The zero isotherm passes through Nebraska and near the northern boundary of Utah.

COOKS MEET TONIGHT.

Special Session Called to Decide on Plan of Action.

A special meeting of the Cooks and Waiters' union will be held this evening for the purpose of determining what response shall be made to the action of the proprietors in ignoring the demands and refusing to arbitrate. The union, however, has transferred its initiative at this time to the Federation of Labor, and cannot therefore declare a strike, unless instructed so to do by the Federation. The latter will advise the union by telegraph. But most of the members of the union are in favor of forcing the issue and test the strength of the union at once.

AT IT AGAIN.

Bow and Arrow LaFayette in Trouble Once More.

Chief Hilton received the following telegram this morning from the chief of police at Detroit, Mich.:

"Send record and charge of LaFayette, arrested in your city in 1895." It will be recalled that in August of '95 LaFayette and Harry Fure were arrested in this city for working the Bow and Arrow game. They were arrested by then Chief of Police Pratt, and escaped punishment at that time, shortly after they were arrested by Detective Sheets and were given 140 days in the city jail. Little or nothing has been learned of them until now. From the telegram it would indicate that LaFayette is under arrest in Detroit and apparently has been up to some of his old tricks.

Desk Sergeant Livingston at once sent LaFayette's record, so far as known, to the Detroit authorities.

BANQUET AT SUGAR HOUSE.

Granite Stake Amusement Association Give Enjoyable Function.

A most enjoyable affair was held in the Sugar ward meeting house last evening under the auspices of the Granite Stake Amusement association, an organization recently effected for the purpose of promoting and controlling the amusements of the Stake. The event last night partook largely of the nature of a banquet and was the first affair given by the association. There were a large number of guests present, including the First Presidency, who were there by special invitation.

The festivities began with a few remarks by President Frank Y. Taylor, of the Granite Stake, who explained the object of the association, declaring that it was to promote innocent amusement in every ward of the Stake and to see that it was conducted with proper spirit and decorum. President Smith and both of his counselors briefly outlined the movement and congratulated President Taylor for introducing so excellent an idea. The rest of the program consisted of songs, recitations, refreshments, dancing, and an old-fashioned collation was served, in which the First Presidency participated very heartily.

The collation was a most successful one, and the program was well received by all present. The Granite Stake Amusement association is a most commendable organization, and its efforts to promote innocent amusement in every ward of the Stake are highly appreciated.
