PRICE OF GOLD.

Corrected Daily by BANK OF DESERET.
SALT LAKE CITY, November 16, 1871.
Buying at $1.09; Selling at $1.11.

LOCAL AND OTHER MATTERS.

THEATRE.—Last night the nautical drama of "Captain Kyd" was produced in very good style to an excellent house. The play having been some time in preparation, was well presented, and went off creditably for a first night. There is plenty of sensation, furious combats, and stirring evolution.

It is not expected that the Theatre will be open again before Saturday.

SANDWICH ISLAND ORANGES.—Brother George Nebeker placed on the desk before us this morning, two oranges, grown on trees at the missionary settlement at Laie. They are of larger size than those usually sold in this city, and are interesting specimens of the productions of those far distant islands.

MISSIONARIES.—A number of missionary Elders left this city yesterday per U. C. R. R., for the east. We wish them a pleasant journey and an interesting and successful time during their missions.

Z. C. M. I.—The Clothing Department of this progressive Institution has been enlarged beyond all expectation, and its sales have been most satisfactory. The building in the rear, formerly occupied by the Produce Department, has been appropriately fitted up and furnished with gentlemen's ready made clothing of great variety and of the latest styles. They sell goods there remarkably cheap. We saw some very good hats the other day, the cost of which was $3,50 and $4,00, selling for $1,75 and 2,00, and they were finely-finished, unexceptionable hats, too.

INFORMATION WANTED. — Benjamin Hickox, of Chagrin Falls, Geauga Co., Ohio, would like to learn of the whereabouts of his brother Daniel Hickox, who left the State of New York some thirty years ago, and is supposed to have gone to Nauvoo, and finally come to Utah. Any information of himself or family would be gladly received by the above.

O. F. BALL.—A grand ball of the fraternity of Odd Fellows in this city and vicinity came off last night at the Odd Fellows Hall on East Temple street. The occasion was a complete success, the proceeds to be devoted to the furnishing of the reception room.

SALTY.—A shrewd, sagacious gentleman to-day remarked of Elder Taylor's last letter, that it was "rather salty." Why yes, we are living in a salty country and in rather salty times. Everything is highly seasoned now-a-days, if it pertains to Utah, not salty only, but gingery, peppery and spicy. What next?

MOIST.—Nice, gentle showers last night and this morning, with more snow on the mountains. Weather mild and genial generally.

THANKS.—We duly appreciate the respectful terms in which our contemporaries allude to the News, and we are happy to return the compliment whenever we conscientiously can. Some of our contemporaries we highly esteem, and there are others of which we wish we could say the same.

WRETCHED.—The New York *Herald*, perpetrates the following—

"A GOOD JOKE FROM GREAT SALT LAKE.—The memorial of the Mormon women to Mrs. General Grant, appealing to her that, as she loves her husband, they love their husbands, and that so they are emboldened to ask her influence with the President in favor of the preservation of Mormon polygamy, especially as it is a divinely authorized institution."

Now if the *Herald* will persist in publishing such dull and pointless "jokes," the least that its readers can expect of it will be to show where the laugh is supposed to come in. Laughter is said to be good for the health and the spirits, and we are not backward to indulge upon all fitting occasions, but what there is to laugh at in the above extract, for the life of us we cannot see.

ACCIDENT.—Bro. W. Asper, carpenter and builder, of the 17th Ward, met with a serious accident a few days ago. While engaged upon a building at the house of H. B. Clawson, Esq., Bro. Asper set his foot upon some loose adobies, which caused him to fall, spraining his ancle, as he thought. Yesterday, however, he discovered that his ancle was broken. The limb was set by Dr. Anderson and is now doing well.

ARIZONA'S THE PLACE.—By a reference to our western dispatches, it will be seen that Arizona is the place for mining adventurers. Ten thousand dollars to the ton is not to be lightly esteemed.

PUTTING AWAY.—When a man falls away from truth and righteousnes it is natural for him to manifest it in his actions. We hear now and then of certain characters of this class putting away their wives, or some of them where more than one has been taken. Now for a man to marry a woman, believing he is acting in obedience to divine law, and that he has the divine sanction in so doing, and then for him to put away that wife from a miserable fear of being imprisoned and fined for thus doing the will of God, is very small, mean business. Such a man deserves to be despised by womankind. There is no manhood about him morally. If were to admit, which we do not for one moment, that a man does wrong in marrying more than one woman, according to the law of God, the putting of her away afterward would be worse than the taking of her, for the Lord blesseth marriage, yea, plural marriage, but He hateth putting away. If a woman is worth having at all as a wife, she is worth facing fine, imprisonment, the world's scorn, and even death itself, for, and the man who shrinks from doing all that for her, when necessary, is no man, he is a very poor concern, he is ashamed of his own flesh and blood, and he practically denies it, thus proving himself to be that universally despised character—a traitor. However, so far as we have heard, we are happy to say that there have been but very few ever such cases in Utah.

