## EXCITEMENT IN GAMBLING HOUSE

Woman With a Gun Searching for Recreant Husband Scatter Inmates.

### DEATH NOT DUE TO VIOLENCE.

Verdict of Coroner's Jury in Cause of Death of Colored Woman—Reception to Supt. McKay Big Affair.

Ogden, Dec. 30.—Much excitement was created last night in a down town gambling hall by the appearance of a white woman, the wife of a Japanese, searching for her husband with a gun. Officer Leaver arrested the woman and took her to the police station, where, between hysterical sobs, she told her story. Her husband's name is Frank Yonori, and their home was in Pittsburgh, Pa., she said, and that she and her husband came to Ogden from Helper, Utah, yesterday morning. Believing that her husband was out in company with other women, Mrs. Yonori armed herself with a .38-caliber automatic pistol and started to search for him. About 9 o'clock she learned he was in the White Elephant gambling hall, where she went. The place was crowded when the woman entered. Her frantic screams attracted attention and when she recklessly flourished the gun there was a general scramble for cover. In the midst of the excitement Yonori escaped and dashed down the stairs, closely pursued by the woman, still brandishing her gun.

On reaching the street, Officer Leaver intercepted the enraged woman. On the way to police headquarters Yonori and Onisayama attempted to rescue the woman, but failed.

Later the two men were arrested by Officers Leaver and Dan Sullivan.

rence came to her death from the effect of over-drinking and exposure, and that no one except herself is responsible for the said death."

The above is the verdict of the coroner's jury, which met yesterday to inquire into the facts concerning the death of Mrs. Richard Lawrence, who was found dead in bed last Saturday morning at the family residence on Wall avenue. The verdict was returned by the jurors, James Cassin, James C. Jensen and George Whitmeyer shortly after they were charged briefly by Judge Murphy.

The inquest, which began yesterday morning, had caused quite a sensation among the colored residents of the city, as all parties concerned were negroes. The morning session was devoted to receiving the testimony of many of the colored women, who were neighbors of the Lawrences. They told of Mrs. Lawrence being at a neighbor's house drinking egg nog and a little beer. All also gave the defendant, Richard Lawrence, the reputation of treating his wife cruelly.

At the afternoon session Lawrence took the stand and told of his wife being brought home Christmas night in an intoxicated condition and being put to bed. He said the next morning he attempted to arouse his wife and found her dead.

**RECEPTION TO T. E. MCKAY.**  
At the Weber academy last evening one of the most enjoyable social affairs of the season was the farewell reception tendered Supt. Thomas E. McKay, who leaves Jan. 7 for Europe, where he goes to take charge of the Swiss-German mission. The affair was attended by about a thousand people, who came to bid good bye and God speed to one of the most popular young men of Weber county.

In the study hall, a program of music, speaking and games was held for the benefit of those not caring to dance in the large lecture hall. Refreshments were served during the evening by the young ladies of the school.

**HELD FOR ROBBERY.**  
B. J. McGuire, R. E. Blamlett and J. K. Garrett of the Apex saloon, who were arrested Monday upon the charge of robbery upon a complaint sworn to by Frederick Goff, were arraigned be-

fore Judge Murphy yesterday afternoon and placed under \$500 bonds each. Each of the defendants pleaded not guilty and all professed to be entirely ignorant of the robbery.

## PROVO. LEAGUE OF MUNICIPALITIES.

Opening of Third Annual Convention—Jury List—Wedding Bells.

Special Correspondence.

Provo, Dec. 30.—The third annual convention of the State League of Municipalities of Utah opened in the Commercial club rooms yesterday at 2 o'clock with President Robinson in the chair. There were present about 75 representatives, 23 towns and cities were represented. After roll call Miss Fay Loose rendered a vocal selection and an encore.

President Farrer of the Commercial club welcomed the visitors to the privileges of the club while in Provo.

Mayor Decker of Provo welcomed the delegates to Provo and spoke of the good that had been accomplished and would be accomplished by the league. He invited any and all of the delegates to let their wants be known and they would be attended to.

President Robinson gave the reasons which had caused the league to be formed, viz.: the general indifference and lack of interest in public affairs manifested by most people. He felt that the league had done good work and would do still greater work in the future in the way of civic improvement. He expressed opposition to the theory that industrious politics had a place in the affairs of the city and town governments. He felt grateful for the welcome extended by Provo, and expressed hope for the growth and future usefulness of the league.

Mayor W. B. Lowry of Mantle spoke on "Duty of Cities in Forbidding the Circulation and Posting of Suggestive Pictures and Literature," taking a strong stand on the people. These things, he said, were hurtful to the young and mentally undeveloped, and the great responsibility resting upon mayors, councilmen and officers in this respect was earnestly expressed, and municipal officers were urged to protect the people from this evil.

The question was generally discussed and the speakers agreed with Mayor Lowry in the position he had taken. Councilman Povelson of Provo offered a resolution pledging the league to do all within its power to have ordinances passed prohibiting the posting of indecent pictures and the showing of indecent pictures in picture shows.

Aaron Johnson of Logan was of the opinion that the newspaper controversy over the stockade in Salt Lake was more hurtful than the pictures referred to and was opposed to the league being pledged. The majority favored the resolution, and it was adopted without opposition.

Prof. A. C. Lund rendered a vocal solo. After the afternoon meeting the delegates visited the state mental hospital on invitation of Medical Supt. Calder.

In the evening Dr. George H. Brinton lectured on "Public Service by Private Citizens."

## SMITHFIELD SHOCKING GUN ACCIDENT.

Leonard Hendricks, a Boy of 12, Shot And Killed.

Smithfield, Cache Co., Dec. 29.—A shocking gun accident occurred near

here last evening, resulting in the death of Leonard Hendricks, a boy of 12, after suffering terrible agony.

In company with several other boys young Hendricks went rabbit hunting yesterday on the west side of the valley and they were returning home on a hayrack. When near home the loaded shotgun dropped through the rack to the ground and was discharged as it fell. The heavy charge of shot struck the boy, tearing one leg nearly off and ranged upward in the abdomen. The little fellow lived for two or three hours after the accident. Medical attention was rendered as quickly as possible, but nothing could be done except to relieve his suffering.

## NO BRAINSTORM PLEAS FOR C. BURDETTE BELL

Denver, Dec. 30.—C. Burdette Bell, who shot C. Dury of Cincinnati, to death Monday afternoon because he had killed his wife from him, with permit of no modern plea in defense of the killing when placed on trial. According to a statement attributed to him, Bell will leave his case to the horse sense of any jury and "brainstorms, emotional insanity or anything else of that kind" will be avoided. He says:

"I will trust my case to the hands of any 12 men that you can pick up in the streets. I believe that any man fit to be called a man would do exactly as I did under the circumstances. Another man stole my wife. I killed him. Now, what is there wrong in that?"

Mrs. Bell from her cell last night pleaded with Chief Armstrong to be permitted to see her husband, also closely confined in jail.

"I think now that everything is clear," she is said to have told the chief.

"Bert was right and Dury and I all wrong," she said. "I want to see Bert and tell him so."

Her request was refused.

No word has come from Dury's relatives in Cincinnati as to the disposition of the body. Dury's wife visited the morgue yesterday and looked upon the face of her dead husband. The coroner's inquest was begun today.

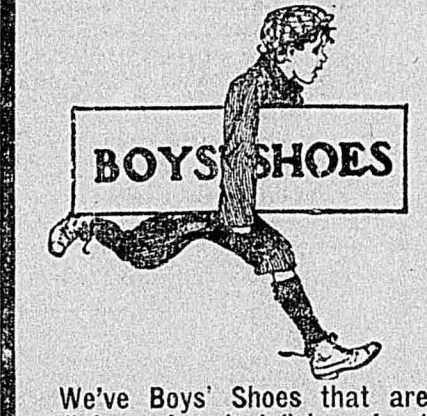

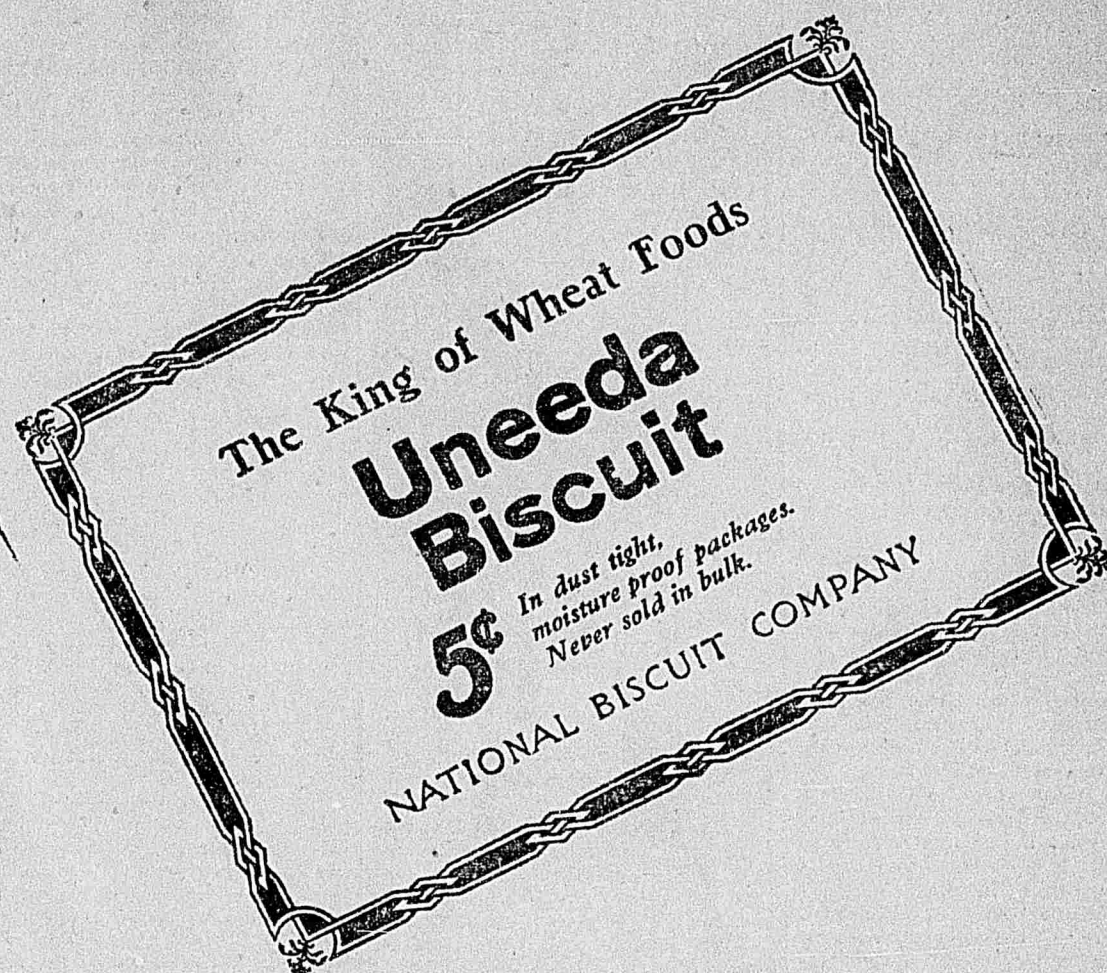

**TUBERCULOSIS EXHIBIT.**

New York, Dec. 30.—Unless aid is promptly offered the International Tuberculosis exhibit which has been opened

in this city for several weeks past, and been visited by thousands daily, will have to close. The committee on the prevention of tuberculosis has announced that all of the \$21,000 fund ap-

propriated partly by the city and partly by generous citizens, has been exhausted. Although originally planned to close much earlier, the universal public demand deemed it wise to extend the

time of the exhibit until Jan. 17, 1909, but to do this \$10,000 is necessary. The attendance to date has exceeded 450,000 persons.
