DESERET EVENING NEWS.

TRUTH AND LIBERTY.

VOL. VI. SALT LAKE CITY, UTAH TERRITORY, WEDNESDAY EVENING, SEPTEMBER 10, 1873. NO. 216.

BY TELEGRAPH.

SPECIAL TO THE "DESERET NEWS," PER DESERET AND ATLANTIC AND PACIFIC TELEGRAPH LINES.

Last Night's Dispatches.

EASTERN.

Grain Receipts.

CHICAGO, 9.—The receipts of grain in this city continue fair, there having been 1,500 car loads, and 75,000 bushels by canal. Wheat is coming in the liveliest, there having been 875 cars.

Episcopal Convention — Testimonial.

The annual convention of Episcopalian ministers met in this city to-day. There was a full attendance, nearly all the parishes in the State being represented.

On Saturday p.m., at the brotherhood of the Locomotive Engineers, Bloomington division, No. 19, presented to Mrs. D. W. P. Pierce, of Lemont, an elegant silver water service of five pieces, as a token of their gratitude to that lady for her kindness in caring for their brother engineer, James O'Neil, who was injured in the collision at the bridge some weeks since.

Ravages of Cholera.

CARLINSVILLE, Ill., 9.—The cholera still continues its ravages in the eastern portion of this county. About seven miles from this place, in the western portion of Montgomery county, where it has raged with considerable violence, many deaths occurred last week; at the same time it broke out in two families near this city, and in three days seven persons of the two families died.

Election.

ROCKLAND, Me., 9.—The returns received here to-day make it certain that Webster, the Republican candidate for senator, has been re-elected, while the Democrats have elected the remainder of the county ticket.

Double Assassination.

MONROE, La., 9.—Judge B. S. Crawford, and district attorney A. H. Harris, of the 12th judicial district, were murdered yesterday, 12 miles southwest of Winnesboro, in Franklin parish, while on their way to hold court at that place. The bearer of this information states that they were shot seven times, and their brains blown out. The murderers are not known, but it is thought that personal and political differences were the cause, as Crawford was a radical and Harris a Democrat. Both leave families.

Married — Fifteen Indictments.

NEW YORK, 9.—T. Vokes, a member of the celebrated Vokes family, was married to Miss Anna Giles, a wealthy English actress, to-day. No theatrical celebrities were present at the ceremony.

The grand jury have ordered fifteen bills of indictment against two of the prisoners indicted for recent bond forgeries.

Mass Meeting.

A mass meeting of colored citizens was held at the Cooper Institute to-night, when the Louisiana delegates explained the condition of affairs in that State. Many prominent colored republicans of this city were present. Speeches were made by Gen. T. Morris Chester, Hon. Henry Burch and others.

Pardoned.

PHILADELPHIA, 9.—The Mayor's message in relation to the bogus diplomas of the institution styled "The American University of Philadelphia," recommends the City Council to pass a resolution requesting the attorney to sue out a writ of *quo warranto*, and if the institution is guilty of the practices charged, to secure a forfeiture of its charter by the courts.

Ex-council man W. F. Sever, and Nathaniel Marks, convicted of gambling on February last, have been pardoned by the Governor. They were sentenced to a fine of $500 and imprisonment for 2 years and six months, nearly seven months of which has been served.

$150,000 Defalcated.

HOBOKEN, N.J., 9.—It is now said that the defalcation of Klenner, Cashier of the Hoboken Savings Bank, amounts to $150,000; it is also reported that the bank is unable to pay its depositors, and will close to-morrow.

Perfectly Solvent.

BROOKLYN.—The directors of the Trust Company met to-day, and issued a statement denying, as wholly false, all the reports concerning its insolvency, and affirming its soundness and ability to meet all its liabilities.

Fatal Accident.

A fearful accident occurred to day at Brooklyn anchorage, at the East River bridge, by which Louis Hansen, a workman, was instantly killed, and two others nearly lost their lives. Hansen and two others were shoving a truck loaded with concrete along the tramway, which suddenly broke down. Hansen fell with the car, and his head caught between it and the trestle work and was crushed to a jelly.

Butler Hopeful—Improvement in the Print Goods Trade.

BOSTON, 9.—All the evening papers disagree as to the result of the election for delegates to the Worcester convention to-morrow. The *Journal* gives figures showing that Washburn will receive the vote of 585 delegates, and Buttler 417; the *Herald* gives Washburn 554 and Butler 417; the *Traveller* gives Washburn 520 and Butler 469, and admits that a number of the so-called Washburn men are favorable to Butler. The *Traveller* regards the result of the convention as doubtful. Gen. Butler left here for Worcester this p.m. He appeared in a hopeful and confident mood when called upon by his friends, and retained a firm reliance in the unreliability of the returns as reported in the newspapers. He claimed that Washburn has less than five hundred votes, and that the contest is by no means decided.

The brokers made a clean sweep last week of all the print goods in the manufactories, and bonds and prices are firmer, with an advancing tendency. A large portion has been taken by New York houses.

Naval Order.

