Our Dress Flannel Department is thorough and complete in all recent choice designs. Buyers are requested to order early, as the line is now full.

Retailers in this and neighboring territories will save time, money and expense by ordering from us instead of sending East, as our assortment is so large, they will be able to make selections without stocking up with unsalable goods, in fact no dealer, however remote from business or manufacturing centres can afford to pass by this city with a view of purchasing elsewhere. In short, during a season unparalleled for fluctuations in
