A Word About Boys' and Youths' Shoes

We do not profess to sell shoes at a loss. We have our shoes made right, built on scientific principles, and of the best leather to be found. We sell them at prices which considering the selected leather used, and the care that has been taken in their manufacture, you will all agree as being exceedingly reasonable. The boys' feet do not have to be distorted and squeezed up to fit our shoes. Our shoes are made to follow the lines of the human foot, giving it an opportunity to grow and develop. The cut shows the correct principles on which all our shoes are modeled.
