THE EVENING NEWS.

Thursday, . . . August 5, 1869.

LOCAL AND OTHER MATTERS.

TERRITORIAL FAIR.—We learn from R. L. Campbell, Esq., that he expects to be able to publish the list of premiums for the approaching Territorial Fair in a very few days. Messrs. F. A. Mitchell and J. R. Winder, the committee appointed to attend to this business, being actively engaged in preparing the lists.

A DAVIS COUNTY MAN MURDERED IN WHITE PINE.—The *Daily Inland Empire* of the 1st inst., published at Hamilton, White Pine, Nevada, contains an account of the probable murder of a man named Joseph Buys, who, it says, is from Centerville, Davis Co., Utah. Buys, according to the *Empire*, had been in White Pine three months, and at the time of the outrage had made every arrangement to return home, having received news of the dangerous illness of a younger brother. On the evening of the 30th ult., intending to start home on the following morning, he had been enjoying himself with a few of his friends, and having left them, he and another man named G. W. Thomas, who was going to travel with him, started for their sleeping place. On their way Buys was accosted by a man who asked him to take a run round town, seeing that he was going off next morning. Buys consented, and he and Thomas parted. Buys did not come during the night, and the next morning he was found on a ledge of rocks at the northern portion of the town of Hamilton, stretched at full length on his back, and upon examination it was found that his skull had been broken and smashed in in two places besides other severe cuts and bruises about his head and face. From one of the cuts in his head a piece of rock as large as an English walnut was extracted. He was taken to the hospital, but little hopes were entertained of his recovery. An Irishman named Ryan was arrested on suspicion of being the perpetrator of the deed.

THE SITUATION.—Our Local, after several hours' walk about town, brought us the following important items, regarding the condition of things in the city: Weather, hot; trade, dull; money, none; locusts, millions, Theatre, closed. Probate Court, adjourned; police, no business.

FLOOD.—We are informed by Bishop S. A. Woolley that a flood occurred at Little Cottonwood Kanyon on Saturday last. It was caused by the bursting of a cloud, which appeared to be about four miles long. The water rushed down the kanyon with tremendous velocity, carrying before it bridges, trees, huge rocks, &c. A large portion of the road was torn and washed away. Luckily no lives were lost. A number of persons had very narrow escapes. The engineer of S. A. Woolley's steam saw mill came near being carried away; but fortunately saved himself by clutching hold of a friendly tree; the current swept the shoes from his feet and tore part of his shirt from his back. The damage done by the flood amounts to about $3,000. The water was a foot deep in the dwelling houses in the kanyon. A party of men are now busily engaged in repairing the damage done. The road will, it is expected, be open for travel in about two weeks from now.

SUICIDE AT NEPHI.—We learn by Deseret Telegraph Line that shortly after sunset last evening Mr. William Stanly, of Nephi, committed suicide by blowing off the upper part of his head with his gun, causing immediate death. The deceased was very much respected for his honesty, faithfulness and industry.

MORGAN CITY.—The citizens of this place are commencing a bridge over the Weber river, to connect the two portions of the city; the prospects are that a good substantial bridge will soon be constructed. The harvest is promising in that locality, notwithstanding the frequent visits of the hoppers. So says Bro. Jas. T. Worlton, in a letter without date, written at Morgan city.

WEBER COUNTY MAIL.—A. W. Street, Esq., Postmaster, wishes to inform the public that the mail for Weber County, on and after to-morrow, until further notice, will leave Salt Lake City daily at 4 a.m.; the mail for Kaysville will leave at the same hour on Mondays and Thursdays.

SMALL POX UNDER CONTROL AT COALVILLE.—Bro. Thomas Bullock, of Coalville, Summit county, called in this morning and related to us the introduction and progress of this disease in that city. His recital was in substance as follows:

Peter Brown, Deputy Sheriff of Summit county, went from Ogden to Corinne to serve a writ, and on his return to Coalville he was seized with sickness and confined to his room eight or ten days. Upon getting around again his face bore the unmistakable evidence of small pox. In a few days after some of the members of the family of his brother-in-law and sister, Mr. and Mrs. Henry Evans, were taken sick, and one of their children has since died, it is supposed of the same disease, although a committee, appointed by Bishop Cluff to investigate, reported to the contrary. Miss Emma Wild, who, according to Brother Bullock, is the Florence Nightingale of the mountains, who had attended the Evans family, was next taken. This seemed to confirm the idea that it was the small pox, and the City Council forthwith adopted prompt and energetic measures for the control and suppression of the disease. A small pox hospital was at once established, some two miles from Coalville, to which several known to have taken the disease have since been removed.

The members of the County Court, with Mayor Cluff, met together last Friday, for the purpose of adopting precautionary measures. They recommend all the people to be vaccinated, and advise all who may have been exposed to the influence of the disease to stay at home until every likelihood of its development has passed away, or if developing to remove at once to the hospital. A resolution was passed that any person leaving Coalville without a pass, signed by W. W. Cluff, Mayor of the city, stating that they are perfectly free from the contagion, shall be fined $50. Notices to the above effect have been posted in several of the most conspicuous places in the vicinity.

The authorities at Coalville feel sanguine that they have now got the disease under complete control.

All persons visiting Coalville, or the coal beds, are requested to transact their business and go on their way with as much dispatch as possible, so as not to run any unnecessary risk from exposure in any portion of the infected locality.

Brother Bullock informs us that Mayor Cluff has used the utmost energy in this matter, and has vaccinated some scores of children.

We sincerely hope that the efforts made at Coalville to stay the progress and further development of this disease will meet the success they deserve; and that if it should make its appearance in any other settlement in the Territory similar vigilance will be exercised by the authorities there.

MORNING DAILY PAPER.

AT the request of many citizens and patrons of the **Salt Lake Telegraph**, the undersigned has concluded to publish the **Telegraph** in Salt Lake City, as a Morning Paper, commencing at the earliest possible date.

It is proposed to furnish the **Telegraph** to subscribers by carriers, who will collect according to subscription, and whose interest it will be to deliver the paper with punctuality and regularity at the houses of their patrons.

The credit system which has heretofore prevailed in publishing papers in this country has been very prejudicial to all concerned. It has been ruinous to the publisher and unsatisfactory to the patrons of the paper. Believing that the growth and advancement of the city demand it, we design, if the public will support us, to issue a paper that will contain the news of the whole world, and make such improvements in conducting it as our past experience will enable us to do; and to obviate the credit system we will receive subscriptions by the week month, quarter, half-year and year.

Subscriptions can now be handed in to the office of the **Salt Lake Telegraph**, in this city, at the following rates.

1 Year,	$12 00
6 Months,	7 00
3 "	4 00
1 "	1 50
1 Week,	40
Single Copies,	10

MAILED TO ANY ADDRESS:

1 Year,	$10 00
6 Months	6 00
3 "	3 50

The DAILY will be delivered every morning, except Monday, between 3 and 6 o'clock. The SEMI on Thursday and Sunday mornings. The WEEKLY on Sunday morning.

These papers will be conducted with care and every attention given to their prompt delivery. Collections made on the subscriptions by the week, every Monday, and on the other subscriptions in advance. The Carriers are furnished with printed receipts for all subscriptions.
