THE CASE OF THE AGITATOR
Ahead of all Other Competitors!
SALT LAKE CITY, August 12th, 1882.
J. W. Lowell, Esq.,
Dear Sir:—The J. I. Case Agitator we bought of you last season is the best machine we ever saw or used; it will thresh more grain and thresh it better and cleaner than any other machine we have ever seen, and we can confidently recommend it to any persons wishing to purchase a good Thresher.
Yours, etc.,
W. A. BARRON.
ASILEY'S FARM,
UNION CO., Feb. 26th, 1882.
John W. Lowell,
Dear Sir:—The Agitator Separator and Woodbury Power that we bought of you, we can truly say give entire satisfaction. It beats anything that we ever saw to thresh and clean. We have run seven different kinds of machines, but this is the champion. The cleaning and the separating are perfect. We have never had a man find fault with it yet, and we believe that the people here will testify to our statement as being the truth. It comes as near being perfect as any machine we have ever seen. We cannot tell you upon paper all the superior qualities or how much we think of it, but can say that had we not got another like it, no money would buy it.
Yours truly,
GEORGE BROWN, S. C. CAMPBELL, WM. P. REYNOLDS, ROBERT BODLEY.
CEDAR CITY, Sep. 23rd, 1881.
John W. Lowell,
Dear Sir:—Our machine, Agitator, is doing excellent work. Cleans the best and thresher faster than any Thresher we ever saw.
We remain,
VERY TRULY,
Yours,
LEIGH, Utah County, February 7th, 1882.
To John W. Lowell, Esq.,
Dear Sir:—As our opinions have often been asked about the merits of the Agitator Threshing Machine we purchased from you last fall, we take pleasure in sending you this letter as our experience with it. To answer the numerous inquiries, and perhaps others who would like to know of its superiority over all other machines we are acquainted with—1st.—Lightness of draft. Our team of five span of average native horses and mules, being fully equal to the work, and without crowding lines and snoring, and gave all the speed and power we needed. 2nd.—Thorough threshing and cleaning, and that without extra effort on our part; such a thing as the threshing being clogged, or requiring the attendance of one person at the tail end of machine having never occurred or been needed. 3rd.—Lightness of run. After having threshed 18000 bushels of grain, the general wear on the machine being scarcely perceptible. 4th.—Lightness of running expenses. By comparing notes with our friends who have other machines, we find ours have not exceeded half of theirs. We also consider the capacity for threshing in quantity, superior to other makes of machines. Although the farms here are small, necessitating a great deal of moving, and distant to distant points, yet we threshed as high as 800 bushels per day. We also consider the Straw Stack, End Shake, Elevator principle and many other points are all worthy of close and careful examination and are all persons who may contemplate purchasing a machine. A. J. EVANS, H. T. WOODHOUSE, H. M. ROYAL, M. B. BUSHMAN.
I have helped wear out four machines of other kinds, and I heartily endorse all of the foregoing points.
A. D. RHODES, JR.
CEDAR CITY, March 18th, 1882.
Mr. J. W. Lowell,
We bought one of the J. I. Case Agitator Threshers last year and used it for the best of the Thresher ever brought to this country. It runs very light, saves all the grain and is a very durable machine. We threshed grain at the rate 24 bushels per minute.
Yours, etc.,
CORRY & HUNTER.

EVENING NEWS.
Monday, August 20, 1882.
THE "MORMON PROBLEM."
FACTS AND FIGURES:
TO WHOM IT MAY CONCERN, READ AND FINDER.
My readers must not confound the thousands of upright, honorable non-Mormons, who are the vast majority of the population of Utah, with the small, unprincipled local anti-Mormons, whose acts, sayings and fruits are as antidotes to every sentiment of truth, charity, probity and honor, as the north and south poles are distinct and apart; with the natural, scriptural, logical, philosophical and honorable sentiments of the Latter-day Saints and "Mormonism" for we would not in the remotest sense associate in thought or word, these two distinct classes of "citizens" in the same category.
The United States census of 1880 classifies the population of Utah as follows:
Mormons - 120,283
Gentiles (under 15 per cent) 14,156
Total - 134,439
Mormons - 120,283
Gentiles (under 15 per cent) 14,156
ON AGAIN.
Mormons - 120,283
Gentiles (under 15 per cent) 14,156
Total - 134,439
About 7,500 of the Gentiles (or 15 per cent) compared with the Mormons are over 21 years old.
About 30,000 of the "Mormons" are of foreign birth.
