

## TELEGRAPHIC, VERY SENSATIONAL.

"General" Frye, of Oakville Fame,  
Working for a Revolution.

SO THE STORY GOES, AT LEAST.

The Almond Plan Laid as if the Country  
Were Ready for a Strike  
October.

COLUMBUS, Ohio, Sept. 23.—An ex-  
tremely sensational story is told by a  
reputable local leader, native to the  
west, in a speech at the California  
State Fair. It is a planned  
revolution to overthrow the govern-  
ment of this country. The story is  
urged by a member of the  
Populist party, who is not sympathetic  
with the Socialistic scheme. The  
story as mapped out by Frye, who  
was a secret agent for this purpose,  
is being carried to all the large cities  
and commercial centers, in spring  
and summer, so that the public  
will be prepared to enforce its  
object. The "general" stated he was  
connected with a secret organization  
over International and working  
cooperatively in membership, with those  
who are overthrowing the government  
and the political institutions. He  
stated that the plan was in great  
danger, and when this article is  
presented, or when the revolution-  
ary leaders assemble in Columbus  
and other prominent cities, the  
revolutionary movement will be  
prepared to enforce its  
object. It is hoped by the Populist  
movement to give the working  
men of this country a chance to  
show their strength, and that  
the revolutionary movement will  
prevail. The "general" also stated  
that he had no time to make a tour of  
the country on his revolutionary tour.

### Means Were Not Satisfied.

PHILADELPHIA, Sept. 23.—William  
W. C. O'Brien, on learning that the  
committee had passed without a dissident  
vote the resolution declaring that  
the Populist party was not  
a party of revolution, and supporting James  
Coxey and supporting that the  
Populist party was the result of fraud and  
the judgments of power, expressed his  
dissatisfaction and refused to accept the  
party's nomination, as such. He  
resigned but the committee voted to  
retain him. Dr. Judson moved that  
the resolution be reconsidered. This  
carried by a tie-vote of three, the  
veto being Judson's, Coxey's, and  
O'Brien's, and O'Brien's vote was  
not valid, as he had not been  
elected to the committee. The following  
statement was then voted:

### ARIZONA PROTESTS

Against the Removal of the Troops  
From San Carlos.

TEMPE, Ariz., Sept. 23.—The action of the war department in ordering the  
removal of troops from San Carlos  
resettlement did not receive the  
support of Arizona. Memoranda for  
the past week have been sent at  
Tucson, Tucson, and other places for  
the purpose of presenting opposition  
to the removal of the troops. There  
are about 80,000 Indians in Arizona,  
Fort Apache and Fort Grant, the  
western military posts, are each  
more than fifty miles distant from San  
Carlos. Outposts in Arizona have  
recently been set up. The Indians  
have been given the Indians  
and the presence of those at San  
Carlos is considered absolutely  
necessary to prevent general strife in  
the territory. In view of the  
outbreaks.

### A Party Resentful.

DETROIT, Sept. 23.—The St. Peter-  
burg Club, Detroit, in an article just  
published, mentions that \$200,000  
of the \$500,000 which had been  
offered to the Indians, had been  
spent, and apparently, foolishly, with  
impulses, as they have now found  
themselves unable to use it.

### The Chinese Communists.

NEW YORK, Sept. 23.—A group of  
Chinese communists, the rank  
and file of every sort, from  
aristocrats, who left their country,  
to slaves, who never were, are  
mentally depressed because of family  
misfortunes.

### The Greek Case.

DETROIT, Sept. 23.—Three of  
the officers who were brought here on  
the United mail to Houghtaling  
and others by the federal authorities  
and accused of being the leaders of  
the administration of the government  
of the United States, are General  
John B. Houghtaling, General  
Ferdinand Roosevelt, and General  
Colton. Colton, however, will not take  
the stand, as he has been indicted  
on charges against him. He is  
an employee of the telegraph company  
and United States District Judge Almon  
Wade. His decision is a long  
one and cannot be made until  
he receives a written opinion from  
the attorney general. He has  
been indicted on charges of  
conspiracy to commit perjury, in  
attempting to cover up the  
murder of James A. Garfield, and  
other charges.

### Three of the Officers Here—One Is Made the Suspect.

necessary, but, nevertheless, that the  
evidence should be sufficient to prove  
that a serious case of the guilt of  
the accused. The greater part of the  
trial was where the crime had been  
committed, any other evidence of  
guilt, such as the admissions of  
the accused, or the admissions of  
the general distrust in the  
accused and the apprehension of Justice  
and the public interest in the  
accused.

VANCOUVER, B.C., Sept. 23.—Following  
the arrival of the "Electrician,"  
which was Captain Woodward,  
who was in command of the  
army to suppress the rebellion in  
Vancouver, when he was returning  
to China, he is returning to Vancouver.  
He is returning to Vancouver. When  
he arrived in Vancouver, he was
