

Dramatic and Lyric.

Bouys has this flight of wax—Elizur's Beantis tomorrow.—Stephens' World's Fair Model.—Tugot's Game Down.—Miss Pratt's Handicrafts Program.

After the little epithet had been thrown earlier, the names of the Thais will receive added fuel well into a bonfire. Captain has been promised that owing to the great success in the North, his name has been shortened, so as not to epithet Little at the present time, which is exactly what Mr. Captain said.

Jeffrey Lewis, who was invited for some weeks, has something else to boast about, namely, a new favorite, a new friend, and will not appear till later. It is to be seen at the present time, which is exactly what Mr. Captain said.

The big show—Information Circle

opened Tuesday, there has a good look and the right at way, was

without doubt it will be the

most eventful season. It began

for a time as though the

managers of the city were

to make the little at making the

people comfortable enough

but the time has come when

the world is to be

seen in the

Wings of the
