

FIRST DAY OF BIG RACE MEET

Horsemen Are Jubilant Over the
Splendid Prospects.

SARAH GREEN IS FAVORITE.

Lot of Entries Include Some of the
Best Horses in the State—Foot-
ball Matters.

"They're off!"
The first day's program of the three
day race meet at Agricultural park
under the auspices of the D. A. & M.
society began at 2 o'clock this after-
noon. A large crowd of devotees of the
sport of kings were on hand to yell,
root and cheer for their favorites. The
first list includes some of the very best
horses in the state, the program is a
good one and unless all signs fail the
meet will be the most successful given
in this state for years.

The horsemen are united in making
the event a success. The track is now
in perfect condition and some good racing
will be made on the new half-mile
circuit.

The principal event this afternoon is
the 230 paces, with four feet footed
horses entered. Sarah Green, owned
by Frank Wilson, Fleet, owned by Dr.
Kummauer; Julia A, owned by Rob-
ert and Munroe S, owned by Crab-
tree. For this event Sarah Green is
the favorite in the pool selling at odds
of 10 to 1 on Julia A, 4 to 3 on Munroe S,
and 5 to 4 on Fleet. It is said that last
night at least \$2,000 was wagered on
this race.

There are three entries in the 230
paces, Mary H, and Lady Smith.
Chestnut is a strong favorite at odds of
10 to 1 on Mary H and 4 to 1 on Lady Smith.
The one running event is the three-
fourths mile dash with the following
entries: Herbie, 117; Hyman, 119; Lynn-
ton, 119; Mollie Allcott, 117; Mountain
Maid, 117; Argot, 117; Abba L, 117.

Hobo, the famous horse which brings
a good record back from the north-
western circuit, arrived here last night
and there are several other horses from
the outside to compete in the three-
fourths mile.

FLY DUCKS, FLY.
Hunters Will be Out in Large Squads
Tomorrow Morning.

If the ducks hereabouts are wise, they
will fly far, far away ere the dawn of
tomorrow's sun. If they remain about
the usual haunts, many of them will
never see the dawn of day, for bright
and early tomorrow morning many
large squads of hunters will take ad-
vantage of the first day of the season
and go after the birds without
mercy. Members of the different clubs
have arranged their plans. They are
all well armed and will go out with
the object of slaughter. The clubs
that certain places where ducks
abound, will have officers on hand to
protect them from any who may pre-
tend to hunt. Scores of hunters
are on their way to the places
they have spotted, and if every man
gets a duck, the birds will be decidedly
scarce by tomorrow night.

TROUBLES OF CHRISTIANS.

Y. M. C. A. Team Must be Amateur
Says Secy. Cox.

There is trouble and sadness in the
ranks of the Christians. The Y. M. C.
A. football team, and it is the result
of the announcement of Secretary Cox
of the association that all members of
the team must be members of the or-
ganization, that all members must be
amateurs and that all money taken in as a re-
sult of football games participated in
must be given to the Y. M. C. A.

BRITISH GENERAL'S LIFE SAVED

Has Suffered for years from Kidney
Disease and Was Cured by
Warner's Safe Cure.

New York, May 8, 1902.
Gentlemen—Any physician I recom-
mend your Safe Cure to my old friend,
William Post Nuttall, of the Brit-
ish Army, who was a great sufferer from
kidney troubles after long service in In-
dia. He took my advice, and after using
your remedy, he was completely cured.
He was a hale and hearty man when I
saw him last, and must have been nearly
fifty years of age. He has assured me
again and again that he earnestly be-
lieves in Warner's Safe Cure saved his life,
and as a result he is now a healthy man.
I myself have used your remedy with
great benefit, as I was refused by the
British Insurance Co. years since
because of Bright's disease, but af-
ter taking your cure for some time I was
able to obtain insurance. This speaks for
your remedy. In my young career I have been
greatly benefited by using Warner's Safe
Cure, not only in the warm climates of
India and Africa, but also in the Arctic
regions of Alaska. Your cure has served
me well. Yours very faithfully,
G. F. ARMSTRONG.

