

**May 29, 22.—Commercial**  
**Teller's Mine, Ind.**—Snow  
has the ground with thirty miles

the banks. At Findlay, Ohio, the  
river is several inches deep. At  
Des Moines, Ohio, the deep snow

in the city 22°. At Hagerstown,  
Pa., snow has fallen since noon. At  
Woon, Ohio, snow commenced fall-  
ing at 10 this forenoon. The ground  
is covered. At Lima, Ohio, twelve  
inches of snow trees breaking. At  
Delaware, Ohio, four inches of  
snow, thermometer 34.  
**CINCINNATI, 22.**—Snow on the  
tops fell last night and day on  
trees and trees to a depth of one  
to two inches. Many branches  
were broken down. Snow is  
not visible this morning, but was  
all gone by 10 o'clock leaving  
sign of blight on leaves or fruit.  
Temperature has risen to 44;  
cloudy.  
**WILLIAMSFIELD, O., 22.**—Mrs.  
J. J. McMillen, of Lindhaven,  
Harrison County, while in a fit of  
temporary insanity drowned her two  
children in a well then took poison  
herself. There is no hope of her re-  
covery. The children were aged 2  
and 6 years.  
**60, 22, — Inter-Ocean's**  
**ton:** The presence of Rich-  
ard Crowley in Washington, and the  
fact that he spent some time with  
President Arthur this evening, has  
aroused some comment among gov-  
ernment. It was reported not long since  
that a breach had occurred between  
the President and Crowley, that  
could not soon, if ever be mended.  
The cause of the trouble was  
never made clear, and after-  
ward Crowley denied that  
any difference existed between  
him and the President. It is stated  
last night, however, that a coolness  
had sprung up between the two  
regarding a misunderstanding regarding  
some matters of importance to  
Crowley's constituents, and that  
Attorney General Brewster be-  
lieved the gap. The statement,  
however, is very indefinite and the  
fact that Crowley has been seen at  
the White House very recently  
and in close conversation with  
the President strengthens the belief  
that the rumor of disruption has  
little if any foundation; but the long  
interview of to-night has given an-  
other class of gossip—the cabinet  
makers and breakers—a theme.  
They say Arthur has been for a  
long time very anxious to get Fol-  
ger out of the cabinet, but Folger  
has been so largely sacrificed since  
he has been in the cabinet, the Pres-  
ident doesn't feel like throwing him  
overboard altogether. He is there-  
fore about to withdraw Minister  
Folger, against whom there has  
been made a complaint on account  
of his troubles, and send Folger to  
the Court of St. James. This, the  
gossip say, would be a new way to  
get rid of Folger, and then he will  
give his friend Crowley the Treas-  
ury portfolio. It is actually asserted  
that the President is for Crowley,  
come and see him, and that the  
proposed change in the cabinet was  
the subject of their interview to-  
night.

**LONDON, 21.**—The Pall Mall Ga-  
zette states, the Governor General  
of Canada in succession to the  
Marquis of Lorne has been offered  
the Marquis of Lansdowne, who  
accepted. Lansdowne will probably  
go for Canada next October.

**Phos. Sexton, M. P. for Sligo,** in  
speech to-day, referring to the  
people's circular to the Irish clergy,  
in the action of the Irish race in  
relation thereto would redound to the  
permanent good of the cause of reli-  
gion. Sexton urged on his hearers  
avoid words that would postpone  
reconciliation, which he was sure  
could soon be established on an  
honorable basis between the Vatican  
and the Irish people.  
**Castle Bar, Ireland, 21.**—The body  
of the steward named Quinn, who  
has been missing for four months,  
was found in a lake near here with  
a heavy chain round the neck.  
**Paris, 21.**—In the second ballot  
member of the Chamber of De-  
puties for the 18th arrondissement  
yesterday, M. Cailhau, conservative,

**St. Petersburg, 21.**—The Czar has  
granted a handsome pension to the  
family of M. Mokoff, president of  
the society for regulating the social  
condition of the Russian Jews, who  
committed suicide a few weeks ago.  
The report that M. Mokoff's suicide  
was due to speculation is con-  
sidered groundless.  
**Moscow, 21.**—The Emperor and  
Empress have given a reception to  
the special foreign ambassadors here  
to attend the coronation. The weath-  
er is fine; the city presents a  
brilliant and picturesque scene.

Asia.  
**Lisbon, 21.**—The King and Queen  
of Portugal will leave Lisbon for  
Madrid to-morrow. The Crown  
Prince of Portugal will act as regent  
during their absence.  
**Berlin, 21.**—The North German  
Gazette says the substance of Prus-  
sia's last note to the Vatican is as  
follows: The Government attaches  
special value to giving notice of ap-  
pointments contemplated, because  
it regards such notification as a  
question of honor, and the primary  
condition of labor in common be-  
tween the spiritual and temporal  
authorities. The Government is  
prepared to respect the competency  
court in regard to notifying prefer-  
ments, and to dispense therewith  
altogether in case of unbaptized  
clergymen, and thus remedy the  
present inadequate provision for  
cures of souls. In conclusion, the  
note alludes to the peaceful attitude  
of Prussia and expresses the con-  
viction that a settlement will be af-  
fected as soon as the Curia has agreed  
to the matter of notification. The  
note has created a sensation.  
**Germania's correspondent at**  
**Rome** maintains that the Vatican  
has replied to Prussia's note en-  
deavoring to return to the basis of  
negotiation which existed before the  
note was sent. He adds: Baron  
Von Schlozer, in view of the bad  
impression created by the note, has  
already suggested a fresh basis of  
negotiation.  
**PARIS, 23.**—Cardinal Lavigerie,  
Archbishop of Algiers, has been  
authorized by the Pope to call the  
attention of the French government  
to the difficulty the Pope has in pre-  
venting the tension between the  
Vatican and France from becoming  
an open rupture, and to show it how  
impatiently the enemies of the rep-  
ublic wait such results. The gov-  
ernment made an amicable reply to  
the cardinal's communications.  
**Berlin, 22.**—A report, which is not  
yet confirmed, comes from St. Pe-  
tersburg, that previous to the depar-  
ture of the Emperor for Moscow an  
explosion occurred under the wash-  
stand and in the fire place in his  
dressing room, but nobody was in-  
jured, the Emperor and Empress  
being in the dining room at the time.  
**Moscow, 22.**—The weather this  
morning for the entry into Mos-  
cow of the Czar was splendid. The  
whole route from the Petrofsky  
Palace to the Kremlin, four and a  
half miles, was crowded with people.  
At every point Imperial standards  
were displayed and the balconies  
were hung with gay colored ma-  
terials and Russian colors. The  
only foreign flags allowed to be dis-  
played are those over the various  
embassies. Along the road which  
the procession traversed are 100 Ven-  
etian masts from which banners  
are flying, and all the domes and  
spires of the principal buildings in  
the city are decked with flags.  
Thousands of persons passed the  
night out of doors so that they  
might secure good places to witness  
the procession. Multitudes of others  
thronged the churches praying for  
the safety of the Emperor.  
**Moscow, 22.**—The Czar left Petro-  
fsky palace at noon and reached the  
Kremlin at 12.05 o'clock. There  
was a slight fall of rain during the  
march of the procession, but other-  
wise the affair was a complete suc-  
cess. The enthusiasm of the people  
along the route was unbounded.  
The Emperor wore the uniform of a  
general and was mounted on a  
splendid charger. He rode a little

in advance of four generals who  
were directly attending him.  
**Cairo, 22.**—The Governor of Sou-  
dan telegraphs to the Khedive, re-  
porting that after the battle of April  
29th, the rebel forces were pursued  
two versts, commanded by Hicks  
Pasha and Yehieh Bey, who cut off  
their retreat at the passage of the  
Nile. The majority of the native  
chiefs have submitted to the Egyp-  
tians, and the Governor is sanguine  
that others will follow their ex-  
ample.
