COMMUNICATIONS, both verbal and written, have been received from sources which we deem reliable, giving accounts of methods that have been adopted by some of Marshal Dyer's deputies, which are, to speak with mildness, entirely illegitimate. Recently the town of Wellsville was raided. by, a number of deputy marshals, who made every effort to capture the individuals they were after, but without success. Presumably spurred by disappointment, they began resorting to a species of strategy in violation of the personal rights of individuals. When they saw some reputable citizen on the street, they would approach him, and with a show of authority, require him to accompany them from one part of It is from the pen of Mr. J. S. Stanger, the town to another. They produced, while thus behaving, no warrant of arthe victim of their stratagem to supobject of this course is apparent; they were evidently trying to make stool pigeons of citizens in whom the com-
