## APPEAL.

To the Presidents of Stakes, Bishops, Presi-dents and members of the Helief Society, Super intendents and Presidents Y. L. and Y.M. M.

The urgent necessity which has long existed in our midst, of a place where the sick and suffering, who have a claim upon our sympa-thy and care, can receive the medical and surgical aid which they require—in connec-tion with the administration of sacred ordi-nances in their behalf, has impelled those who feel this need most deeply, to an carnest and determined effort in this humans direction, with the sanotion and approval of the First Presidency of the Church of Jesus Christ of Latter-lay Saints.

We who have taken upon us the rasponsi-Latter-day Saints. We who have taken upon us the rasponsi-bility of inaugurating this work, make a special appeal to all who are able and willing to ald in securing to under who are the proper analysis for the becefits of this institution, the medical and surgical cars and personal comfort which they require in the period of extreme sickness, and he event of those acci-dents and emergencies to which all are at any time liable. In order to assist in mosting the current ex-penses of the Hospital, it has been suggested that each Helef Society and Mutual Improve-ment Association subscribe statedly one dol-amounts to stand as a credit in favor of any member of the Society or Association who

The per month to the Heisrital Fund, suc amounts to stand as a credit in favor of an member of the Society or Association wis pasy require the benefits of the Institution. For the furnishing and ounnit of the Hospital we appeal to the liberality of our brethren an eisters for donation, of money, provisions bedding, furniture and domestic utensits. The Board of Managers expect to establish in connection with the Hospital, a School, fo the purpose of elucating midwives and train ling narrose for the side; a class whose service will be welcomed both by the public and by the medical profession as efficient akins to the secon plishment of the shift end of all hospital work—the cure and cure of the side; and filteted never appealed for help in vain, in-tuence the hards of those who are favored with an abundance of this speal, knowing that such sitts are doubly blessed.

E. B. FERGUSON, M. D., Res. Surgeon

of the people.
