## OWNERSHIP OF WATERWORKS

To be Decided by Vote in Five Days—Bonds Favored by All Classes.

### LABOR DAY PREPARATIONS.

Reductions in Hot Springs Fare—Morgan Sunday Schools at Lagoon—Wedding Bells—Court Notes.

Ogden, Aug. 26.—Only five days more remain before the taxpayers of Ogden will be called upon to decide at the polls whether they want municipal ownership of the waterworks system. In Sept. 1, the election on the matter of the bonding of the city for the sum of \$150,000 will be held.

The question of the city buying the waterworks has been discussed at great length. Arguments similar to those that were advanced during the recent high school bond election have been advanced. Most of the arguments that have been made on the waterworks question favor the purchasing of the system by the city.

The action of the city council in calling for the special bond election has been approved by the various clubs and organizations of the city, which includes the chamber of commerce and several others.

At a meeting of the labor unions held on Monday night, addresses were made by Mayor Brewer and City Attorney Devine, setting forth the facts as to why the city should purchase the system. After the officials made their addresses, it was manifest that the unions are in favor of the purchase and it is thought that they will give their strength and endorsement to the plan.

During the past two weeks expressions have been given by prominent citizens urging the purchase of the system. Their arguments are to the effect that if the city passes up the opportunity that it now has that they would accept the same proposition if the present company would make it to them as it has to the city.

### PREPARATIONS FOR LABOR DAY.

Great preparations are being made by the labor organizations of Ogden for their annual outing and picnic party on Labor day at Glenwood park. The program for the day is being arranged, which is promised to eclipse anything ever before attempted by united labor in this city.

A feature of the day will be the parade at 11 o'clock in the day time and in which all the labor organizations and merchants of the city will participate. As has been the custom before, prizes will be offered for the most unique designs, etc., in the floats. At the park there will be a program of varied events for which prizes will be given.

At the close of the parade a program will be given at the park, and Eugene V. Debs, the Socialist nominee for president, will deliver an address on the labor question. In the evening it is very probable that bicycle races will be held at the saucer track. There will be dancing after-noon and evening in the dancing pavilion.

### REDUCTION IN HOT SPRINGS FARE.

The division points on the line will be the city limits, Pleasant View store and the springs, and the charge is five cents for each division.

In connection with the reduction of the fare to the springs the managers of the springs have reduced the price of baths from 25 cents to 15 cents. For the present the schedule on the springs line will remain the same as before, viz., hour and a half on week days and every 45 minutes on Sundays and holidays.

Murray, Aug. 26.—A stabbing affray occurred here last night and as a result Frank Hoffman, a State street butcher is lying in a hospital in condition from knife wounds. The affray took place in an Austrian saloon, where Hoffman met three strangers from Bingham, Austrians. One of them offered to play Hoffman a game of pool with a side bet of \$5. The latter assented and won the game. The Austrian then admitted that he was broke, which enraged Hoffman, who demanded his money. The man offered him \$1, saying that this was all he had. Hoffman was about to accept, when one of the man's companions "batted in," saying, "Don't give him your last cent," which caused Hoffman to ask his status in the matter. Words were exchanged, and the row ended in the stranger drawing a knife, with which he stabbed Hoffman on the left side. The knife struck a rib, which deflected the blade. Hoffman turned and struck at his assailant and received a slash on the left arm.

The man who did the stabbing ran out of the saloon and escaped. No trace of him has yet come to light. His name is Steve Uzelac. The names of the other two are Garo Yerlich and Franko Konchar.
