dollars of government gold sold in New York to-day.

MORE "MORMON"-PHOBIA

ONE of the most prejudiced of papers is the Virginia (Nevada) Territorial Enterprise. In a late issue it concludes that "Mormonism, hemmed in on all sides, must perish," and points out how that consummation which it so devoutly wishes for should be brought about, which is by Congress repealing the Organic Act of Utah; taking the legislative authority in its own hands or placing it in the hands of spersed with streams and dotted commissioners (with a mission of providing a semi-military government for the Tertitled to land under the laws govritory; distranchising all "Morerning the occupation of public
lands." disqualifying them from sitting on juries, and placing the entire control of the Territory in and with considerable care inspect the hands of the "Gentiles;" turn- ed its value and true worth as one ing the "Mormon" delegate out of Congress, and putting a "Gentile"

The country demands, says the What would republicanism be werth in a land where such high-versing two separated northerly handed outrages upon the voice of and southerly routes." the people were perpetrated? Not

The San Francisco Chronicle gets hotter and wilder, and is evidently

a solitary red cent.

"We repeat it; if justice fails ven-geance should be invoked; and they who killed without law should also suffer without law."

City Parmens in Born Henis-teres - The San Francisco Chronicle talks thus of mayors and al-

ce of royalty, and is altoharacter. He is not a ward politi-

matches, and rash partizan men are best kept at bome. A few of those classes have made their way to Utah. They are a nuisance and a curse to any community.

whom the dispatches say is dead, was born in Odense, April 2nd, 1805. His first work in print was "A Journey on Foot to Amak," and see precised with great favor In 1833 he visited Italy, and in his novel "The Improvisatore" published his impressions of that land. His taken the lead in celebrating the J H Fowler and wife, Hilliard,