"IS LAW THE PERFECTION OF REASON?"—Says the Cleveland *Herald*—

"Law books answer that question in the affirmative. Experience, too frequently, answers it in the negative. Not that law and reason are not always the same, but they are construed by various lips. One judge may have common sense as well as knowledge of law in his brain; another has nothing but cast-iron law in his noddle, and cannot give the law the least elasticity, hence reason has nothing to do with his decisions. * * * Oh! law is not intended to be made of cast-iron, but there are judges who are cast-iron."

The writer of the above might have been inspired to pen it by a recent visit to the court over the stable. Human law is not the perfection of reason, but is often very unreasonable. There is a polite fiction current—that courts of law are courts of justice. In some countries they are oftener courts of injustice. Such some courts are in Utah.

THE HIGH MORALITY "RING."—The Sacramento *Union* thus talks of the crusaders—

"The [Washington correspondent of the New York *Herald* writes that the administration is beginning to see the impolicy of acting as persecutor instead of prosecutor at Salt Lake, and evinces a disposition to go as far as possible without shocking popular sentiment to substitute a more politic way of treating the Mormon question than that resorted to by the Federal officials in Utah. * * * The *Herald* correspondent intimates that the difficulties would be far less in the way of settlement were it not for Brigham Young's vast landed estates, that tempt the cupidity of our friends of Utah who are so religiously opposed to any temporizing policy with polygamy. Of course our high morality friends who are sitting in judgment on polygamy keep the land, house and silver mine argument out of sight, and rely with unction on the offence to civilization that lies in plural marriages."

140,000 SINGER SEWING MACHINES

WERE SOLD WITHIN THE PAST YEAR.—*Scientific American*, June 10, 1871.

The Singer Manufacturing Company,

AT THE WORLD'S FAIR

—Constituted by the homes of the people—

Received the Great Award of the Highest Sales and have left all rivals far behind them, for they

Sold in 1870 127,833 Machines!

SEWING MACHINE SALES FOR 1870.

"The magnitude to which the manufacture of Sewing Machines has attained is shown by the "SWORN" returns (to which any one can have access) of the manufacturers for the year 1870 to the owners of the leading patents, on which they pay a royalty. According to these returns the number of machines sold by each manufacturer in 1870 is as follows:

The Singer	127,833	Florence	17,600
Wheeler & Wilson	83,776	Gold Medal	8 912
Howe	75,156	Atna	5,806
Grover & Baker	57,602	Empire	3,580
Weed	35 092	Finkle & Lyon	2,4.0
Wilcox & Gibbs	28,890	Parham	1 760
American Button hole & Overseaming	14,578	Wilson	500

And several other companies who sold a few machines.

It will be seen by this table that the popularity of the **Singer Machi** far exceeds that of all others, their sale being **one-half greater** than even that of the famous "Wheeler & Wilson" machine. This is owing to the fact that the **Singer Company** have lately commenced making, besides their old and well-established manufacturing machine, what is known as their **"New Family Machine,"** which is selling at the rate of nine to one better than their old style." Their total sales for 1871 were 83,761 machines against the 127,833 for 1870, **showing an increase of one-half in the latter year."**—*New York Sun.*

One-half of our Gigantic Sales, now nearly

THREE-QUARTERS OF A MILLION Machines Sold,

AND ALL IN PRACTICAL USE, WERE MADE WITHIN THE PAST THREE YEARS

But the greatest increase of our Sales over all other Machines, being within the past year This is incontestible proof that

Our Machines are the Best in the World!

The New Family Singer Sewing Machine,

With Attachments for All Kinds of Work,

Is fast winning supreme favor in the household, as shown by the rapidly increasing sales, over all other machines.

This **New Family Machine** is now capable of a range and variety of work such as was **only recently** thought impossible to perform by machinery. We claim and can show that it is the cheapest, most beautiful, delicately arranged, nicely adjusted, easy operated, speedy, and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the **interlocked-elastic-stitch,** alike on both sides of the fabric sewn; the only stitch which is universally approved, or is at all adapted to **first-class work.** Thus, beaver cloth, or leather may be sewn with great strength and uniformity of stitch, and, in a moment this willing and never-wearying instrument may be adjusted for fine work on gauze or zephyr tissue, or the tucking of lariat, or ruffling, or almost any other work—even by **a child**—which delicate fingers have been known to perform. Even the careless and thoughtless have little or no trouble on this machine.

Send for Descriptive and Price Circulars.

We manufacture our own needles, silk and twist; furnish linen and cotton thread and oil—all of superior quality—but which can be relied on only when obtained through our Principal or Branch Offices, or Agencies.

A GREAT MEDICAL DISCOVERY!

MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF

J. WALKER'S VINEGAR BITTERS

Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the **GREAT BLOOD PURIFIER** and **A LIFEGIVING PRINCIPLE,** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
