WE COMPLEMENT THE PEOPLE OF UTAH on the promptness with which they took advantage of the stupendous values offered last week. We thank them, too, for the confidence in our announcements which their presence in great crowds conclusively proved. Last week's selling is "The Record" of our business lives. In order to reach or perhaps pass the record, we submit this week's bargain bulletin for consideration. Read every line of it, don't miss a single item, then act promptly.
