CONGRESSIONAL.

HOUSE.

WASHINGTON, 4. — Banks, of Mass., argued in favor of the immediate swearing in of the member from Colorado, and sent to the clerk's desk and had read the proclamation of the President in compliance with law, declaring Colorado in the Union.

Hoar, of Mass., characterized Springer's proposition as utterly idle and futile.

Hurlburt argued to the same effect.

Springer defended his resolution, declaring that delay in admitting the member would not do injustice to Colorado, a comparatively small State claiming two Senators, one representative and three electoral votes.

Springer's motion referring the credentials of the Colorado member to the judiciary committee was adopted—142 to 98, the republicans voting against it, as also Blount, Cox, Durham, Hartzell, Holman, Kehr, Lemoyne, Morgan, Nell, O'Brien, Rea, Savage, Stevenson, Waterson, and Wells, democrats.

McFrary presented the credentials of Buttz, of South Carolina. Objection was made, and the House was about to adjourn by agreement, when Hewitt offered a resolution providing for the appointment of three select commissions, one of fifteen members to go to Louisiana, one of six for Florida and one of nine for South Carolina, to investigate the action of the returning boards. Also to report all the facts essential to an honest return of the electoral votes, the commissioners being empowered to send for persons and papers, appoint sub-commissioners, clerks, etc.

McCrary refused to yield to the resolution and the Speaker ruled that a suspension of the rules to adopt the resolution was impossible.

McCrary also refused to yield to a resolution by Hamilton, of Ohio, appointing Saturday for eulogies on the late Speaker Kerr, unless Hamilton would add the usual phrase, that as an additional mark of respect the House do now adjourn. Hamilton declined to do so.

The House then considered the question of admitting Buttz.

Morrison presented a memorial and protest, signed by citizens of the district, against the admission of Buttz, and moved the reference of the question to the elections committee—adopted 142 to 89.

Hewitt then asked unanimous consent to offer his resolution for three select committees. Objections being made, Hewitt moved to adopt the resolution under a suspension of the rules.

The Speaker overruled the technical objections which were made, that the morning hour had expired.

Kasson appealed from the decision. The appeal was put in writing. It claimed that the decision was a violation of the rules of the House, and argued in support of his resolution.

The House, by a vote of 144 to 73, voted to table Kasson's appeal.

Hewitt's motion to suspend the rules and adopt his resolution being in order, Kasson suggested that it be modified to apply only to Federal officers.

Hewitt, Cox, Blackburn and other democrats objected, and Hewitt's motion was adopted, 156 to 78. The announcement was loudly applauded by the democrats. Bagley, of New York, Pierce and Seelye voted with the democrats.

A committee, to join the Senate committee and notify the President that Congress was prepared to receive any communication, was ordered, and Hood, Clymer and Hoar were appointed.

The Speaker appointed, as the South Carolina committee, Sayler, Abbott, Stenger, Jones, of Ky., Phillips, of Mo., Banks, Hale and Laurence. Hoar having announced that Hale could not serve, the Speaker appointed Willard, of Michigan, who asked to be excused, and Lapham, of New York, was appointed.

The House at 7.30 adjourned.

EASTERN.

The South Carolina Legislature.

CHICAGO, 4.—The *Inter-Ocean's* Columbia special says when the democratic house withdrew, Speaker Mackey, amid breathless silence, read resolutions rehearsing the events of the last four days, and calling on the Governor to take measures to protect the House against the threatened unlawful intrusion, intimidation and violence from the democrats, who had intruded themselves unwarrantably in the hall. The resolution was carried and the house, exclusively republicans, went into secret session. The senate adjourned without meeting with the house.

Cabinet Meeting.

WASHINGTON, 4.—At the cabinet meeting, to-day, telegrams from General Rugar were received containing an account of the withdrawal of the democratic members of the South Carolina legislature.

Hewitt and Grant—The Message—The Florida Count

Hewitt has written out a statement of his recent conversation with the President, and will request the latter to authorize its publication. There is good authority for asserting that Gen. Grant's remark to him concerning Louisiana was merely to the effect that there was not a fair election in that State.

Ex-Senator Osborne telegraphs privately from Tallahasse, to-day, that the returning board will, to-morrow, make a final exhibit, showing that Florida has given Hayes and Wheeler an unquestionable majority.

The Investigating Committee.

The special House committee to investigate the recent election in South Carolina and the action of the canvassing board, will organize and proceed to Columbia to-morrow night. It is understood that Representative Morrison will be appointed chairman of the special Louisiana committee.

More Artillery.

Twe batteries of the First Artillery arrived to-night, and are quartered at the arsenal.

The Injunction Case.

OMAHA, 4.—Counsel for the republican electors, to-day, asked Judge Savage to put the case, whereon the democratic electors petition for an injunction to prevent the former from casting the votes, over till to-morrow morning, but the Judge decided that he would hold a night session. Counsel then put in a demurrer, and are arguing against it to-night, quoting authorities to show that the petition is not perfect, and also that the court has no jurisdiction in the matter. Should the Judge overrule the demurrer the case will be tried on its merits to-morrow. It seems to be the general belief that the republican electors will meet and cast their vote without regard to the decision of the case. Energetic efforts continue to be made by the republicans to get a quorum at the extra session of the legislature at Lincoln to-morrow. The democrats are wielding all their powers to prevent a quorum.

From Florida.

