LAST NIGHT'S DISPATCHES

EASTERN.

A Scoundrel Arrested.

NEWARK, N. J., 19.—Wm Cunningham, a resident of this city, was arrested to-day, charged with conspiring to assassinate his wife; he was surrendered by a party whom he had hired to kill his wife, agreeing to pay a thousand dollars for it.

Failure of an Old Firm.

The failure of Gross, Marsh & Co., tea and coffee merchants, 99 Wall Street, is announced. The firm have been in business thirty-five years, and always stood well, but the recent shrinkage in the price of teas, the disturbance from the tariff discussion and the fluctuation in gold have carried them down. Well authenticated reports place their liabilities at not less than half a million, while their total assets are estimated at $350,000. Another account says their liabilities are nearly six hundred thousand, on which the firm offer sixty per cent.

River Falling.

PORT DEPOSIT, Md, 19.—The river has fallen three feet since morning.

Great Damage.

COLUMBIA, Pa., 19.—The loss by the ice and flood at Marietta is very heavy; many rafts have been swept away.

Hanged.

BRENTVILLE, Va., 19. — Jesse Fouks, colored, the murderer of the Herndon family in this county, last December, was hanged here to-day.

Want the Black Hills—Republican Caucus.

WASHINGTON, 19.—The interior department, under the advice of the President, is very anxious to bring a delegation of Sioux Indians to Washington, to negotiate for the modification of the treaty of '68 in regard to the Black Hills country, and the hunting privileges of the Sioux north of the North Platte and on the Smoky Hill Fork of the Republican River. There being no appropriation from which the expenses of this delegation can be paid, the interior department and Indian office have asked the advice of the Senate committee on Indian affairs as to the propriety of bringing on the delegation and trusting to Congress to replace the funds necessarily used.

The caucus of republican senators, this afternoon, finally agreed, with but two or three dissentists, to a resolution substantially the same as Frelinghuysen's, differing only in phraseology. The question to be decided at the adjourned caucus to morrow is, whether the republican senators will remain in session until the resolution can be acted on in the Senate.

Exaggerated.

HARRISBURG, 19. — Reports of damage to the lines of the Pennsylvania Railway Company by the ice have been much exaggerated; there has been no damage which caused a delay of trains except on the river line, between Columbia and Middletown.

That Veto.

CHARLESTON, S. C., 19.—Speaker Elliot, of the House of Representatives, ruled that the governor's veto of the bill to liquidate the floating debt of the State is void, not having been issued within the specified time; the matter was finally referred to the judiciary committee, who report that they are unable to agree upon the status of the bill.

Riotous Miners.

COLUMBUS, O., 19.—The trouble among the white and colored miners at Straitsville has broken out again. It began in an attack upon and maltreatment of the colored miners by whites, and resulted in the superintendent and foreman of the mines and twenty-five colored miners being driven away. McClurg, the superintendent, was shot and badly wounded by a miner with whom he got into an altercation. Dan Harbaugh, an employee of the company, who arrived here from Straitsville this a.m., reports that the company's store was burned last night, with its contents, by the miners. Governor Allen has sent the adjutant-general to Straitsville, where he will meet the sheriff of Perry Co., this evening. All the colored miners have left Straitsville except two, who are too badly wounded.

WESTERN.

A Desperado Executed.

SAN FRANCISCO, 19.—The bandit Vasquez was executed to-day at San Jose. No attempt was made at rescue, though one was feared a day or two ago. Everything passed off quietly. Vasquez asserted to the last his innocence of the crime of murder at any time during his career, but acknowledged the justice of his fate, he having been the leader of a murderous band. The coolness he displayed throughout his imprisonment did not desert him, but he maintained his fortitude to the last. The execution took place at 1.35 p m. He died without a struggle. The body was given to his friends for interment.

FOREIGN.

GREAT BRITAIN.

Mitchell's Life Despaired of—Ratified.

LONDON, 19.—A dispatch from Newry says that Jno. Mitchell is sinking fast, and that his life is despaired of.

Belgium and Portugal have ratified the postal convention.

FRANCE.

Dissolution.

PARIS, 19.—At a meeting of the bureau to-day, the ministers stated that the question of dissolution was subject solely to the decision of the Assembly, but it would be dangerous to the foreign and domestic relations to fix the date long before the event.

PRUSSIA.

Passed—Indemnity to be Enforced.

BERLIN, 19. — The Landtag, to-day, adopted all the clauses of the ecclesiastical bill, and it passed the second reading.

The frigate *Ariadne* has been ordered to Swatow to support the demand for indemnity for the plundering of the bark *First Bismarc.*

OH! all you good people who value you health,
And think of your comfort as well as your wealth,
Remember that now, just now, is the time
To sweeten your houses with whitening or lime.
The cobwebs are hanging to ceilings and wall,
And rooms look quite dismal as Winter or Fall,
Unless they are washed and made clean and light
With Cooper's best mixture, or some other white.
The crevices, too, which open so wide
And make a fit place for vermin to hide,
Can all be well stopped and made good and sound,
So that such a nuisance can scarcely be found.
Then talk no more of your rooms looking bad,
When such a good chance is now to be had
Of having your house brought out to view
Very near as nice as when it was new.
Then give me a call, before it's too late,
At the corner of West and South Temple Street.

Charles Cooper, Whitener and Kalsomuner. Office, South Temple Street, one block west of the Tabernacle. d91