TEST YOUR URINE. If there is a red-
dish sediment in your urine on standing
3 hours, or if it is cloudy, or if particles
float in it, your kidneys are dis-
eased. It is not shown at once, com-
mence with Warner's Safe Cure, the greatest
cure for rheumatism, swelling,
cutaneous eruptions, uric acid, gout,
gravel, and all diseases of the kid-
neys, liver and blood. It's dan-
gerous to neglect your kidneys even one
day.

WARNER'S SAFE CURE
Is a pure vegetable and contains no nar-
cotic or harmful drugs. It is free from
poison and pleasant to take. It does not
cost more than a box of candy, and is
sold by all druggists, or at 50 CENTS and 25 CENTS a bottle.
WARNER'S SAFE CURE moves the
bowels gently and aids a speedy cure.
Refuse substitutes and imitations.
There is no kidney cure "just as good."
Beware of cheap imitations. Sub-
stitutes contain harmful drugs.

TRIAL BOTTLE FREE.
The manufacturers so firmly believe
in Warner's SAFE CURE will absolutely
give a trial bottle of it to anyone who
wishes that they will send a postal card,
with your name and address, to
Cassady Rochester, N. Y., and mention
this advertisement. The trial bottle is
sent free of charge. Write the Medical Department
for advice, medical booklet, diagnosis and
analysis. When sent you will be free of
charge.

Dr. Price's Cream Baking Powder is so perfect in its
make, so simple in use, that beginners in cooking may
work with it successfully. It really "makes home
baking easy," and gives nicer, better food than the
baker's. There is no baking powder or preparation like
it or equalling it for quickly and perfectly making the
delicate hot biscuit, hot bread, muffin, cake and pastry.

PRICE BAKING POWDER, CHICAGO, U. S. A.

by the team must go to the association.
Manager Bert Margetts of the team
was under the impression that if a
player devoted his time to the team
he was entitled to membership in the
association, and that the team could
dispose of the money made as the
players saw fit. But Mr. Cox says the
players, those who are not mem-
bers, will have to pay their dues and
have their names placed on the roll
before they can play under the Y. M.
C. A. colors.

Nothing will be done in the matter
until after the game Saturday when
a meeting will be called by Manager
Margetts and the question settled if
possible.

VIGILANT SOLD.

Famous Cup Defender Disposed of
To F. Lothrop Ames.

New York, Sept. 30.—Percy Chubb of
the New York Yacht club has sold the
famous cup defender Vigilant, a mem-
ber of the same club, the famous America's
cup defender Vigilant. Mr. Ames in-
tends to take to Boston early next sea-
son and will use it cruising along the
coast most of the time, but will race
when opportunity offers.

The Vigilant successfully defended
the America's cup in 1893 against the
Valkyrie II.

RETIRED FROM BASEBALL.

Such is the Announcement of Andy
Freeman of New York.

New York, Sept. 29.—Andrew Free-
man, president of the New York base-
ball club, announced his retirement
from baseball. He said that he had
sold the New York club to John T.
Brush, former owner of the Cincinnati
club. Mr. Freeman has been in base-
ball since 1894, when he purchased a
controlling interest in the New York
club.

While Mr. Freeman will retain a cer-
tain amount of stock in the club for
some time to come, he has entirely
withdrawn from active participation in
National league councils.

The announcement of the sale of the
club and Mr. Freeman's withdrawal
from baseball came as a surprise, when
it was taken into consideration that by
 dint of the hardest sort of fighting Mr.
Freeman became the absolute master
of the National league within the past
year. No one, apparently, had any ink-
ling of Mr. Freeman's intention to
quit baseball until he made the an-
nouncement personally at the head-
quarters of the National league tonight.

OLD JOE DEFEATED.

Jack O'Brien of Philadelphia Turned
Trick in Six Rounds.

