Atchison, Topeka and Santa Fe 12 Year 4 Per Cent Debentures.

New York, Jan. 11.-An issue by the Atchison, Topeka & Santa Fe Railway of \$30,000,000 serial debentures, bearing interest at 4 per cent and running 12 years, will be announced possibly next week, according to a statement published by the Herald.

The issue is for the purpose of reimbursing the company's capital account for certain extensions and purchases, and for providing for largely increasing the line's equipment. It will be yetired at the rate of \$2,500,000 annually. Reports of a proposed bond issue were current in Wall street on Friday afternoon and caused considerable selling. It was not until after the close of the market that the exact nature of the proposed transaction was learned.

The specific properties which were purchased by the Atchison some time ago, but were never taken into the system, "having been carried up to the present on treasury funds," are, to-

### SIX HUNDRED MILES OF RAILS. Big Order of Steel for Orient Line in Mexico.

Kansas City, Mo., Jan. 11 .- A cablegram from London received from President A. E. Stilwell, of the Kansas City, Mexican and Orient railroad announced that Chief Engineer N. P. Paret, has sailed for home after having arranged sailed for home after having arranged for the shipment of 600 miles of rails for the Orient line in Mexico, which were bought and paid for by the Mexican subsidy. These rails were bought, delivered at Port Stilwell and Tampico, at almost \$10 per ton less than the lowest delivered price obtainable from American mills. They will come from Etclium manufacturers and the first Belgium manufacturers and the first shipment is now due at Tampico. The first shipment for Port Stilwell is now

## OBSCENE PICTURE EXHIBITS Shameful Business Indulged in by Saloonkeepers.

Yesterday afternoon the attention of the police was called to the fact that certain saloons in this city were violating the ordinances by exhibiting in slot machines pictures of an obscene and

vile character. The report came in from perfectly re-liable sources and the police were ap-parently greatly surprised at the dislosures which were made,

Detective Sheets said he suspected that some of the saloons were engaging in that kind of practice, but he was never able to detect them in the act of exhibiting the pictures. He said he would look into the matter, however, and see that it was stopped. He ac cordingly made a round up of the sa-loons where it is known the slot ma-chines are, and warned them to remove all indecent pictures. He also noti-fied the dealer in them that if any more complaints were made he would be arrested and prosecuted to the full extent of the law.

WESTERN LEAGUE CONTRACTS. Attorney E. A. Silberstein yesterday frew up a contract for the Western League Baseball clubs.

Contract of Western League of Professional Baseball clubs with basebal players for services. Made necessary by defects in old contract which were (1) lack of mutuality, (2) ineffectiveness of option clause and (3), difficulty in showing the special value of the playgr's services (necessary before the court will grant a remedy in case of "jump-ing" of contract) and (4) minor defects in contract enlarging players' rights. This contract is the outcome of the suits brought last summer by the Western League against Kostal and Brad-ley of the Lagoon Baseball club.

It will now be almost impossible for a bail player to jump his contract without the consent of the club itself. Mr. Silberstein is the general attorney for the Western League, which position he held in Denver before coming to practice law in Salt Lake City. Stops the Cough and works off the Cold.
