Get What You Ask For!

HERE is a Reason—Why the Good People of America buy Cascarets as Fast as the Clock Ticks. Every second some one, somewhere, is buying a little Ten-Cent Box of Cascarets. 1, 2, 3, 4, 5, 6—60 times to the Minute, 60 Minutes to the Hour, 3600 Boxes an Hour, 36,000 Boxes a Day of Ten Hours, 1,000,000 Boxes a Month, and then some. Think of it—220,000 People take a Cascaret tablet each day. Millions use Cascarets when necessary. The Judgment of Millions of Bright Americans is Infallible. They have been Buying and Taking Cascarets at that rate for over Six Years.

It is not an Experiment, not an Accident or Incident, but a sound, Honest Business, based on Time-Tried-and-Tested Merit, never found wanting. There is a Reason. Cascarets are the implacable foe of All Disease Germs; the incomparable cleanser, purifier and strengthener of the entire Digestive Canal. They Act like Exercise on the Bowels—Muscles, make them strong and active—able to Help Themselves do their work—keep themselves clean. Cascarets are the safe-guard of innocent Childhood against the Dreadful Death-dealing Dangers that threaten the Lives of the Little Ones. They are Purely Vegetable, absolutely Harmless, always Reliable and Efficient.

a true, faithful, loyal servant of Mankind. Over Five Millions of Dollars have been spent to make the merits of Cascarets known, and every cent of it would be lost, did not sound merit claim and hold the constant, continued friendship, Patronage and Endorsement of well-pleased people year after year. There is also a Reason—Why there are Parasites who attach themselves to the Healthy Body of Cascarets' success—imitators, Counterfeiters, Substitutes. They are Trade Thieves who would rob Cascarets of the "Good Will" of the people, and sneak unearned profits earned and paid for by Cascarets.

A Dishonest Purpose means a Dishonest Product and a Disregard of the Purchaser's Health or Welfare. Beware of the Slick Salesman and his ancient "Just as Good" story that common sense refutes. Cascarets are made only by the Sterling Remedy Company, and the famous little Ten Cent "Vest Pocket" box is here shown. They are never sold in bulk. Every tablet marked "CCC." Be sure you get the genuine. FREE TO OUR FRIENDS! We want to send to our friends a beautiful French-designed, GOLD-PLATED BUBBLE BOX, hand-colored in colors. It is a beauty for the dressing table. Ten cents in stamps is asked as a measure of good faith and to cover cost of Cascarets, with which this dainty trinket is loaded. Send for it! Write on a piece of paper, Address: Sterling Remedy Company, Chicago or New York.

In the evening, at 8:30 o'clock, horse races will be given at the track and for which purpose the management has had electric arc lamps placed 50 feet apart around the track. This is the first time the night races were ever held in the state of Utah. They have proven to have been very successful in the east and elsewhere and there is no doubt but what they will prove so here. Sixty of the best horses that were at the recent race meets in Ogden and Salt Lake as well as other horses from Denver have been entered for the afternoon and evening cards.

SALOON JOINTS MUST GO.

RICHFIELD, July 2.—Several months ago the city council refused license to the saloonkeepers of this city but granted them license to run poolrooms and sell mild drinks in the same buildings. This action was severely criticized at the time as it was claimed the dividend would continue to sell on the city and the city would be minus the revenue.

It is apparent, however, that the business has not been so profitable as supposed, as two of the joints have cleared out within the last few days and the officials are eager to make it so hot for the third and last fellow that he will be obliged to quit the secret traffic or quit business entirely.

Richfield is going to be the scene of some lively ball tossing on the 4th and 6th. OBITUARY.

THOMAS JENKINS LAMBERT. In the death of Thomas Jenkins Lambert there has passed home to his heavenly Father, a true man. Born on the Hawaiian Islands, June 7, 1875, while his parents, Richard Lambert and Mary Jenkins Lambert, were laboring as missionaries among the people of those islands, he inherited a great love for truth and uprightness. All his days were spent in Salt Lake City, where he was educated in the public schools and the Latter-day Saints college. Honoring his parents, brothers and sisters when but a boy, he worked and gave to them in love that was most beautiful. In manhood, he was connected with the Ogden Short Line freight office, and later with the local office of the Kammerer Fuel company until the time of his death. In October, 1901, he married Ada Lucile Young, daughter of Seymour B. and Elizabeth Riter Young, who with three little children, Lucile, Miriam and Richard, survive him.

Thomas Lambert was possessed with as beautiful a character as a child of God ever had. Self-sacrificing and benevolent, he always gave what he had to those whom he loved. He always considered himself last. He says the

best in everybody, and no word of reproach ever passed his lips against a human being. Those who had him in their employ testified of his constancy to his post of duty. He did not fear life, because he loved God so much. His testimony of the truthfulness of the gospel of Jesus Christ was never shaken. If for every good act that "Tom" Lambert ever did, a reward is dropped on his grave, he will sleep amidst a paradise of flowers. His death comes as a terrible blow to his wife, his mother, his father, brothers and sisters, but they well know that he "was true to the kindred points of heaven and home."

God has called him. His work is again taken up and in his work he is very happy. We submit willingly to God our Father, and will bear always in mind the words of Jesus to Mary and Martha: "I am the resurrection and the life. He that believeth in me, though he were dead, yet shall he live."

"And whosoever liveth and believeth in me shall never die."

The funeral services over the remains of Mr. Lambert will be held this afternoon at the home of Dr. Seymour B. Young, 48 Fourth East street, under the direction of Bishop Robert Morris of the Eleventh ward. Pastor Joseph F. Smith was the principal speaker. He spoke in the highest terms of the deceased, and pointed out forcibly the truth of the resurrection of the dead. Elder Le Grand Young opened the services with prayer, and beautiful and appropriate music was furnished by Mr. Charles Pike, Hazel Barnes and Irene Kelly.