Chicago, Sept. 29.—Jack O'Brien of
Philadelphia won on points from Joe
Choyinski in a six-round contest here
tonight. O'Brien throughout the fight
was too fast for the Chicago man. As
soon as the fight began O'Brien resort-
ed to jabbing with his left, following
with his right to the jaw. O'Brien kept
this up for five rounds, and during all
this time Choyinski was unable to land
a single telling blow.

When they came up for the last round
Choyinski began shouting. During one
of the exchanges he reached O'Brien
with a stiff right. The blow cut a deep
gash in O'Brien's forehead and made
the latter furious. Choyinski tried hard
to follow up his advantage, but he soon
showed weariness from the fast pace,
and toward the end of the round he
got half a dozen blows on the jaw. The
matter was taken up by the stew-
ards, and made every effort to finish Choy-
inski, but the time was too short, though
the final bell found Choyinski barely
able to stand.

Owner and Trainer Fight.

New York, Sept. 29.—David Gideon,
the horse owner, and his trainer, A. J.
Joyner, came to blows in the paddock
before the races at Gravesend today.
Just what caused the trouble was not
given out, but the fight attracted a
great deal of attention. After the races
the matter was taken up by the stew-
ards of the Brooklyn Jockey club, who
fined Joyner \$200.

FIRST VICTIM DIES.

Harry Jordan Received Fatal In-
juries in Football Game.

St. Louis, S. D., Sept. 29.—Harry
Jordan of Sioux Falls is dead from in-
juries received in a football game here
last Thursday.

Lively Fight in London.

London, Sept. 29.—A stubborn contest
was fought at Galeshead this evening
between George Dixon, American, and
Will Curley of Newcastle, for a purse of
£2,000. Having gone the full 15 rounds,
the fight was, by previous arrangement
of the backers, declared a draw.

Lucas on War Path.

Portland, Ore., Sept. 29.—President
Lucas of the Pacific Northwest league
today released Umpire Fisher, and R. P.
Brown, center fielder for the Portland
team last year and recently manager of
the Pendleton baseball club, has been
secured to fill the vacancy. Brown left
for Tacoma this evening.

Inglewood Track Re-opened.
San Francisco, Sept. 29.—The board
of supervisors today passed an ordi-
nance permitting the re-opening of In-
glewood race track in this city. The
track has been closed for some years.
Clergymen and the civic association
fought the passage of the bill.

Jimmy Michael Defeated.

Berlin, Sept. 29.—Reb of Munich de-
feated "Jimmy" Michael in an hour's
bicycle race yesterday on the Friedenau
track. Michael led up to the 55th round,
when his pace-makers' motor became
disabled, after which he was unable to
recover the lost ground.

Surveyor—W. H. Evans.
Attorney—Ray Van Cott.
Sheriff—G. H. Naylor.

Above is the ticket placed in namin-
ation by the County Democracy yester-
day. The session lasted until midnight
and considering the amount of work
that lay before them, the delegates did
well in completing their ticket in one
day. In the main the convention was
harmonious and to the unanimity of
feeling is due the dispatch with which
the entire ticket was named. When the
assembly dispersed it was with a pro-
found feeling that the work done meant
victory at the polls next November.

When the "News" report closed yester-
day afternoon, Messrs. Bamberger
and Wells had just been chosen by
acclamation for the state senate. These
men were named respectively by James
H. Moyle and B. S. Young. Then came
nominations for state representatives,
the first man named being M. Miller of
Mill Creek, who was presented by
Secretary Moffatt. Other nominations
were as follows: C. P. Greenfield by
Frank B. Stephens; H. B. McIntire by
George A. Whitaker; Barney Quinn by
C. M. Jackson; George H. Goddard by
Frank J. Gustin; Mahon Spencer by
J. B. Ringstead; Charles Beutzel by
James Leary; H. B. Hamer by
Thomas W. Green; Joseph Kimball by