WASHINGTON, D. C., 9.—Lieut. Commander Wm. R. Bridgeman has been ordered to command the *Palos*, of the Asiatic squadron.

The Geneva Award Paid.

The following statement, of the manner in which the Geneva award was paid to-day, is furnished by the Department of State: Sir Edward Thornton, and Mr. Archibald, Consul General of Great Britain, agents of the British Government to pay the Geneva award, called at the Department of State, and paid to the Secretary of State fifteen and a half millions of dollars awarded by the Geneva tribunal, to be paid by the Government of Great Britain to that of the U. S. The coin had been already deposited in the Treasury, to their credit, and these gentlemen transferred to the secretary the certificate therefor, which he immediately delivered to the secretary of the treasury, thus passing into the treasury the fifteen and a half millions, to be used as provided by the act of March, 1873. Five per cent. registered bonds are to be issued in trust, by the Secretary of State, subject to the future disposition of Congress. The following receipt was given: "The undersigned, Hamilton Fish, Secretary of State, of the U. S., hereby declares that he has this day received from the Right Hon. Sir Edward Thornton, H. B. M. Envoy Extraordinary and Minister Plenipotentiary, and from Edward Archibald, Esq., Her Britannic Majesty's Consul General, at New York, the agents of Her Majesty's Government in this behalf, the sum of fifteen and a half millions of dollars in gold coin, being the whole amount of the gross sum awarded on the 14th of Sept., 1872, by the Tribunal of Arbitration, then sitting at Geneva, in accordance with the provisions of the 7th article of the treaty of May 8th, 1871, between the said U. S. A. and H. B. M. In witness whereof, the aforesaid Hamilton Fish, Secretary of State of the U. S. A., has subscribed his name to this receipt, in duplicate, at Washington, this 9th day of September, in the year of our Lord 1873.

(Signed) HAMILTON FISH, Secretary of State.

Polish Party Killed by Lightning.

DES MOINES, Iowa, 9.—A party of about 200 Polanders will leave Pella to-morrow, on an excursion to Sioux city, to visit the Holland colony, which went from Pella a few years ago.

Last Friday, a young man, named Ginney, living near here, was struck and killed by lightning. He was returning home with a team laden with coal. The wagon bolt struck him in the back of the neck. His father was with the team behind.

The indications now are that about 500 Mexican veterans will appear at the re-union here on the 11th.

Ad Interim.

SPRINGFIELD, Ill., 9.—Charles Dickinson, deputy collector of McLean county, has been appointed collector of this district *ad interim*. He has entered upon his duties.

Washburne vs. Butler.

WORCESTER, 9.—One ballot in announces that Washburne has 592 delegates, Butler 442; not reported 57. Another announces that Washburn has 542, Butler 506; not reported 75. At 8 p. m. the Washburne bulletin claimed 608, giving Butler 495, thus accounting for all but two delegates, the total numbering 1105. Butler's bulletin declares that he has 527, Washburn 506, not reported 70. The action of prominent leading men of the Washburne party is strong and united, while Butler is left all to himself. There is a chance for success, and for this he is marshalling his forces and working zealously. He looks tired and weary from overwork. The executive committee of the State central committee, assembled this p. m., and sat with closed doors. They continued in session till 8 p. m. They claim that 19 delegations, involving 96 delegates, came before them for hearing. At 8 o'clock, when the state central committee met 29 had been decided in favor of Butler, and 16 for Washburne, while 9 were rejected.

FOREIGN.

SPAIN.

The Deerhound.

MADRID, 9.—The English yacht *Deerhound* has been sent to Ferrol, to await the result of the trial of her captain and crew for aiding the Insurgents in their operations against the government.

Promoted.

Twenty-seven general officers have thus far left the government service because the military laws were not enforced. Generals Gonzalo, Ceballos and Pavia have been promoted to the rank of Lieutenant General.

Changes—Will Surrender.

There have been some modification in the ministry. Senor Berges, who was first named as minister of Justice, has been appointed minister of Public Works instead of Senor Conavan, and Senor Debro has received the portfolio of minister of Justice.

Gen. Warsirey has relinquished the command of the Republican land forces besieging Carthagena, and has been placed in command of Valencia. Gen. Saicedo succeeds Gen. Compos as commander of the forces now before Carthagena.

Vice Admiral Sir Hastings Yelverton, commander of the British squadron in the Mediterranean, has informed the government that he will surrender the frigates now held at Gibraltar if a crew of 500 men be placed upon each vessel.

Reinforced.

BARCELONA, 9.—The Republican garrison at Gerona has been reinforced, no apprehension is now felt of the capture of the town by the Carlists. A regiment of government troops, stationed at Barga, mutinied yesterday, and compelled the officers to leave the city.

FRANCE.

Threatened.

PARIS, 9.—A party of "Mormon" emigrants who have just arrived here, on their way to America, have been notified by the Prefect of Police that if any attempt is made to hold their religious exercises in public, they will be expelled from the city.

—A villainous Eastern exchange says that "Chicago alone will postpone the millennium at least ten centuries."
