SNIDER'S REPORT SHOWS BALANCES

When Checked, However, it is Shown How City Faces Big Deficit.

JUNE A MONTH OF EXPENSE.

City Auditor Says the Month Was Heaviest of the Entire Year.

Although City Treasurer Gideon Snyder's report does not show it, the drain on the city's revenue funds for the month of June was the heaviest so far this year. His monthly report issued yesterday afternoon shows a balance of \$118,713.17 in the revenue funds, but when the outstanding warrants issued against the funds, which amounted to \$107,021.96, is deducted, it leaves a balance of \$11,691.21. Next month the city will be running on a deficit balance of \$635,625.47, but these funds having nothing to do with the financing of the city's affairs. It is money set apart to do certain public improvement work and probably the greater part of it has been spent already on the extensions which are now being done. There is still \$84,413 in the sewer bond fund, and \$455,342.19 in the water bond fund, but to account of outstanding warrants is made.

The treasurer's report gives the following balances in the revenue funds: Contingent fund \$62,732.10 Water supply and irrigation \$2,107.78 Waterworks \$8,824.05 Streets and sidewalks (overdrawn) \$2,008.58 Sewers and drains \$2,462.83 Library \$3,148.88 Bond sinking fund \$10,697.89 Bond interest \$1,569.99

Total balances \$118,713.17

City Auditor Alf stated that this was the heaviest month this year in expenditures. In checking up the warrants he found that the following amounts were outstanding against these funds:

Contingent fund \$43,829.76 Water and irrigation supply \$7,759.39 Waterworks \$10,551.53 Streets and sidewalks \$15,463.38 Sewers and drains \$1,934.41 Library \$2,147.40 Bond sinking fund \$26,330.00

Total expenditures \$107,021.96

Overdrafts would be shown if the warrants were reckoned in the water and irrigation supply fund of \$5,456.61; in the waterworks fund of \$1,728.48; in the streets and sidewalks of \$15,413.88; in the bond interest fund of \$15,632.11.

BOWEL COMPLAINT IN CHILDREN. When six months old the little daughter of E. N. Dewey, a well known merchant of Ogden, Utah, had an attack of cholera infantum. Chamberlain's Colic, Cholera and Diarrhoea Remedy was given and effected complete recovery. In cases of bowel complaint in children and when children are ill, it is pleasant to know that a medicine can be relied upon with perfect confidence. When reduced with water and sweetened it is pleasant to know that a medicine can be relied upon with perfect confidence. When reduced with water and sweetened it is pleasant to know that a medicine can be relied upon with perfect confidence.

COLORADO COMING IN FORCE. Grand Army Men of Centennial State To Send Big Delegation.

A letter received at the office of the executive director of the G. A. R. encampment from Denver, Colo., tells of the interest which is being manifested in the Colorado capital in the national encampment to be held next month in Salt Lake. The letter, in part, is as follows:

When the encampment was held in this city in 1893, the Utah Grand Army men practically their full strength and came to Denver. They were visitors, and yet, being from a Rocky mountain state, they were also in a sense entertainers; for they felt the Denver spirit and were glad to help the people of this city in the great success and as full a indication of Rocky mountain hospitality as possible.

SYMPATHY WITH THE OLD SOLDIERS. Loyalty to the far west and appreciation of the friendliness of Utah Grand Army men in the past, the Denver Grand Army men in the future should find a parallel in the desire of the Colorado men to make the Salt Lake encampment a great success and as full a indication of Rocky mountain hospitality as possible.

MONDAY AT TABERNACLE. Independence Day Program Will Be Added to Organ Recital.

Instead of the regular organ recital on Monday next a special musical program has been arranged consisting of the following numbers: The great organ by Tenor solo. "The Flax Without a Stain" by Fred C. Graham. Address by Hon. John Henry Smith. Patriotic selections.

PROPER TREATMENT FOR DYSENTERY AND DIARRHOEA. The great mortality from dysentery and diarrhoea is due to a lack of proper treatment at the first stages of the disease. Chamberlain's Colic, Cholera and Diarrhoea Remedy is a reliable and efficient medicine, and when given in reasonable time will prevent any dangerous consequences. It has been used in for many years and has always met with unvarying success. For sale by all druggists.

CAL-O-TINT. The Bennett Glass & Paint Co. have procured the services of the artist, Paul Beyrau, who comes from New York to demonstrate the value of Cal-o-tint, the new wall finish, which they are state agents. He is accompanied by his wife and will remain here several weeks, and will be glad to meet all who are interested in this, the most approved wall finish on the market. The effects produced by Cal-o-tint are certainly beautiful, and its sanitary properties, together with the fact that it mixes with cold water and is easily handled, make it a very desirable article to use.

Mr. Beyrau will be glad to call on anyone who would like suggestions relative to home decoration, and especially will be glad to meet the architects and builders. Those who love the beautiful ought to take advantage of this opportunity to get suggestions and designs without cost.
