The result of the Jimmy Britt-Kid Bul-livan fight here occasioned no surprise. Few belleved that the Baltimore lad had any chance of winning and little money was placed on his chances. The battle was the lightest betting af-fair in years. Britt had two commission-ers around the ringside who offered 10 to 14 on the native son, but they had intle success in placing their money. First is rather disappointed at the out-come of the fight as he candidy belleved that he would either knock out the game eastern youngster or batter him up so bady that the referee would stop the mill. Asked if he would consent to a finish fight with the Battler, Britt said: "There is no necessity for one. I be-lieve that a fighter ought to be able to demonstrate his superiority over an op-ponent in a twenty-round bout. If Nel-son wishes to engage in a contest with me he must agree to a limited round con-test. I beat him once and I will do the dictating. I have not the slightest fear beat him every time we meet." Boorling men suggest that Joe Gans come out with a declaration an-nouncing his retirement from the light-weight division and transferring his title to Britt. Al Herford insists that Gans out his statement is ridiculed every-where. While Britt is not the acknowl-edged champion in the lightweight class, he will be recognized as such on the coast as long as Gans refuses to meet.

Los Angeles, July 25.-Before a crowd of 4.000 persons at the opening of the new pavillon of the Pacific Athletic club, here tonight, Hugo Kelly of Chicago and Tom Burns of Detroit, fought twenty rounds to a draw, Burns had all the bei-rer of the fight from start to fin-ish, and punished his opponent consid-erably, but owing to an agreement en-tered into by the two principals pre-vious to entering the ring Referee Charles Eyron was compelled to declare the bout a draw. The agreement was to the ef-fect that if both the men were on their feet at the end of the twentieth round the fight should be a draw. Won.Lost. San Francisco, July 25,-The twenty-free-round bout at the Colma club to-night, between Frankie Neil, the ban-tam weight champion, and Harry Tenny of San Francisco, ended in a victory for Neil, Referen Billy Roche deciding at the end of the battle that the champion had made the better showing. Tenny proved himself is, be a gume and clever fighter and held his own with the champion up to the tweifth round. After that period, however, Neil had a decided advantage in almost every round, and several times had his man at his mercy, but was un-able to land the blow that would have misshed the fight.
