

MR. CLEVELAND FAVORS PARKER.

Find in Movement for Him the
"Greatest Possible Relief and
Satisfaction."

HE IS SAFE AND CONSERVATIVE.

Should He be Nominated, He is En-
titled to Hearty and Unreserved
Democratic Support.

New York, April 5.—In a dispatch
from Princeton, N. J., to the World,
former President Cleveland is quoted
as finding in the movement looking to
the nomination of Judge Alton B.
Parker for the presidency the "great-
est possible relief and satisfaction."

Mr. Cleveland is further reported to
have said:

"I do not see how any one professing
to be a real, intelligent Democrat, can
hesitate to accept Mr. Parker, if he
should be nominated, as a fit repre-

presented to take them over, the vote
was 12,000 for and 48,000 against. On
the question of whether or not the
members of the board of education
should be elected by direct vote of the
people instead of by executive appoint-
ment and a confirmation by the city
council, as is the present usage, the
vote was 115,353 for and 58,482 against.

ST. JOSEPH.

St. Joseph, Mo., April 5.—The Demo-
crats elected W. E. Spratt mayor and
two councilmen today; the remainder of
the Republican candidates, comptroller,
president of the council and two
councilmen, being successful. The pres-
ent administration is straight Republi-
can.

OMAHA.

Omaha, April 5.—Municipal elections
were held in Nebraska today, except in
Omaha. The issue generally was
on the question of license or no li-
cense. The campaign in South Omaha
was hotly contested on party lines. Re-
turns received to 10 p. m. indicate that
the Democrats have elected Thomas
Hoctor mayor, with the remainder of
the ticket Republican. A large ma-
jority of the outside towns reporting
thus far have voted for high license.

MILWAUKEE.

Milwaukee, Wis., April 5.—Mayor
David S. Rose, Democrat, carried the
city in the municipal election, having
a plurality of 5,912 over Guy D. Goff,
Republican. Victor L. Berger, Socialist
Democrat, ran over 2,000 votes behind
Goff. The vote for mayor was: Rose,
22,515; Goff, 17,603; Berger, 15,333.

The Democrats also control the com-
mon council, electing 24 members; Re-
publicans, 13, and Socialist Demo-
crats, nine.

Five hundred thousand dollars was
voted for a municipal lighting plant.

waukee, from which returns had been

election today resulted in a mixed
victory. The Democrats elected George
F. Wright mayor and four councilmen
and the Republicans controller, treas-
urer and four councilmen.

The defeat of Mayor Campbell for
re-election was due to opposition to a
third term and the mayor's alleged
friendship for Gov. McBride, it being
reported there was a combine between
them on state and senatorial candi-
dates.

POCATELLO.

Pocatello, Ida., April 5.—At the city
election today the Republicans elected
every candidate except treasurer, by
the following majorities: Swinehart,
mayor, 393; Elrod, clerk, 21; Sonnen-
kauf, engineer, 209; Williams, council-

PROTECTION OF THE PRESIDENT.

Minority of Senate Committee on
Judiciary Makes an Adverse
Report.

CREATES DISTINCT CLASSES.

Gives Them Higher Degree of Protec-
tion Than Other Officials, Citizens
And Inhabitants.

Washington, April 5.—A minority re-
port on the bill introduced by Senator
Hoar to provide for the protection of
the president of the United States, was
submitted today from the committee
on judiciary.

Senator Pettus, Culberson, Black-
burn and Patterson, Democratic mem-
bers of the committee, signed the re-
port.

It states that the title is misleading
and tends naturally to enlist the sym-
pathy of all Americans and secure a
support which the bill would not re-
ceive if it were general, and that its
provisions were extended to all of the
cabinet officers and all foreign ambas-
sadors and ministers to the United
States.

The purpose of the bill, the report
says, is to set apart these four dozen
men as a superior and distinct class,
entitled to a higher degree of protec-
tion than other officials, citizens and
inhabitants of the United States.

The minority members of the com-
mittee say they yield to none in the
desire to protect the president and
punish the enemies of the government
and social order, "but in the accom-
plishment of this laudable desire we
are unwilling to put upon the statute
books a law which will invade and
destroy the most valued principles of
republican institutions; which will
take from the states their rightful
jurisdiction over crime, which they
have never surrendered to the general
government; which will overturn the
recognized policies and procedure of 100
years, and which, not content with the
provisions respecting the president, sets
apart some 45 or 50 other men as a
separate class, whose persons shall be
more sacred in the eye of the law than
others of the 60,000,000 inhabitants of
the United States."

The report cites paragraphs of exist-
ing laws and sections of supreme court
opinions as ample for the protection
of the persons of others than the pres-
ident of the United States. It is de-
clared that the jurisdiction conferred
on the federal courts in the first sec-
tion is in violation of the Constitution
of the United States.

THE PAPER TRUST.

Resolution Offered in House for
Its Investigation.

Washington, April 5.—The resolution
of Representative Lilly instructing the
secretary of commerce and labor to
investigate the high price and scarcity
of news print paper and the causes
which have produced these conditions
was the subject of discussion today be-
fore the house committee on judiciary.
Don C. Zeitz of the New York World,
and John Norris, business manager of
the New York Times, were heard. Both
covered practically the same ground in
statements that the International Pa-
per company and the General Paper
company had divided the United States
between them in the control of the
news print paper. The International
controlled all that section east of the
Indiana line and the General com-
pany the territory west of that line.
This combination, it was testified to,
had raised the price of newspaper dur-
ing the last four years \$14 a ton and
during the past year as much as \$5
a ton; it was selling paper in London
of the properties it had \$55,000,000
invested in plants not worth over \$25,000,
000 and was charging prices for paper
to pay dividends on the larger
amount. Mr. Norris said the trust di-
vided in one instance the size of paper
a newspaper should use, thereby pre-
scribing the kind of press that should
be operated.