E. A. Wilson; Orson H. Pettit by H. E.
Dinny; J. C. Leary by John Greene;

C. Ellis by Soren K. Christensen; D. R.
Allen by Douglas Egan; Dr. A. C. Ewing
by B. S. Young; Judge H. P. Hen-
derson by John Halverson; David
Evans by Judge Hoge. Of these J. C.
Leary, Judge Henderson, and D. R. Al-
len declined, while G. W. Goddard, be-
ing hardly the statutory age, also de-
clined, stating that he was not aware of
the age limitation when he announced
his candidacy. Nominations being de-
clared closed, balloting was begun the
result of which was as follows:
Senators: Stephens, 524; Morris, 522;
Ellis, 469; Ewing, 445;
Greenfield, 381; Pettit, 323; Spencer, 422;
Page, 468; Miller, 424; Evans, 429;
McIntire, 283; Quinn, 274; Beutzel,
47; Hamer, 82; Kimball, 367. The
first 10 having received the highest
number of votes were declared the
nominees of the convention. At this
point the convention adjourned till 8
o'clock.

In reassembling the convention took
up nominations for county commis-
sioners, the long term candidate being
the first man voted for. William J. Horne
was nominated by J. B. Ringstead, R.
K. Thomas by H. B. Pettit, and H. E.
Hall by John T. Caine. The announce-
ment of the vote showed such an over-
whelming majority for Mr. Horne that
when the Forty-sixth district was
reached he was re-nominated. He was
withdrawn and Horne was nominated
by acclamation.

For the short term C. B. Stewart
named W. E. Ennis of Draper, J. C.
Eyrwater presented Hugh Watson, John
T. Caine favored L. E. Hall, George H.
Taylor nominated Thomas E. Taylor,
James H. Moyle named George A.
Whitaker, and D. W. Moffatt proffered
Heber S. Sanders. The vote gave Whit-
aker 413, Watson 255, Ennis, 183,
Sanders, 120, Hall, 64; Taylor, 57.
Whitaker being the only candidate
nominated a second ballot was ordered,
the result being a victory for Ennis.
Prior to this taking Sanders announced
his withdrawal in favor of Ennis, and
others who withdrew as the vote was
being announced. The ballot was Ennis,
304; Watson, 231.

For county clerk O. F. Whitney
was named by David Evans, who asked
that he be made the nominee of the
convention by acclamation. This was
done amid great enthusiasm. For re-
corder Thomas Alston was named by
acclamation, as was also W. H. Dalton
for treasurer, both names going
through with a decided whoop.

The assessors contest was between
John Halverson and Milando Pratt.
Whoever was named would be the
assessor of the county. The announce-
ment of the vote was so highly favor-
able to Halverson that Pratt withdrew
in his favor and Mr. Halverson became
the nominee of the convention.

For auditor George H. Wood got the
nomination by acclamation, his name
being presented to the convention by
Judge Henderson. Then came the nom-
ination for county surveyor, the names
presented being W. H. Evans by G. A.
Whitaker, C. W. Hardy by John T.
Caine and George A. Snow by David
Evans. The vote resulted: Hardy, 225;
Evans, 221; Snow, 18. There being no
choice a second ballot was called for,
this resulting in a victory for Mr. Evans,
he having 214 votes as against 222
for Hardy and 8 for Snow.

For county attorney there were two
candidates named, Ray Van Cott by
Graham F. Putnam and Judge Howat
by David Evans. Considerable skir-
mishing was indulged in, the names
being those in the convention who
insisted that Judge Howat was not a
candidate, while others declared em-
phatically that he was. In the turmoil,
H. E. Dinny was nominated, but a few
minutes later he announced his
withdrawal in favor of Judge Howat.
A ballot was called for and while it
was taken announced Howat and Din-
ny withdrew and Mr. Van Cott was
declared the nominee of the convention.

Quick Colds

A draught, a quick cold;
Ayer's Cherry Pectoral, a
quick cure. Get well before
you have to think of weak
lungs, bronchitis, pleurisy,
pneumonia. Ask your doc-
tor what he thinks of this
advice. If he has better,
follow it. If not, follow ours.

