WASHINGTON, 1.- The decrease in

the public indebtedness for September is about \$12,000,000. This will be re-duced, however, by the payments of duced, however, by the payments of about \$7,500,000 to-day on account of interest due on bonds. Civil Service Commissioner Gregory has not yet heard anything from the President as to what action will be taken upon his resignation. Commis-sioner Thoman is in San Francisco, where he is holding civil service examinations under the direction of the Commission. He will start for Washington next Saturday and is expected to reach this city about the last of next into Mexico.

week. It is not known whether he will tender his resignation or not. The steamer Bear, which was one of the vessels of the Greely Relief Expe-dition, is now being fitted at New York for use in the revenue marine Service, and will relieve the steamer Cornsin on the Alaskan station. Upon the recommendation of Com-

missioner Sparks of the General Land office, the Secretary of the Interior has approved of the dismissal of Robert Berry, examiner of surveys in Colorado. On the 9th instant the civil service commission will conduct au examination here for the selection of persons to fill places in the new intelligence bureau of the War Dewartment. This division is similar to one already in

existence in the Navy Department. The examination will test the know-ledge of the candidates in military affairs. The division will be under the direction of the Adjutant General, and in a general way it will be for the purpose of collecting information in regard to strategic points near the coast of

the United States at places, for in-stance, like Cuba, the West Indies,
