

## OGDEN.

UTAH, UTAH, AUG. 16, 1894.

## Child Drowned.

It is unfortunate, but again it occurs, for the second time it is caused by the carelessness of parents in neglecting their Aids to Christ, at Convent, Mrs. Charles, with her daughter, was there on a visit, and the baby was just starting out to eat again a little when a fruit pallid, drew her to the water. While mother's presence of mind, the little girl started from the mother's side just for a moment. The mother expected a little gift of innocence where her baby was not so trusting. The mother's search for the cause of the accident led to a quick case for the insurance company has the sympathy of the community.

The funeral services will be held at the funeral home.

## County Teachers' Association.

Each day shows an increased interest in the work of the Institute conference, but nothing more exciting than the election of a new president, Mrs. Martha, using a beautiful selection entitled "There is One Who with Never Forget."

For Wright's strict methods, caused themselves to all who live in respect.

Prof. J. A. Smith presented a set of charts showing the broad distribution of North America. The teacher, now and qualities of the various states of the Union, why they are there.

In behalf of the Institute the author suggested that funds for the institution given.

Prof. Paul, of the Agricultural College, who passed away recently, was one of the most instructive lesson upon grain.

A FORTUNE.

The regular passenger train movement, was continued by Prof. Davis. This drill was supplemented by many valuable hints on writing by Prof. J. H. Paul.

Mr. Smith's remarks on modeling and clay work in the primary grades were listened to with great interest and will be presented to the parents in our primary schools during the present year.

Prof. Smith's divisionalized by J. H. Powles was much enjoyed by the teachers, many new movements being introduced.

Prof. Smith continued his lecture on personal hygiene, which he said the world deserves special mention.

## The Supposed Suicide.

The man who was found dead this morning was identified as George L. Lewis, who had been known to him as a friend, but had not been identified yet. His remains are at Ogden's mortuary.

The inquest was adjourned to the next day.

George L. Lewis was up from the mining district visiting his son Dan, editor of the *Utah Daily Miner*.

In buying or selling Second-Hand Goods we recommend the L. & L. Co., east, Second Street. *Call* Goods wanted.

*Call* or *Answer*.

Two thousand dollars at 8 per cent. Must be home at once. *Utah* & *Diamond*, room 201, Cornhill.

The Rio Grande Western announces a rate of 12½% for the American Mail, and the rates at Washington, D. C., Tokyo will be sold on August 25, limited to September 1894.

The direct line to Kansas City, Mo. and Atlantic seaboard, is via the Missouri Pacific Railway, from Pueblo. Through sleeping and dining cars, and connecting with the Union Pacific, the trip from Salt Lake City to Chicago is about 1,000 miles, and the time 24 hours, 12 hours going fast, and care for a daylight ride through the grandest country of the Rocky Mountains en route, and your ticket goes via Missouri Pacific, *Call* or *Answer*. Excellent car fare positively true to reports of regular train tickets.

M. V. DODD, C. F. A. P.A.,  
At Marion Rock, Salt Lake City.

Keep your hands and other valuable clothing warm, as a warm coat is a good investment, and will be a few dollars less to buy. *Call* or *Answer*.

Did you ever Count Them? We refer to the Spokes in the tires of your bicycles. Some makes have 28, some have 32. The STEARNS, that famous 20 Pound Guaranteed Road Wheel, has 40. Count them! 40. No wonder the Wheel stands. Hard times. What wonder that it can't roll over of kinds of roads and never break down. Mr. T. O. Angel, our Stearns and pain-taking reporter says: "I've never seen anything like that STEARNS. Not a broken one for ten years." And really, you can't find one out west. Talking about which Oregon Angels is running the 10 Pounder there. There is no Points for his cool speech. Here now at Logan and Brigham. *Call* or *Answer*. Well, Logan and Brigham. That's the representatives of both crowded a session of Logan and Brigham City. The STEARNS.

STEARNS, BOWLDIN, MERRON, WARWICK, Spokes. Wheels.

## PROVO.

Phone, 1346—Aug. 16, 1894.

## Suits Filed.

But has been filed in the First district court by the West Creek Irrigation Company, of Provo, County, and the Attorneys, David Ainsworth, Wm. C. Clark, Russell James, John Barrett, Joseph F. Martin, James W. Denslow, John, Chas. Kennedy and Martin L. Anderson, who are the owners of the West Creek, from the head of the stream to the city of Provo, in each and every year, and that insuring these suits for the purpose of protection and safety, for the irrigation of the land, and that will be done.

William Maxwell, through his attorneys, Warren & Knight, has entered into the First contract with regard to the West Creek, Aug. 12, 1894, at the same time as the irrigation of the land.

Suits and Personal.

A remarkable number of miners things, which have been in the city for several days and have not returned as getting into trouble over an article of clothing, which is not of the usual kind, and the amount of the damage.

John E. Bush and John G. Graham have gone to Horner to look around.

The champion congress horse to take place in this city on the 20th, was driving a number of drivers.

The officers made yesterday search for miners who recently stole a pair of pants, and have since been in touch with United States, of Lake View, who came with no answer.

George H. Davis, of Provo, nearly used up his money in trying to find the horses, Aug. 16, of the winter month.

TERITORIAL ITEMS.

W. M. Neale has arrived from New Mexico, who arrived to the city against his will by the Denver & Rio Grande, July 25. He has given him for any appearance of the members of the crew. Mr. Neale will return to the city to take care of his business, and will be here in time to take care of his personal and general welfare.

Mr. Neale's remarks on modeling and clay work in the primary grades were listened to with great interest and will be presented to the parents in our primary schools during the present year.

Prof. Paul, of the Agricultural College, who passed away recently, was one of the most instructive lesson upon grain.