TALLAHASSE, 4.—The morning was consumed principally with the presentation of the general argument of the democrats, presented by Col. Geo. W. Biddle, of Philadelphia. It is an elaborate document, laying down certain general and well-settled principles of law, and then discussing the cases of the contested counties, under one or other of these principles. It closes by asking, first, that the board simply figure up the face of the returns, on which it claims 129 majority for Tilden; or if it sees fit to go behind the face of the returns that it throw out certain counties and precincts which leave a majority of 1,297 for the electors. The republicans offered no general argument, but spent the day in offering new affidavits and testimony. The decision of the board is confidently looked for to-morrow. Nothing known as to its nature.

Humphreys, the republican candidate for elector reported ineligible to an electorship, being shipping-master at Pensacola, came before the board, to-day, and swore that he resigned in October, and that his resignation was accepted a week before the election.

Unveiling the Printers' Bust of Horace Greeley.

NEW YORK, 4.—About one thousand people witnessed the unveiling of the printers' bust of Horace Greeley, at Greenwood Cemetery this afternoon. Speeches were made by several distinguished persons.

Heavy Failure.

INDIANAPOLIS, 4.—Hasket & Helzelgesser, wholesale and retail druggist, failed; liabilities $100,000.

Movement of Crook's Troops.

BUFFALO SPRINGS, Wy., 4.—General Crook's whole force left Fort Reno this morning, his intention being to move down the Little Powder to its junction with the Powder, and there forming a supply camp, operate against the hostiles as circumstances dictate. This point will be convenient for operations to the Tongue, Little Missouri, or Bellefouche.

The latest information is that Sitting Bull has about 400 lodges, and Crazy Horse about seventy, equivalent to a fighting force of 1,500 to 2,000. The command is rationed to about January 1st.

Gruard, chief scout, is of the opinion that unless surprised, the hostiles will not make a stand.

The wounded of Mackenzie's fight leave here to-morrow for Fetterman.

General Crook expects to find the Indians on the Powder.

WESTERN.

Official Vote Canvassed.

SAN FRANCISCO, 4.—A Salem Oregon, press dispatch says the official vote was canvassed by the Secretary of State, to-day, in presence of a number of prominent republicans and democrats. The republican majority is 1,165. A protest was filed, signed by Senator Kelly and eight other democrats, against the issuance of a certificate to Watts, and in favor of giving it to the next highest on file. The Governor gave notice that he would hear the argument on the subject to-morrow. The republicans will not argue the matter before the Governor, claiming that he has no jurisdiction. The decision of the Governor will be given on Wednesday next.

FOREIGN.

TURKEY.

No Dissensions in the Ministry.

CONSTANTINOPLE, 4.—The Porte has telegraphed its representatives abroad denying that dissensions prevail in the ministry. The elaboration of reforms is almost completed.

WEST INDIES.

Troops and Gold.

HAVANA, 4.—The steamship, to-day, brought five hundred troops and half a million dollars in gold.

GERMANY.

Will Not Participate.

BERLIN, 4.—The cabinet, with the approval of the Emperor, adopted a resolution against the participation of Germany in the French exhibition of 1878.

GREAT BRITAIN.

Wreck of a Troopship.

LONDON, 4.—The British troopship *St. Lawrence*, with soldiers for Capetown, was totally wrecked off the coast of Africa. The troops were all saved. A large quantity of military stores were lost.

Will Submit to a Conference.

Roumania will submit to a conference. The programme which was drawn up last summer, and which is formulated with much emphasis in consequence of her independent position and possession of the mouths of the Danube; it is only to mask her real projects that Roumania calls on the powers to guarantee her neutrality.

Sympathies of the United States.

A Berlin correspondent of the *Post* says general surprise is felt at the address delivered to the Czar by Baker, the American minister, on his return from the United States. The address expressed the sympathy of the United States for the Czar and his eastern policies.

The Porte and Austria.

The *Times* Berlin dispatch reports that nearly all the Turkish troops have left Bosnia and Herzegovina, the Porte having determined not to resist the occupation of these provinces by Austria. In case of war Austria has ordered the occupation of the Transylvania and Mondavian passes.

A Prussian Officer Will Direct the Roumanian Army.

The *Times* correspondent at Paris telegraphs the following—"I learn, from trustworthy authority, that a Prussian military officer of high rank is about to repair to Roumania to direct the army there. It is certain that Russia will be allowed a passage through that principality."

Siege Declared.

The *Standard* says telegrams were received on Monday, from an authentic source, stating that Buenos Ayres is tranquil, that order has not been disturbed, but the government has declared a state of siege there and in three other provinces with the view to prevent fomentation of the disorder by bands of desperadoes. The first reports of the affair were grossly exaggerated.

The Cincinnati Weekly Times

Is entering the thirty-third year of its existence, with a National Character and influence second to no other paper. Its patrons are of all parties in politics, all sects in religion, all classes in society, and of every State and Territory on the American Continent. Its contents are adapted to the wants and tastes of all.

Its EDITORIALS on all questions that affect the welfare of the people or the nation, are carefully and thoroughly done, broad and racy in style, and not intentionally offensive to any class of readers.

Its LETTERS FROM THE PEOPLE, describing the merits of their several localities as places of residence, especially in the South and Far West, are invaluable to persons looking out for new homes.

AN ORIGINAL STORY, and a variety of Sketches and Essays from popular writers, are given in every number.

Its MARKET REPORTS, including Live Stock and Grain Quotations from the principal shipping and receiving points, are always reliable.

Its AGRICULTURAL DEPARTMENT is conducted by a gentleman of experience in that vocation, and with an earnest desire to benefit the Farmer.

THE YOUTHS' DEPARTMENT is so popular with the children, that they write for it, if they do not cry for it.

Every Patron of the Weekly Times
