THE BULL "LAUDITRILIER."

Prof. Thatcher of Chicago Univer-

sity Declares it is Not Genuine.

hicago, June 23 .- The papal bull

cnown as "Laudibilter," over which

ontroversies between historians have

been waged for some seven centuries,

s not genuine, according to the an-

nouncement of Prof. Oliver Joseph

Thatcher of the University of Chicago, in a paper entitled "Studies Concerning Adrian IV." just issued from the uni-versity press.

This conclusion is the result of a trip

to Europe, a year's study in the Vati-can library, and the reading of innu-

erable Latin documents. The "Laudibliller," so called from the

occurrence of the Latin word in the sal-utation, has long been supposed to be a

utation, has long been supposed to be a grant made by Pope Adrian IV, con-terring on Henry II, of England the island of Ireland to held in fier. Con-cerning its genunceness of faisity histor-itus have long been in dispute. Prof. Thatener snows that the ques-tion of offering of Ireland to Henry as

a fief, and the question of the genuine ness of the bull, are not the same.

" 'Laudibiliter' cannot have been writ-ten," says Prof. Thatcher, "by one wno knew what was essential to such a doc-ument. It is merely a Latin exercise of

some twelfth century student, who was practising the art of composition, and

for this purpose chose to impersonate Adrian IV. It must be rejected as en-

At Ogden yesterday afternoon the Lobsters made it two more in the lead and the locals will have to hustle from now of to keep in the running. The Ogden crowd started out to win in the first inning. The found young Nephi Thomas good and plenty and batted him all over the field. They hit him all over the field. They hit all around with one more added by Scott. That was to rub it in. The Maroons got a run in the first by Cook who made a hit and got to third on Egan's single and scored a moment later while the latter was purloining second. Mahoney allowed Egan to reach first in the fourth. Hausen threw to second to head him off and no one was there to cover the cushion and the play let Egan romp home. The only other run they got was in the only other run they got was in the binth. Tozer struck out and Whiting made a hit and got to second on an-other by Thomas. Wessler's fumble of Christie's sizzling grounder let him to third. Cook then pounded out a good one among the weads and the umpire called "foul." He than struck out and Egan got a walk forcing in Whiting. The summary follows:
