## EDITORIAL NOTES

Friday,

Mr. C. H. Stearn, has adapted small incandescent electric lamps to the illumination of objects under the microscope, and has exhibited the brilliant results to the British Royal Microscopical Society.

Never let go of a good thing that you really have for a better thing about which you have some doubt. The dog in the fable who dropped a tried in this position, there can be plece of meat to snap at a shadow went hungry the rest of the day.

Our new senator, says the Peoria (III.) Transcript, "Is one of the expansive men of the age." "It will sponds the Philadelphia Press, "to cover the vast area about to be vacated by David Davis."

nce New Orleans people are compelled to manufacture their ice they seek to produce fancy work, and ice-making is made an interesting art. In restaurant windows may be seen blocks of clear ice with fish, flowers and other articles frozen in the centre.

Herr Most finds people in this country rather unenthusiastic over his lurid theories, and not extremely anxious to follow the course he advises. They are rather discouraged by the fact that if they "kill kill, kill," the chances are that they'll hang, hang ,hang.

There are 582,613 Jews in Germany-an increase of upwards of 50,000 in the ten years from 1871 to 1881. Of there 325,544 reside in Prussia. Thus it appears that the Jews constitute less than one sixteenth part of the German population. Yet some brave, gallant Germans fear they will be devoured by

It is dangerous to undertake the have had enough experience to appreciate the story of a contemporary who says: "We once offended a progress and prosperity. party by changing a sentence, and yet the only thing we cut out was the announcement that some old mother in Israel had died of cholera

The population of Victoria, Australia, is considerably less than that against the great body of the citizens of New York city; that of New of this Territory, and that therefore South Wales is less than that of they are to be numbered among the Philadelphia; that of South Austratia less than that of Baltimore; that voting for the People's Ticket, thus of New Zealand less than that of the cause of the People will be su-Chicago. Between 1879 and 1881 stained, and in voting for the other New South Wales at the very high-est pitch of prosperity she has at-the polis, the cause of the People tained, increased 48,865—about one will be so much endangered. year's increment in London-an unrecedented growth.

To-day is the time for a great and all factions being buried, the Atlantic storm predicted by Prof. People should flock to the polls on Wiggins. There seems to be a gen- Monday and show that, notwitheral mi-take about it. It was not standing the present disfranchise described as a disturbance on ment of many estimable citizens land. This is not the storm ladies and gentlemen, they are still about which so much has been said, strong enough to bring a rousing that is to occur on the 11th of victory to their party, and discom March, and is not to be felt on the fiture once more to those who conwestern slope of the Rocky Moun. spire for their injury. Let us hear tains in anything like the same degree as on the east and along the of the municipal election of 1883. Atlantic seaboard. Wiggins does not profess to be a prophet, he is a calculator of the effects of planetary influence upon the earth's atmos-

THE OGDEN CITY ELECTION take place on Monday next, Feb.

12th. It will be a lively affair. Two tickets are presented to the citizens for their suffrages. One is called the "People's Ticket" and the other of misrepresentation in all this. We have not alluded to the lady before. take place on Monday next, Feb. the public with notices of this perthe "Liberal Ticket." The first con-tains the names of gentlemen, most of them representative men, nominated at a regularly called conven-her in the dispatches, it is only fair nated at a regularly called convention of delegates chosen in the primaries by the great body of the prople, after full, free and animather of a she has published as a "card:"

six manufacturers who will report at the next meeting in accordance with an agreement made last therefore clip the following, which also therefore clip the following, which are agreement made last therefore clip the following, which are agreement made last therefore clip the following, which will throw at least 8,000 per content of employment. The reaction of a specific property of employment.

number of candidates whose names were presented. The other bears the names of several citizens of Ogden who have been known for a long time in business circles, and who have a good reputation. Which ticket is likely to prevail?

We notice that the People's nomines, with one exception, are new men, to far as the City Council is concerned. Without stopping to question the wisdom of so wide a departure from the general policy, which has been to retain a sufficient number of old memsense to make business run smoothly and continue measures of importance not completed, we notice that there is good element in the Lisle—not the State—of Jersey, twenty-eight years one out of employment. The reads of crude rubber which manufacturers would be willing to pay the advanced price the clurch. My mother was a scrude rubber if they could get correspondingly advanced figures for their goods.

We notice that the People's nomines, with one exception, are new men, to far as the City Council is concerned. Without stopping to question the wisdom of so wide a departure from the general policy, which has been to retain a sufficient number of old memsence of importance not completed, we notice that there is good element in the choice of the convention, and ses. My entrance into London social life dates from a party at Lady Seabright's. Thenceforward, I was invited everywhere and treated with the greatest hindness and consideration, everything will move smoothly, and that the affairs of the municipality will be carefully and homestly maraged in the interests of the public, if the People's ticket should be elected. The nomines for Mayor is a gentleman of well known financial ability, who has served the public in several capacities, and who public in several capacities, and who is able to devote the necessary time to the duties of the office.

to earn a livelihood. I had a strong inclination for the stage and my husband sanctioned it. My family in Jersey was shrunken; four of my husband sanctioned it. My family in Jersey was shrunken; four of my husband sanctione No doubt there are people in Ogden who would prefer other men in

party opposition. We trust that this will be the policy of the Ogden People next Monday.

Efforts will be made of various kinds to divide the People's Party for the benefit of the "Liberals." The latter know very well that their only hope is in a split in the Pecple's ranks. Although schemes have been devised to lessen the number of voters, under the extreme rulings of the Utah Commissioner and close doings at the registration yet the People's Party outnumber their opponents on the registration lists, and if there is anything like a full vote polled, the "Liberals" cannot succeed.
