The Teacher

Who advised her pupils to strengthen their minds by the use of Ayer's Sarsaparilla, appreciated the truth that bodily health is essential to mental vigor. For persons of delicate and feeble constitution, whether young or old, this medicine is remarkably beneficial. Be sure you get Ayer's Sarsaparilla.

"Every spring and fall I take a number of bottles of Ayer's Sarsaparilla, and am greatly benefited."—Mrs. James H. Eastman, Stoneham, Mass.

"I have taken Ayer's Sarsaparilla with great benefit to my general health."—Miss Thirza L. Crerar, Palmyra, Md.

"My daughter, twelve years of age, has suffered for the past year from

General Debility.

A few weeks since, we began to give her Ayer's Sarsaparilla. Her health has greatly improved."—Mrs. Harriet H. Battles, South Chelmsford, Mass.

"About a year ago I began using Ayer's Sarsaparilla as a remedy for debility and neuralgia resulting from malarial exposure in the army. I was in a very bad condition, but six bottles of the Sarsaparilla, with occasional doses of Ayer's Pills, have greatly improved my health. I am now able to work, and feel that I cannot say too much for your excellent remedies."—F. A. Pinkham, South Molouncus, Me.

"My daughter, sixteen years old, is using Ayer's Sarsaparilla with good effect."—Rev. S. J. Graham, United Brethren Church, Buckhannon, W. Va.

"I suffered from

Nervous Prostration,

with lame back and headache, and have been much benefited by the use of Ayer's Sarsaparilla. I am now 80 years of age, and am satisfied that my present health and prolonged life are due to the use of Ayer's Sarsaparilla."—Lucy Moffitt, Killingly, Conn.

Mrs. Ann H. Farnsworth, a lady 79 years old, So. Woodstock, Vt., writes: "After several weeks' suffering from nervous prostration, I procured a bottle of Ayer's Sarsaparilla, and before I had taken half of it my usual health returned."

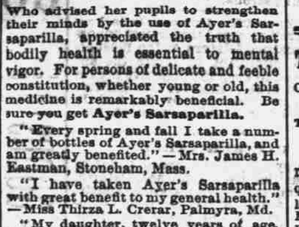
THE PATENT

Wire Gauze Oven Door

IS THE LATEST IMPROVEMENT ON THE



It Produces Practical Results in Baking and Roasting never before attained in any Cooking Apparatus, and will

Revolutionize the Present Methods of Cooking

ITS THEORY

Is that all Food Bakerd or Cooked, should be cooked in fresh air freely admitted to the oven. This is done by discarding the close oven door heretofore used, and substituting for it a door, containing a sheet of Wire Gauze nearly as large as the door itself.

Through this Gauze Door the air freely circulates, facilitating the process of cooking, and producing food that is unequalled in flavor and nutrision, and actually cooked with less consumption of fue than in an oven with a closed door.

It makes a enormous saving in the weight of meat.

It also produces larger Loaves of Bread, requires less attention from the cook, and promotes the health of the family by the SUPERIOR QUALITY OF THE FOOD COOKED IN IT.

OPINION OF AN EXPERT.

MRS. MARY B. WELCH, Teacher Domestic Economy, Iowa State University, says: "My deliberate judgment is that the oven of the Range, as compared with others, is not only more equally heated in every part—front and rear—but as a result of its superior ventilation the food placed therein is better cooked, while retaining a sweeter flavor, and a larger proportion of its best juices. I find, also the consumption of fuel in this Range is much less than any other or same work.

HARRISON AND MORTON.

The Latter's Grand Reception in Indianapolis.

INDIANAPOLIS, Dec. 14.—Gen. Harrison and Mr. Morton passed a rather quiet day. They did not have a very large number of callers at the house. Mr. Morton is still somewhat indisposed on account of his sore throat. Among the callers today were General Washburn and Colonel Underwood, of Minnesota. Colonel Underwood is president of a Harrison and Morton club of Minneapolis, which has a membership of 2,000, of whom sixty have decided to attend

THE INAUGURATION

in a body. Mrs. Morton and Mrs. Harrison had a number of callers during the day. For a time this afternoon General Harrison was besieged by newspaper correspondents, who were in a flutter of excitement over the report published in New York this morning to the effect that Blaine had been tendered the State portfolio. Efforts on the part of the correspondents to induce General Harrison to talk upon the subject proved a flat failure. Immediately after his election, General Harrison caused it to be known to the press representatives that he would neither affirm nor deny any reports or stories regarding himself or what he proposed to do. He has observed this rule with a rigidity that eminently characterizes his disposition, and when appealed to, on the ground of its extraordinary nature, to give some expression on the Blaine report, he replied with

CONSIDERABLE EMPHASIS:

"It makes no difference what its nature or import, or through what channel it comes, I cannot allow myself to be troubled with questions about such things. If I should say anything once, I would be expected to again, and you can see what it leads to."

An Associated Press reporter conversed with Mr. Morton this afternoon and told him that the Blaine story seemed to have caused a great deal of excitement in eastern political circles, judging from the character of the press dispatches. Mr. Morton remained as dumb as a sphynx upon the subject. It may be stated, however, that no one can be found of those who are about Mr. Harrison, and who are likely to know, who place any credence whatever in the reported tender of the State portfolio to Mr. Blaine.

