A CURE FOR IT.

Not a Patent Cure-all, nor a Modern Miracle, But Simply a Rational Cure for Dyspepsla.

In these days of humbuggery and deception, the manufacturers of patent medicines, as a rule, seem to think their medicines will not sell unless they claim that it will cure every disease under the sun. And they never think of leaving out dyspepsia and stomach troubles. They are sure to claim that that their nostrum is absolutely certain to cure every dyspeptic and he need look no further.
