YOKOHAMA, Japan, 7.—The Min-body of rival politicians, teveral fac-tions struggling for suprematy to the neglect of public business. The finances are struggling since the spectrum in which the prepara-tions are being conducted, create the utmost uneasiness among all classes of society. The government has ordered that increased surveit-has orde

best treasury manager the country has produced. The currency is at a discount of 60 per cent. with no systematic effort to restore it. Several National banks have failed under disgraceful circumstances. The whole banking system is under popular suspicion. Many of the great Departments are governed by notoriously unsuitable heads, who hold their places through political intrigues. The Postoffice Depart-ment, for years one of the finest successes of the country, a year ago was put under one of the scramb-ling politicians. Already there are complaints from all quarters that the expenditures are exceeding the income. It is reported the Navy Department has petitioned for \$10, 000,000 to purchase new ships of war. The money could not be raised without enormous sacrifice, but without enormous sacrifice, how with empty treasary, disordered mannees in a course of extrava-gance, calculated to justify the most anxious forebodings.