"I have found Ayer's Cherry Pectoral the best all-round remedy for la-
grippe, bronchitis, and other lung
troubles that I have ever used. It has
benefited or cured in every instance."
—M. Lodeman, M.D., Ithaca, N. Y.
25c., 50c., \$1.00. J. C. AYER & CO., Lowell, Mass.

Then came the contest for sheriff which
was perhaps the most spirited of the
convention. Those placed in nomina-
tion were H. S. Naylor by C. B. Ste-
wart, John Howell by J. R. Leitcher,
Sam Dowse by J. C. Leary, Ben Har-
ries by J. G. Bywater and Joseph Hil-
bard by Neils Lind. Considerable
speechmaking was indulged in in favor
of all the candidates, but the ballot
showed that Naylor was a decided fa-
vorite, the vote being: Naylor 360, How-
ell 183, Dowse 56, Harries 18, Hilbard 2.
Naylor was declared the nominee.
At 12:35 the convention adjourned
sine die.

SHALL WE PERMIT IT?

Citizen Asks Pertinent Question About
Employing Girl Messengers.

I see through the papers that the
Western Union company proposes to re-
place the day messengers, now employ-
ed by them, with girls. From what I
have been able to learn this movement
is as yet only in its formative stage.
It is easier to drown a cub than it is
to kill a full-grown bear. We are
threatened with an evil, that insignifi-
cant in some respects, is still alarming
enough to call for a vigorous protest
from every lover of purity, and re-
spector and protector of the virtue of
our girls.

Those who know the true condition
of our city at present know that evil
and corruption of every nature exist,
and that every precaution is necessary
to guard our sons and daughters, our
brothers and sisters, from the influences
that are striving to destroy their moral
and religious life.

It is a well known fact that the mes-
senger service is especially subject to
corrupting influences. The awful con-
dition which exists among some of
some of the boys and young men en-
gaged in this work, only a few months
since, is no doubt fresh in the minds
of many of our readers. Though they
may have improved it is still a fact that
it takes a remarkably strong will to
withstand the continued contamination.
No one is particularly to blame for this
condition, it is a result of the de-
graded condition of the messenger ser-
vice. Still, those engaged are per-
force continually thrown into the so-
ciety of the worst element of the city
and are tempted to follow their lead.
Gamblers, prizefighters, brothel
keepers and the saloon element in gen-
eral. Shall we consent to have our
daughters and sisters mingle with this
class of people and partake of their
degradation?

I take the liberty of quoting from an
announcement in Thursday's "News."
"The girls employed will be from 12 to
16 years old, and will not be required to
carry messages to saloons or evil re-
sorts." True, but will they not come
under this influence? Will they not be-
come so familiar with the frightful face
of sin, that he will be but a few short
steps from the first shudder of hatred to
the final despairing embrace?

Are all those with whom these inno-
cent, unsophisticated girls come in con-
tact, so much better than the rest, so high
minded and pure that they will not take
advantage of this innocence?
No, there are many both men
and women who will strive
to besmirch the purity of these young
souls and drag them down into their
own mire.

That our girls, some of them only, it
is true, should be so jeopardized is
wrong. It is against every principle
of righteousness and justice that we as
a people are striving to advocate.

Fathers, mothers, think of your own
daughters at this tender age, and re-
sist budding into womanhood; new and
strange emotions are being born in
their souls, and they are just beginning
to grasp the first mysteries of life and
its wonderful possibilities and purposes.
This is the time of all others when
they should be most jealously guarded.
Nothing but the highest, purest, best,
and most virtuous influences should be
presented to them; for their charac-
ters are becoming matured and are
being bound by the chains of habit.

For county clerk O. F. Whitney
was named by David Evans, who asked
that he be made the nominee of the
convention by acclamation. This was
done amid great enthusiasm. For re-
corder Thomas Alston was named by
acclamation, as was also W. H. Dalton
for treasurer, both names going
through with a decided whoop.

The assessors contest was between
John Halverson and Milando Pratt.
Whoever was named would be the
assessor of the county. The announce-
ment of the vote was so highly favor-
able to Halverson
