shown of late in faculty meetings appeared to be broken down, and it was nip and tuck between the adherents and opponents of the game until the meeting was adjourned.

VAN HISE FULLBACK.
President Van Hise, who has been the champion of the students for the cause of football, left his chair to lead the discussion in favor of the game. Iowa Birge, who has been strong for the game all the way through, warmly supported him.

POOR TACKLING.
Profs. Turner and Munro, who have advocated the suspension of the game ever since the agitation started, made a last effort for the suspension of the game, but their efforts were in vain. The firm attitude of the students had taken in the matter won over the wavering members of the faculty and the majority was in favor of retaining the game.

WILLIE HOPPE ENTERS.
Makes Seventh Man in International Billiard Tourney.

New York, April 6.—Willie Hoppe will play in the international world's championship tournament at 18-inch billiard table, two shots in, which will open Monday at Madison Square Garden. The first round will be between Hoppe, Sloaner, Schaefer, Curre, Sutton, Mondax and Cutler. The official announcement that Hoppe would play was made last night.

Cures baby's croup, Willie's daily cuts and bruises, mamma's sore throat, grandma's lameness—Dr. Thomas' Electric Oil—the great household remedy.

JAP-A-LAC

A Stain and Varnish combined
INDISPENSABLE AT MOVING TIME
This perfect rejuvenator of everything about a home from cellar to garret will prove the greatest factor in HOUSECLEANING ECONOMY

JAP-A-LAC is a high grade colored varnish for renewing the finish on any old, dilapidated piece of furniture, interior woodwork or articles of wood or metal. It dries quickly, with a hard, beautiful luster, and retains its brilliancy through wear and tear right down to the surface.

There are many methods of making varnish, but no manufacturer has been able, so far, to make anything which will take the place of JAP-A-LAC.

Colored JAP-A-LAC is made from pigment colors. Pigment is a dry, organic coloring substance which is unaffected by atmospheric or chemical changes. Any one of the JAP-A-LAC colors will retain its original shade throughout its entire life. Aniline colors are frequently used to color varnishes, and although varnishes colored with aniline appear brilliant and effective when first put on, they soon fade and become dull. Chemical changes in the atmosphere will kill their brilliancy in a very short time. The air is often contaminated with sulphurous gases from furnace or heating apparatus—other injurious gases are constantly coming in contact with varnished surfaces, and unless the varnish is colored with the best pigment, it cannot withstand the damaging effect of such an atmosphere. Aniline is nothing but a dye. If you want a lasting, brilliant finish, don't accept a substitute for JAP-A-LAC. JAP-A-LAC is the original colored varnish, manufactured by our special process which makes it more beautiful, lasting and artistic than anything else on the market. You can reclaim many an old piece of furniture which you are ready to throw away—you can beautify everything about your home from cellar to garret at small cost—you can do your own varnishing and take pleasure in the work as you see its wonderful effectiveness wherever applied. Natural JAP-A-LAC is a clear varnish of the highest grade. All varnish used in the manufacture of JAP-A-LAC is as good as can be made. The name GLIDDEN on a can of any kind of varnish stands for highest quality; quality demonstrated by one of the oldest and best known varnish manufacturers in the United States. Ask your dealer about JAP-A-LAC.—Economy in every can.

All sizes from 15c. to \$2.50. For sale by Paint, Hardware and Drug Dealers.

JAP-A-LAC NATURAL

may be applied by yourself, and a beautiful finish produced on a HARD OR SOFT WOOD FLOOR without employing an expert. When your floors become scuffed and dull, you can refinish them yourself at about what it would cost to pay a finisher for his time. JAP-A-LAC, properly applied, will give any floor a lustrous, mirror-like finish as hard as flint. Heel prints, mars, and scratches will not show white. You can scrub it as much as you like and not injure the finish. Old floors distribute germs—JAP-A-LAC makes your floors sanitary.

A WARNING AGAINST THE DEALER WHO SUBSTITUTES

The dealer who offers you something which he claims is just as good as, or better than JAP-A-LAC, does it ONLY for the reason that he makes more money on the substitute.

Manufacturers of substitutes, having no reputation to sustain, are not particular about quality, but depend for their business on the ability of the dealer to sell you something else than the goods you ask for. INSIST ON JAP-A-LAC. Any dealer can get it for you.

If you contemplate building a home, insist on having GLIDDEN'S GREEN LABEL VARNISHES used. They are the standard of quality. Descriptive price list mailed on application.