THE VICE-PRESIDENT-ELECT

and Mrs. Morton will conclude their visit tomorrow and leave home at 4 o'clock in the afternoon, stopping over Sunday in Buffalo. Mrs. Morton is anxious to return to her children, and is feeling indisposed. She didn't accompany Mr. Morton down to the city tonight, where a brilliant reception was held at Tomlinson Hall.

The public reception tendered to night to Vice-President-elect and Mrs. Morton by the citizens of Indianapolis was the most brilliant affair of the kind ever witnessed in this city. The great hall was tastefully decorated with flowers, bunting, banners and pictures of General Harrison and the distinguished guest of the occasion. Shortly after 8 o'clock Mr. Morton entered, accompanied by Mrs. Harrison, and followed by General Harrison escorting Mrs. Bergland. They took their places in the centre of the long line of

DISTINGUISHED GUESTS.

Next to General Harrison and Mrs. Bergland stood Mrs. J. R. McKee, the handsome daughter of the President-elect, with her sister-in-law, Mrs. Edward McKee. Then followed Governor and Mr. Gray, Mayor and Mrs. Denny, Preme Gray and wife and others. At the head of the line stood the Vice-President-eleet and Mrs. Harrison. On the floor of the hall and around the sides had been placed seats, which were quickly filled, and perhaps 250 people were seated in the galleries watching the brilliant spectacle before them. The crowd was admitted at the front door on Market Street and passed slowly down the hall in line two abreast, and shook hands with Mr. Morton and General Harrison. Many of them also shook hands with Mrs. Harrison, but after half an hour, the ladies becoming tired, stepped back and occupied seats the remainder of the evening, Mrs. Harrison occasionally coming forward, sometimes to the general's side and again to the side of Mr. Morton. The

STREAM WAS ENDLESS,

extending far down through the hall and into the street nearly two blocks distant. Every one had to get at the end of the line before they could enter. It is estimated that 10,000 people passed through the hall, not all of whom, however, had the chance to shake hands with the President and Vice-President-elect. From 2000 to 3000 were turned away. About all the society people in Indianapolis were present. As many, if not more, ladies than gentlemen were there. Shortly after 10 o'clock the party retired.

Mrs. Harrison and Mrs. Morton were entertained by Dr. and Mrs. Allen this afternoon at 5 o'clock tea given in their honor. Mrs. Schuyler Colfax and Mrs. Senator McDonald, were among the many prominent ladies present.

A MINISTER'S STATEMENT.

I Expect to be Believed in all I am about to say—I write for the good of others.

"I am now at an age when a man should speak words of truth and soberness, having reached the alloted term of three score years and ten, and having devoted my time in the pulpit impressing lessons of wisdom to my fellows. Mine is a common story of physical suffering and how I was delivered from it; and my desire is to mention the facts as though no one were interested save myself and those who may read these lines. I was long troubled with a stubborn affection of the kidneys and bladder. I had painful gravel deposits, and at times enlargement of the prostrate gland. Despite all the professional help I could get I grew steadily worse. In this extremity I first learned of Dr. David Kennedy's Favorite Remedy, made at Rondout, N. Y. I took the wise course. I privately inquired into Dr. Kennedy's personal character and professional standing at his home in Rondout, N. Y. The result was more than satisfactory. I discovered him to be a highly educated and experienced physician and surgeon, respected and trusted at home and abroad—a man whose career has been a long and open success. I bought a bottle, however (the price being only $1.00) taking nobody into my confidence. The good effects cheered and emboldened me. I bought another, following the clear directions; and now I want to make known the good it has done me. The disease has relaxed its hold and I look forward to spending the balance of my life free from bodily torture, and with a heart grateful for the medicine which affords me so pleasant a prospect." CHATTANOOGA, TENN., June 27, 1883—Swift's Specific Co., Atlanta, Ga.—Gentlemen: In the early part of the present year, a bad case of blood poison appeared upon me. I began taking S. S. S. under advice of another, and to-day I feel greatly improved. I am still taking the medicine and shall continue to do so until I am perfectly well. I believe it will effect a perfect cure. COLUMBIA, S. C., July 7, 1888—The Swift Specific Co., Atlanta, Ga.—Gentlemen: I was a great sufferer from muscular rheumatism for two years. I could get no permanent relief from any medicine prescribed by my physicians, but after a dozen bottles of your S. S. S., and now I am as well as I ever was in my life. I am sure your medicine saved me, and I would recommend it to any one suffering from any blood disease. Yours truly,

O. K. HUGHES, Conductor C. & G. R. R.

WACO, TEXAS, May 3, 1888—Gentlemen: The wife of one of my customers was terribly afflicted with a loathsome skin disease, that covered her whole body. She was confined to her bed for several years by the affliction, and could not help herself at all. She could not sleep from a violent itching and stinging of the skin. The disease baffled the skill of the physicians who treated it. Her husband began finally giving his wife Swift's Specific, and the commenced to improve almost immediately, and in a few weeks she was apparently well. She is now a pearly, fine looking lady, with no trace of the affliction left. Yours very truly,