With this preface, I would like to submit some FACTS for the thoughtful readers of the News, and it may not be hapt to present them in the form of a series of pertinent and logical queries, the answer to which can be vouched for by the records and verified by the unperjured attestations of any respectable man and woman of the State of Utah 5 years or upwards, and who has used his eyes and ears.
Who raise the cereals, vegetables, fruits and flowers so abundant in Utah? The "Mormons."
Who planted the countless trees, shrubs and plants seen on every hand, and opened and maintained a water course to every one of these numerous cities and towns and planted the untold labors of a united and happy people? The "Mormons."
Who laid out and made the Territorial, County and City and Canal, and built the bridges, killed the snakes, placated and subdued the Indians, and gardenized the arid wastes? The "Mormons."
Who own the nearly thousand farms and ranches, and have made the vast improvements seen in every valley at a cost of many millions? The "Mormons."
Who own the almost numberless flocks and herds of sheep and kine and horses and mules, and who have imported at great expense the valuable thoroughbreds and grades of all these animals? The "Mormons."
Who own the principal mercantile and banking houses, grain and feed and notion houses, art galleries, tailoring and millinery, sewing machine and furniture houses? The "Mormons."
Who own the principal tinners, plumbers, stone and marble quarries, lime and brick kilns, ice-ries, theatrical, musical, and other green grocers, confectioneries, fisheries, and legitimate pleasure resorts? The "Mormons."
Who are the principal builders and contractors, carpenters, painters, plumbers, artists, farmers, mechanics, freighting and teaming companies, and common laborers, etc.? The "Mormons."
Who own 90 odd per cent. of all the school and meeting houses, temples and tabernacles, printing and publishing houses, book-binders, etc.? The "Mormons."
Who in Utah are the sole producers, and who live in 95 per cent. of their own houses and on their own lands, and are steadily following the precepts of industry, economy, sobriety, etc.? The "Mormons."
Who steadily mind their own business, and let their neighbors alone? The "Mormons."
Who graded and tied 1,200 miles of the trans-continental and local railroads, and built 1,000 miles of the first trans-continental telegraph lines and some 1,000 miles of local telegraph lines and introduced into Utah the first telephones and phonograph? The "Mormons."
Who have for great many years protected the Utah mails and overland travel from Indian depredations and white brigandage? The "Mormons."
Who built and own the street railways, gas and water works, etc.? The "Mormons."
Who own the woolen and cotton mills and factories, boot and shoe, soap, broom and match factories, tanneries, machine and carpenter shops, smithies, grain flour, lumber, brick, etc., and in mining mills, bakeries, confectioneries, etc., in Utah? The "Mormons."
Who laid out, established and built up this beautiful city and her 200 odd cities, towns and villages? The "Mormons."
Who made the opening and practical working of the Utah mines possible and comparatively easy? The "Mormons."
Who made it practically possible to open up the mining and other industries of the neighboring States and Territories, and north of us? The "Mormons."
Who own the mines and smelters and other mining industries of Utah? For the most part non-resident non-Mormons.
The interests held in the mining pursuits by Utah people are very largely in the hands of gentlemen non-Mormons, who understand and appreciate the eminently good qualities of the "Mormon" people.
Who, without let-up, shamefully vilify the "Mormons" and abuse everybody who does not side with them? The anti-Mormons.
Who, in Utah, are the speculators, deceivers, liars, agitators, conspirators, premium fruit-sellers, etc., maligners, nullifiers, lie-breeds, and to a man, non-producers? The anti-Mormon phobias.
Who are in practical possession of the city prisons, county jails, penitentiary, gin mills, breweries, gambling dens, howling alleys, pool tables, brothels, signification houses and kindred institutions? The anti-Mormons.
Who have the unenviable total record of being the most lecherous, profane, vulgar, unkind, and lawless and who commit the greatest number of homicides and other crimes in Utah? The anti-Mormons.
Who favor and promote lawless wickedness and the raising of hellish children to the "honor and glory of God" and of the nation, and defend and oppose with the prevailing laxity of morals seen in the social evil, free love and kindred unsavory and vicious manners so universal throughout Christendom? The "Mormons."
Who oppose child-bearing and wedlock, and encourage by money and flattery, bribery and promises, bastardy, infanticide, and profligacy, immorality, divorce and every species of crime against the "Mormons"? The anti-Mormons.
What Territory, according to the U. S. census and other sources of official information, and the ratio of population, has the fewest number of homicides, suicides, divorces, and other crimes of violence?
What Territory, according to the U. S. census and other sources of official information and ratio of
