the entire system.

"In 1898 my little daughter was stricken with paralysis of the brain. For seven long weeks ahe lay like one dead. At times she would rally, and spasms would follow. I had the service of two of our best doctors and they could do nothing for her. At times it would take two persons to hold her in bed, and for seven days and nights we had to keep her little head packed in ice, the pain she suffered was so severe. Mr. Prentice, the druggist advised br. Miles Norvine. I got a bottle and began giving a teaspoonful every two hours. After about ten days she began to quiet down, and within two weeks' time she could sit up in hed, and rapidly improved from that time. We have given her about twenty-five bottles of Nervine along with the Norve and Liver Pilla, and to-day she is well and healthy as ever. My wife and I were completely worn out; staving up nights with our little one during her slokness, so we began taking the Nervine ourselves, and with the very best of resudts."

MADDOCK'S WARRIORS PLAY TOMORROW.

Tomorrow afternoon at Ogden Coach Mandock's football warriors will line up against the Ogden High School eleven for the first game of the season and there is considerable interest in the same. Maddock will have a good chance to see just what his team can do; study the weak points and make plans for improvements. After the game he will decide who will be on the team for the balance of the season.

It is reported that the Ogden High School has an excellent team, one worthy to give the best of them a hard fight. Among the players on the U. of U. team, who will be watched closely, are Convil, Richardson, Moore, Holdsworth, Snow, Home and Peterson, All of these men have done splendid work in practise during the week. Moore will, for the first time, play quarterback and it is predicted be will do some good work.

CHRISTMAS OUTING.

One Planned by Stagg for Chicago Warsity Team.

Chicago. Sept. 26.—University of Chicago football players are to receive award for their performance on the gridinon this fall in shape of a Christmas cuting in California. Coach Stagg is considering a game with the southern university of California as a part of the holiday journey, and the men are expecting their long-looked for post season contest in the far west. Coach Stagg received an invitation from the California authorities several days ago and he announced today that the trip was already beyond the "possible" stage because of the short western season. With only five games to play this year the Midway athletes need not fear over exertion by the addition by one more game to their schedul. While the game with the coast school is not yet a certainty, the players are practically assured of a post season. If the California college is not taken on, the team can easily negotiate a date with one of the other western elevens.

RACK FROM THE TOMB.

New York, Sept. 26.—Philadelphia Jack O'Brien is once more in the public sye. He made his resuppearance very unabtrusively at the ringside of the ciah in Bridgeport where Jack Johnson hammered Sallor Burke into submission two weeks ago, but did not ask to be introduced to the crowd. It is said, however, that he plans another try for rewards in the ring in his home city shortly.

O'Brien, it is thought, wishes to figure in one or two more bouts to attract attention to his new theatrical venture, the which he appears as the honest puglist who is dragged into a fake battle through a double crossing deal of some sort or other on the part of his opponent.

O'Brien informed interviewers, after the Johnson such of the most dangerous men in his class and that Tommy Burns was wise to sidestep him. O'Brien said that he hoped to show up well in the cing once more.
