Washington, May 16.—President Roosevelt was today presented with a solid gold folding card conferring on him life membership in the National Association of Professional Baseball Leagues, with the privilege of admission to all games played by the clubs composing the association. The card is of the regulation baseball ticket with the president's photograph engraved in enameled gold thereon, the date and also the name of as many cities as there were room for.

In accepting the card the president expressed his warm thanks and said he regardad the game of baseball as the typical American outdoor sport; that he was particularly interested in it because men of middle age could participate in it, and that the game always had his good wishes.

LAWN TENNIS MATCHES

Between Women of This Country and Great Britain.

New York, May 17.—Talk has been revived concerning a series of international lawn tennis matches between the women of this country and of Great Britain, and assurances are given that definite arrangements will be made to hold the first match in America some time in August of next year. Edwin Sheafe, president of the Longwood Cricket club of Boston, has announced his intention of presenting a cup to the English and United States lawn tennis associations for this purpose. Miss May G. Sutton, who sails this morning on the Cedric, will consult with the women in England regarding the international matches. When seen at the Hoel Seymour last night Miss Sutton confirmed the report that definite steps would be taken to arrange for the match.

In order to fit herself for the all-England championship at Wimbledon on June 25, Miss Sutton will enter the district tournament at Leicester May 30 to June 1, and Manchester June 4.

After Wimbledon Miss Sutton will defend her title to the Welsh championship at Newport, Wales.

Paris, May 16.—A curious proposition suggesting the complete disarmament of the colonies belonging to all the powers, except for interior police purposes, was introduced by M. Rodier, governor general of Cochin-China, at a meeting today of the arbitration committee of parliament. It declares that the arguments against general disarmament do not apply in any way to the colonies which should be placed under the protection of all civilized nations.

Messina, Sicily, May 16.—A violent eruption of the Stromboli volcano occurred today. It was preceded by a tremendous detonation and followed by continuous explosions, which, however, were less violent.

MUNYON'S SUCCESS

In Curing Old Chronic Cases of

RHEUMATISM

Patients Given Up as Incurable

Speedily Restored to Health by Munyon's 3 X Rheumatism Remedy

I want every rheumatic to throw away all medicines, all liniments, all plasters and try MUNYON'S 3 X RHEUMATISM CURE. No matter what your doctor may say, no matter what your druggist may say, no matter what your friends may say, no matter how bigoted or prejudiced you may be against all advertised remedies, go at once to your druggist and get a bottle of the 3 X RHEUMATISM CURE. Price, $1. (He will get it for you if he has none in stock). There are 100 doses in a bottle, and as one lady says:—"Every tablet is worth more than a diamond of the same size." A few doses will take away all aches and pains, and a cure generally effected before one bottle is used.

Remember, this remedy contains no salicylic acid, no opium, cocaine, morphine or other harmful drugs. It is put up under the guarantee of the Pure Food and Drug Act, but my guarantee I consider the best. Try the remedy, and if you are not satisfied, bring the empty bottle to me and I will refund your money.

If you have any other ailment, remember that we put up a separate remedy for each disease. We have no 'cure-alls.' Our Cold Cure cures colds and coughs and is worth more than all the emulsions, the oils, all the balsams and cough cures that have ever been made. You can prove this statement by the investment of 25 cents.

My Kidney Cure, I believe, has saved more lives and cured more chronic cases of bladder and kidney ailment than any known remedy. Money back whenever it fails.

My Dyspepsia and Stomach Remedy enables one to eat a good, square meal and digest it.

The L. D. S. university baseball team is now in the lead in the High School league. The team jumped to first place by defeating the University of Utah Preps in yesterday afternoon's game. The final score was 15 to 7, and the feature of the contest was the slugging of the winning nine. Houstan the U. pitcher had an off day, as all pitchers have, and was lamoasted for 12 hits, and three of them were homers. While Houstan was not in good form his position was made worse by the fact that he was given anything but good support.

Parry pitched a good game for the L. D. S. U. and was given splendid support. The work of the outfield was excellent and the team put up a fine article of ball all the time. The detailed score follows:
