to these white Indian depredations, could be made a disqualification by it should be done, and as promptly statute, it could only be so made as it should be done, and as promptly as possible. It is about time bor-der ruffianism was extinguished, and the ruffians met their deserts delegate in Congress, or for any other office; that the House alone cannot prescribe a qualification for membership, its power being to judge of, not to create, such qualific Conrad J A FAIR BARGAIN .- The ladies of Leavenworth come out fairly and squarely on the liquor ques tion. They have, says an ex-change, a pledge in circulation to cations. As to the so-called endoy-ment oath-even if taken by the the following effect-"In considersitting member, of which there is Coy E ation of our said husbands and fano proof — the testimony clearly Clark G shows that it does not disqualify Cartis J I those who have taken it for holding Christens thers signing the pledge to abstain from the use of intoxicating drinks, we do hereby pledge ourselves to henceforth and forever wear no more wool, flax, jute, horsehair,

thread, or any other thing on our heads, except the hair that grows here, and to use no more newspa-bers, except as men use the same." Is not that fair, to wear their own hair, and also newspapers to no longer abuse, but put them only Doscher C Doane G Danielson Dewey J P objection was duly made. All the confestant's charges, therefore, were husbands and fathers" will not be wholly unproved. - Washington Star, April 4.

Our Country Contemporaries.

lovely heads nothing but "the hair Ogden Junction, April 3-The Descret Telegraph office was to-day, removed to a very neat and suit-able place, in the Z.C.M.I. building. The operator can be found inside the double doors at the south part of the building on Main Street. We congratulate the Company upon securing such an eligible position. Now send on your messages.

In view of the recent terrible ac-

cident at Ogden, resulting in the

mutilation and death of the poor

Now send on your messages. Yesterday, while the gravel train on the U. N. R. R. was backing into the gravel bed on Broom's Bench, a boy named Emil Roston, from Bingham's Fort, who was working on the line, sat on the hind car, his shevel in his hand, sliding it along the rail. The shovel caught SALT LAKE CITY, April 9th, 1874. "The construction of the law given by you in the latter part of

given by you in the latter part of your answer to my fifth and to my sixth interrogatory, though well enough if we were a State, and at first view so simple and apparent-ly so reasonable, cannot be sustain-ed by any correct rule of interpre-tation. At least such was and still is my indemant along the rail. The shovel caught in a joint of the rail, throwing the boy forward on the track. Some men near by raised an alarm, but before the train could be stopped, three cars passed over him. When he was taken from under the cars his clothes were badly torn, and one hand was injured.

is my judgment. "In your answer to my third in-

Mr. E. Stratford returned this mornnig from a visit to Cache terrogatory, you treat these courts as courts of the United States, with County. He reports snow still on the ground to the depth of from five inches to a foot. Stock are suffering severely, particularly in Wellsville, Mendon and Newton. Weather is still very cold, and feed is nearly all used up. Some persons have even fed out their seed wheat to keep their animals from starving. There are large herds on the hills above Call's Fort, which have been driven over from Cache, and are herded by Cache Valley men. This is the most severe winter that flourshing valley has had to endure since its permanent settlement.