The reduction of the tariff on wood
pulp and paper was suggested by Rep-
resentative De Armond as a remedy.
Mr. Zeitz answered that although him-
self a Democrat he had understood
that the tariff was not to be disturbed
at present and he believed there was
enough evidence of the illegality of the
combination to proceed against it under
the Sherman anti-trust act.

A CONFIDENTIAL CHAT.

"It's perfect nonsense, Bessie, for you to
talk of being laid on the shelf. Why, it all
depends on yourself. Forget your worries,
your aches and ailments, and I did, take
plenty of out-of-door air, cultivate happi-
ness by not allowing your mind to dwell
on the trifles and the worries of life. I sent
thirty-one cents in stamps to Dr. R. V.
Pierce, of Buffalo, N. Y., for his Common
Sense Medical Advice, and found it con-
tained much useful information about the
care of my health, about physiology, anat-
omy, and everything a woman should know.
I then decided to write Dr. Pierce and tell
him all about my ailments. I received such
a nice, carefully considered and confi-
dential letter, in reply, giving me advice
about my diet, exercise and all. This
advice is free to everyone and I wonder you
don't write him at once. It didn't take me
many months to regain my good looks.
Ever since I was fifteen I have suffered
untold agonies periodically but now I am
free from pain, worry and bad temper. Oc-
casionally I look in the mirror and I feel
pale—this for the complexion, and to
stimulate the liver. Then I took Dr.
Pierce's Favorite Prescription three times
a day for those womanly weaknesses I
told you about. That's my secret of
beauty. It's the easiest thing in the world
to be happy and keep one's good looks.
Look at the thousands of women who have
been made well by Dr. Pierce's Favorite
Prescription; look how they keep their
good looks. Dr. Pierce offers \$500 reward
for any case of Leucorrhoea, Female Weak-
ness, Protrusion, or Falling of Womb which
he cannot cure. All he asks is a fair and
reasonable trial of his means of cure."

PERHAPS AN EPISCOPALIAN.

W. K. Vanderbilt, Jr., who has
broken the world's automobile record
in Florida, was hunting not long ago
on the Vermont estate of his relation,
Dr. Seward Webb.

One morning Mr. Vanderbilt and a
young English clergyman wandered
with their guns far out into the coun-
try. They came, finally, to a lonely
cabin, and the clergyman said:

"I shall stop here to drink and
to inquire into the status in this neigh-
borhood of the Established church."

Accordingly the young man stopped,
and an aged agriculturist with a long
white beard directed him to the well.

"Ah, by the way," the clergyman
said to the old man, "have you any
Episcopalians hereabouts?"

"Hey?"

"I say, have you any Episcopalians
hereabouts?"

"I don't know, stranger," said the
old man, "but my son John shot some-
thing or other on Bald mountain yes-
terday, though I think he called it a
woodcock."

WRITES A LETTER ABOUT VINOL.

How Pale Women May Get Strength,
Rich, Red Blood and the Bloom
of Health in Their Faces.

A pale, bloodless face indicates trou-
ble; it is a sign of weakness, and as we
see so many right here in Salt Lake
City the following letter will interest
many of our readers:

Mrs. E. H. Dunakin, State Chairman
of Correspondence, Woman's Literary
Union of Pennsylvania, writes: "I suf-
fered for over a year with general de-
bility and weakness; I had severe back-
aches, headaches, and was pale and
nervous. My physician prescribed dif-
ferent remedies, but they did not seem
to help me at all. A club associate
recommended Vinol, as it had cured
her of a severe stomach trouble. I tried
it, and soon felt greatly improved, and
after taking four bottles I can say
I am free from all my troubles, and it
has made me well once more. Several
of my friends are using it with ben-
eficial results for lung and stomach
troubles."

MRS. E. H. DUNAKIN.

troubles and to restore lost strength."

Druehl & Franken, our well known
druggists, say: "There is absolutely no
need for people to drag around weak,
pale, nervous, run-down and de-vital-
ized, for they guarantee that Vinol will
in a natural manner build up the weak,
give strength to the aged, restore color
to pale faces, cure stomach troubles,
nervousness, hard colds, hacking coughs
and make rich, red blood. Containing
all the vitalizing principles
of cod liver oil, without any oil to up-
set the stomach, Vinol is the most
wonderful restorer of health and
strength known to medicine; it is not
a patent medicine, and is absolutely
free from all harmful drugs."

If it fails to give satisfaction money
is refunded without question, and it
will pay every weak or ailing person in

entative of safe and conservative
Democratic principles, entitled to hear-

port.

According to the World's correspond-
ent, Mr. Cleveland said regarding the
platform of his party this year:
"There are certain Democratic doc-
trines believed in by the conservative
element of the party which will con-
tinue at St. Louis. These doctrines
should, in an event, be evaded. Such
as these as appear to furnish at this
time the most valuable campaign is-
sues should be given the most promi-
nent place, and should be announced in such
a way as to exclude all doubt as to
their meaning and all appearance of
compromise."

MUNICIPAL ELECTION RESULTS

Chicago, April 6.—In the municipal
election today the Republicans elected
19 aldermen, the Democrats 16, and
one Independent Republican, who re-
pudiated the "machine" in the sixth
ward, was chosen a member of the
council. The last council was com-
posed of 16 Republicans, 22 Democrats, one
Independent Democrat and one Social-
ist. The next council will be formed
of 16 Republicans, 21 Democrats, two
Socialists, one of whom is a Demo-
crat and the other a Republican, and
the Socialist.
